The Oxford college of engineering employs e-governing facilities in all four areas, such as administration, Finance and Accounts, Student admission and support and Examination. Below are some snapshots of the software tools used in the above-mentioned purposes.

1. Administration :

Tools used are Juno, MS-Office, Libsoft, eSSL.

JUNO Head of the Department Login

The screenshot shows a web browser window displaying the JUNO dashboard. The user is logged in as Prof. Dr. Reddi China Appala Naidu, HOD of the Faculty. The dashboard features a navigation menu, a search bar, and several key performance indicators (KPIs): 53 Students, 1 Course, 0 Research Publications, and 4.0 Total Credits. Below these, there is a 'My Courses' section with a table showing the progress of the 'Database Management System' course. The table includes columns for Program/Term/Section, Course Progress, %, Overall Attendance, and Feedback. The 'Database Management System' course is currently at 44.0% progress and has an overall attendance of 60.7%. To the right of the table is a 'Coursewise Daily Attendance' bar chart showing attendance percentages for each day of the week. The chart shows attendance values of approximately 65%, 55%, 20%, 85%, 70%, 40%, and 35% for the days of the week respectively. The dashboard also includes a Windows taskbar at the bottom with the system clock showing 1:46 PM on 2/11/2023.
