a) The Panel suggested/approved the Back ground Course work.
Approved

b) The Synopsis Presentation was good adhering to university norms.

- Deepa has done a nice presentation following the university norms.
- Looking at being the first presentation she showed good understanding of the railway technology and rail wheel impact load analysis using optical sensor.
- She has already presented one paper and received the best paper award which is very encouraging for a flying start. She has also communicated an IEEE paper.
- I recommend her to continue her PhD in the same pace and spirit.
