REPORT ON

TALK ON "STRESS MANAGEMENT"

A Talk on "Stress Management" was organized for BE First year students on 1st December 2022 from 1.30 pm to 3.30 pm in 5th floor Seminar Hall, New Building.

Expert/Speaker Details:

Name: Prof. Bheemeswara Reddy, Placement Department

The main highlights of the session were – various types of stress faced by teenagers, stress relaxation therapy and different stress management techniques. The life of a student can be a stressful one. Factors such as homework, social life, perceived parental pressure and neverending workloads all generate stress. Extra-curricular activities help students build confidence, explore hobbies, and develop values such as teamwork and responsibility. The ability to distinguish between choice and needs plays a vital role in the life of students. The session focused on techniques the students can use while taking decisions about their college life and career. This would help students focus not just on their curriculum but also on their extracurricular activities leading to a less stressful journey. Emphasis was laid on the stress is generated by oneself and it can be controlled by oneself. Building confidence was another foundation laid during this session via role play activities which helped remove the element of fear from the student's minds, the main prominence was focused on the motto "Fake it till you make it". The session with various career opportunities available for the students after completion of their graduation were also discussed extensively. The students were appraised on various jobs profiles such as a software developer, data base administrator, computer hardware engineer, architect and data analyst and what it takes to be a successful professional and alternative options like post-graduation, taking up GATE/CAT/GRE examination and pursuing higher studies, alternative career paths like being a blogger, content developer, online marketer, web designer etc. and even being a tech-based entrepreneur.

REPORT ON "Scholarship Orientation Programme – 2022-23"

Scholarship Orientation program for the BE first year students was organized on 2nd December 2022 for the incoming batch of 2022-23 from 1.30 pm to 3.30 pm. The orientation program was conducted in 3rd floor Seminar Hall in TOCE, New Building. The objective of the program was to inform students about various scholarship programs where they can apply and avail benefits. Educational scholarships are of great help for highly committed students who want to gain the best education available. It helps in empowering students in academic and career goals by removing the financial barrier. Scholarships can be immensely beneficial for students as they gradually progress through their academic lives and gradually transition into professional careers. Scholarships go further than being financial aid for many students. They reward deserving students with the ability to afford higher education. Scholarships are excellent credentials for their resume and portfolio that can leave an amazing impression on admission committees and employers. Some scholarships incorporate internship opportunities. College students may benefit from gaining work experience after their education. The scholarship could help companies attract new talent. Being a recipient of any scholarship is a testimony to a student's academic capabilities and their commitment towards the pursuit of excellence in their field of interest.

Report on Sports Activities for BE First Year Students

Along with the academic activities, active immersion into co-curricular and extra-curricular activities is essential to strengthen the positivity. The sessions regarding the importance of sports and the facilities available in the campus were conducted for the first year students on 2nd & 7th December, 2022 by the department of Physical Education & Sports. Mr. Mahesh G, Physical Education Director explained how the physical activity ensures healthy growth and development in young people and what are the sports facilities available in the college such as Volley ball courts, Basketball court, Badminton court(outdoor), Cricket and mini football ground and Indoor games (caroms, chess, table tennis). All the students were motivated towards the importance of sports /physical activity in a student life. The students were also being introduced to the importance of immunity and mental strength and doing regular physical activity to help prevent and manage non-communicable diseases. To make a person healthy, sports are a very good option to consider. At the end of the session, students were taken to play ground, games and activities were meticulously designed for students with a main purpose to adapt values of sportsmanship in their day-to-day work.

REPORT ON

AWARENESS PROGRAM ON "EVE TEASING"

An awareness program on "Eve Teasing" was organized for girl student on 5th December 2022 from 1.00 pm to 2.00 pm in 3rd floor Seminar Hall, New Building.

Eve teasing has been considered as one of the most discussed topics in recent years. The problem has been spread at every corner of our society very quickly shaping as national problem. The fearsome handful of eve teasing is destroying the delicate social structure. Generally, the term eve teasing includes the salacious glance, mockery, satire, offensive comments, obscene gesture, playing ear, provocative clapping, playing to push on, without consent the woman's body touching etc. Eve teasing interrupts the women's rights, diminishes their individual freedom and the right of independent mobility, shortens their education lives, upsets their mental health and disrupts them from personal and national development stream. Various causes related with eve teasing, impact on social life, laws and initiatives of the Government were discussed to educate the participants. A short film was exhibited in order to make girls aware how to fight such instances of eve teasing and how to deal with eve teasers. The response of the program was very good.

AWARENESS PROGRAM ON "SEXUAL HARASSMENT"

Awareness program on "Sexual Harassment" was organized for BE First year students on 6th December 2022 from 2.00 pm to 3.00 pm in 6th floor Seminar Hall, New Building.

Objectives:

- Participants are aware of the penalty and consequences of sexual harassment.
- Mechanism in place for Redressal of complaints pertaining to sexual harassment.
- Complaints procedure.

Expert/Speaker Details:

Name: Mrs. Anupama T S Designation: Advocate

Ms. Anupama T S, Advocate, gave the awareness on Prevention of Sexual Harassment (POSH) Act 2013, An Act to provide protection against sexual harassment of women at workplace and for the prevention and Redressal of complaints of sexual harassment and for matters connected therewith or incidental thereto.

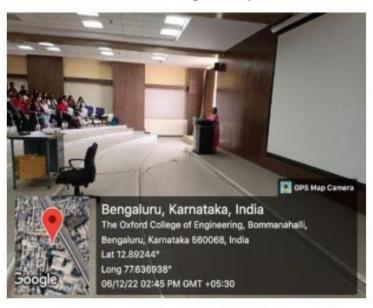

Whereas sexual harassment results in violation of the fundamental rights of a woman to equality under articles 14 and 15 of the Constitution of India and her right to life and to live with dignity under article 21 of the Constitution and right to practice any profession or to carry on any occupation, trade or business which includes a right to a safe environment free from sexual harassment.

The Supreme Court has defined sexual harassment in its order as any unwelcome, sexually determined physical, verbal, or non-verbal act against any women.

REPORT ON

HEALTH TALK- "Take charge of your health"

A health Talk on "Take charge of your health" was organized for BE first year students on 7th & 8th December 2022 from 11.30 am to 12.30 am in 5th &6th floor Seminar Hall, New Building. **Objective:**

• Awareness on awareness on healthy lifestyle for adolescents

Experts/Speakers Details:

1) Prof. Shobha G, Assistant Professor, Department of Child Health Nursing, The Oxford College of Nursing

2) Ms. S Divya Sreekumar, Assistant Professor, Department of Medical Surgical Nursing, The Oxford College of Nursing

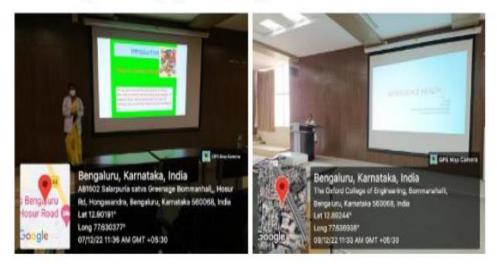

The speakers gave awareness about healthy lifestyle for adolescents. Adolescence is a time of major transitions, when young people develop many of the habits, patterns of behavior, and relationships they will carry into their adult lives. The body needs energy to function and grow. Calories from food and drinks gives that energy. Think of food as energy to charge up one's battery for the day. Throughout the day, a person use energy from the battery to think and move, so every human being needs to eat and drink to stay powered up. Balancing the energy, on needs to take in through food and beverages with the energy one uses for growth, activity, and daily living is called "energy balance." Energy balance may help everyone stay a healthy weight. Healthy foods are those that provide you with the nutrients you need to sustain your body's well-being and retain energy. Water, carbohydrates, fat, protein, vitamins, and minerals are the key nutrients that make up a healthy, balanced diet. A healthy eating plan is one that encompasses all of the nutrients your body needs on a daily basis without any non-nutritional additives. The response of the program was very good.

REPORT ON

"DRUG AWARENESS PROGRAM"

Say No To Drugs
26.12.2022
Govt P U Madiwala, Bangalore
Creating awareness among the people about the side effects of drug and help addicts recover from it
MCA- The Oxford College of Engineering
52
Our Faculties and NSS Student Volunteer have given the awareness process on drug consumption.
We have successfully provided the information to have awareness and help people and professionals about the system. How Drugs are not the way to deal with stress. They change the way our brain works. This can lead to depression, anxiety, and other mental illnesses. If people are already having a mental health issue, drugs can worsen the condition.
The main objective of this program is to make people Understand that it would affect them and even the people around them. Drug awareness enables children, youth and adults to develop the knowledge, skills, and attitudes to appreciate the benefits of living healthily (which may or may not include the use of psychoactive substances), promote responsibility towards the use of drugs and relate these to their own actions and those of others.

- To create awareness among the people about the importance of girl child
- To discourage the society against the female foeticide.

Beti Bachao Beti Padhao (BBBP) was launched by the Prime Minister on 22nd January, 2015 at Panipat, Haryana. BBBP addresses the declining Child Sex Ratio (CSR) and related issues of women empowerment over a life-cycle continuum. It is a tri-ministerial effort of Ministries of Women and Child Development, Health & Family Welfare and Human Resource Development. The key elements of the scheme include Enforcement of PC & PNDT Act, nation-wide awareness and advocacy campaign and multi-sectoral action in select 100 districts (low on CSR) in the first phase. There was a strong emphasis on mindset change through training, sensitization, awareness raising and community mobilization on ground.

SEMINAR

ON

INTERNATIONAL DAY FOR THE ELIMINATION OF VIOLENCE AGAINST WOMEN

The International Day for the Elimination of Violence Against Women is generally celebrated on 25th November, followed by the global 16 Days of Activism Against Gender-based Violence, is a moment to reflect on, renew, amplify, and strategize to achieve commitments to eliminate violence against women by 2030.

International Day for the Elimination of Violence Against Women was celebrated in The Oxford College of Engineering, Bommanahalli, Bangalore on 2nd February 2023 at 2:30pm, to raise awareness of and oppose the horrific acts of violence perpetrated by men against women, particularly in the majority of the world's countries.Women rights are important as it gives women the opportunity to get an education and earn in life.

Dr. N Kannan, Principal, The Oxford College of Engineering & Dr. Pragnya Shrikanth Patil, Principal, The Oxford College of Law

Dr. Pragnya in her seminar said that women around the world have long been subjected to various forms of abuse and violence, both physical and psychological. The observance of International Day for the Elimination of Violence against Women is an opportunity for all governments, businesses, organizations and citizens to promote the prevention of violence against women, work together to tackle the root causes of violence and create a safe, inclusive and equal environment for all persons. This includes a collective and collaborative effort to address the issues of gender-based discrimination, gender inequality, poverty, patriarchal norms and laws that perpetuate these things. It also includes dismantling social systems and attitudes that accept, even glorify, violence against women.

REPORT ON "INTERNATIONAL WOMEN'S DAY"

The Oxford College of Engineering, Bengaluru - in association with Institution Innovation Council organized the "International Women's Day" on 8th March 2023. The objective of this program is to celebrate the achievements of women and seeking gender equality.

The Resource person Ms. Christy Abraham, is a Treasurer Ashraya Bangalore, Board member of The Leprosy Mission Trust, New Delhi and Board member of PRAXIS Institute of Participatory Practices New Delhi. She spoke about Technology and Innovation for gender equality. Though the world has become digitalized, women and girls have less access to digital technology due to 4 reasons

- 1. Lack of infrastructure in countries, communities and access to devices (e.g., Smartphone)
- 2. Poverty, lack of education and economic dependence
- 3. Social norms and structures which limits women's access and controls women's progress
- 4. Online violence against women which pushes women out of digital use.

REPORT ON

OUTREACH PROGRAM ON "PROMOTING EDUCATION"

Name of The Event	CSR Activity- Promoting Education	
Date of event	29.03.2023	
Venue	Mathrubhoomi, Singasandra	
Organized by	MBA Department in association with NSS UNIT The Oxford College of Engineering	
Purpose	To promote education among the needy children.	
No. of Participants	55 students and 5 faculty members from MBA	
Convenor Dr. R Srikanth, HOD, MBA, TOCE		
Faculty Coordinators	Dr Tharaka Rami Reddy K, Professor Dr.M. Kathiravan, Associate Professor Prof. A Sahana, Assistant Professor, Prof V Lakshmi Suneetha, Assistant Professor	

The MBA department of The Oxford College of Engineering conducted an outreach program on29th March 2023, with a visit to the Mathrubhoomi, a non-profit organization registered under Karnataka Societies Act 1960. It is a residential Hostel for Boys promoting better education, Better Care and better future for boys. Children in this residential hostel have been handpicked from slum areas, children who have lost a parent and who are from slums, wandering around and not going to school.

CHILDREN'S EDUCATION SOCIETY (Regd.) THE OXFORD COLLEGE OF ENGINEERING

REPORT ON "WORLD HEALTH DAY"

Name of The Event	World Health Day
Name of the Event	wond health Day
Date of event	17.04.2023
Venue	Seminar Hall, MBA Department
Organized by	Department of MBA
Purpose	To promote the importance of maintaining a
	healthy body and mind among all age groups.
No. of Participants	Students and 4 faculty members from MBA
Convenor	Dr. R Srikanth, HOD-MBA
Faculty Coordinators	Dr Tharaka Rami Reddy K,
	Dr. M. Kathiravan , Associate Professor
	Prof. A Sahana, Assistant Professor,
	Prof V Lakshmi Suneetha, Assistant Professor

World Health Day is celebrated on the as a global initiative that aims to raise awareness and promote healthcare issues affecting communities worldwide. This year's theme is "Health for All" and is the same day World Health Organisation (WHO) was founded in 1948.

The reason for the importance of World Health Day: it is an opportunity for all to introspect their own health. The theme of World Health Day 2023 will focus on shining a spotlight on the invaluable contributions of nurses and midwives, who make up a tireless and dedicated workforce that has played a significant role in revolutionizing the healthcare industry as we know it today.

The theme is Health for All: Everyone, Everywhere.

The Oxford college of Engineering has organized 14 days workshop on Data Analytics for Second and third year female students of ISE, AIML, CSE, ECE, BT and MCA and was conducted by Learning Links Foundation, from 23/06/2023 to 17/07/2023 under "Women's in Data" program a collaboration effort of LLF and DELL Technologies. A total of 77students enrolled for this program. Total duration of the course was 28 hrs.

OBJECTIVE:

This workshop aim to encourage women to build their interest, knowledge and expertise in high demanding STEM career field, enhance their job readiness skill and provide them an opportunity to increase their employability in the technology work force.

All the theory classes and lab practices were held at MCA Lab, The Oxford College of Engineering from 9.00 am to 11.00 am dated from 23/06/2023 and 17/07/2023(14 days).

The trainers Mr. Jyothi Ram and Mr. Yathish S explained the concepts of Data Analytics to all students along with how to use Power BI, General Applications of Python and Excel. The trainer taught basic concepts of Excel like Data tools, Date and time functions, Advance filter and vlookup and hlookup. The trainer also taught standard data types, Python libraries and how to do Data Analytics using python to all students.

After each training session hospitality was provided to the trainers.

All the trainers have good knowledge in all the programming concepts. All topics were explained well with examples and the classes were interactive. The trainers discussed possible interview questions of every topic and also gave interview tips.

Outcomes:

1.By doing this workshop the students got an understanding of Data Analytics in integrated environment.

The trainer has given the Udemy activation link and asked the students to complete the following courses:
Microsoft Excel 2020-23-from beginners to expert in 6 hours
Power BI master classes from scratch-in 90 minutes or Power BI master class dashboard and Power BI Service 5.5 hours.

Student's feedback: Students were satisfied with course content and the way the training sessions were conducted.
