BEST OUTGOING STUDENT AWARD

The best outgoing student is a remarkable individual who stands out for their exceptional achievements, exemplary leadership qualities, and dedication to academic excellence. This outstanding student has consistently demonstrated a strong work ethic, a passion for learning, and an unwavering commitment to both personal and academic growth. This student's impact reaches beyond the classroom, leaving a legacy that reflects their outstanding character, integrity, and a genuine commitment to making a positive difference in the academic environment and the broader community.

Best Project Award-2022-2023

The best projects highlight a unique blend of innovation, thorough research, and effective execution. These standout endeavors are characterized by their exceptional quality, addressing real-world challenges with creativity and ingenuity. Each best project reflects a deep understanding of its subject matter, meticulous planning, and a commitment to excellence. These projects not only meet the specified criteria but often exceed expectations, pushing the boundaries of conventional thinking.

2. REPUBLIC DAY CELEBRATIONS

The 74th Republic Day of our nation was celebrated with solemnity and grandeur on the 26th of January 2019.

Republic Day honors the date on which the Constitution of India came into effect on 26 January 1950 replacing the Government of India Act (1935) as the governing document of India.

The Constitution was adopted by the Indian Constituent Assembly on 26 November 1949, and came into effect on 26 January 1950 with a democratic government system, completing the country's transition towards becoming an independent republic. 26 January was chosen as the Republic day because it was on this day in 1930 when Declaration of Indian Independence (Purna Swaraj) was proclaimed by the Indian National Congress as opposed to the Dominion status offered by British Regime

Objective

To bring the awareness among the youth that 26/01/2023 is “Republic Day Celebrations” & carry the same message to the next generation that by doing Republic Day Celebrations **Totally 180 students & 15 Faculty Members**, Student Council Members from **TOCE** College lead by Mr. Mahesh G, P.E.D witnessed this great event.

3. World Bicycle Day 2023

5th June 2023

World Bicycle Day is an annual event celebrated on **June 3rd**. It was established by the United Nations General Assembly in 2018 to recognize the bicycle as a simple, affordable, reliable, clean and environmentally fit sustainable means of transport. The selection of this date is significant as it commemorates the anniversary of the invention of the bicycle by **Karl von Drais in 1817**. The United Nations General Assembly officially designated this day in April 2018 to honor the bicycle's exceptional qualities, durability, and versatility, considering it has been utilized as a practical mode of transport for over two centuries. The UN recognized the bicycle as a straightforward, cost-effective, dependable, eco-friendly, and sustainable means of transportation.

The World Bicycle Day 2023 was celebrated at The Oxford College of Engineering Campus with great zeal. The NSS unit of TOCE organized a bicycle rally in celebration of World Bicycle Day on June 5th 2023.

5.HAR-GHAR TIRANGA

"Har Ghar Triranga" translates to "Every Home, the Tricolor" in English, and it often refers to a campaign or initiative aimed at encouraging citizens to proudly display the national flag of their country, symbolizing unity, patriotism, and a sense of belonging.

The concept behind "Har Ghar Triranga" is to instill a spirit of national pride and solidarity by having every household prominently display the national flag. This initiative is particularly relevant during national events, celebrations, or important days in a country's history.

Banner

As India gears up to celebrate the 75th anniversary of Independence, the central government has kick started a campaign called Har Ghar Tiranga to invoke the feeling of patriotism in all citizens. The campaign is part of Azadi ka Amrit Mahotsav.

The Oxford College of Engineering students conducted Har Ghar Tiranga campaign on Saturday, 13th August, 2022 to encourage participants to hoist national flag atop their houses as part of Azadi Ka Amrit Mahotsav (AKAM) to commemorate 75 years of Independence. The students conducted the campaign by carrying a national flag in their hand. They raised slogans like Mera Bharath Mahan and Bharat Mata ki Jai

The function began with a brief introduction of AZADI KA AMRIT MAHOTSAV – HAR GHAR TIRANGA CAMPAIGN by Dr. M S Shashidhara, HOD- MCA.

Dr. N Kannan, Principal said that as per the call given by Prime Minister Narendra Modi, HarGhar Tiranga campaign was conducted. He reminded that PM Modi had announced recently that Har Ghar Tiranga will be held from August 13 to 15. He observed the campaign

6. INDEPENDENCE DAY CELEBRATIONS

A REPORT ON

77th INDEPENDENCE DAY CELEBRATIONS

By

NSS UNIT

&

DEPARTMENT OF PHYSICAL EDUCATION

THE OXFORD COLLEGE OF ENGINEERING

15th August, 2023

The **Independence Day of India**, which is celebrated religiously throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tiresome one, witnessing the sacrifices of many freedom fighters, who laid down their lives on the line.

8. Freshers' Day -2022-2023

New beginnings are always exciting, and starting at this institution is no exception. You'll embark on a journey of discovery, both academically and personally. The classes, friends, instructors, and technology you'll encounter here will challenge and inspire you. This journey will be a rollercoaster of emotions and experiences, but most importantly, it will be an opportunity for growth and achievement.

Remember to keep your goals in mind and never lose sight of what you want to achieve. The student body is active, and there are many opportunities for involvement. Make the most of these opportunities to develop not just your knowledge, but also your character. Take advantage of the chance to build self-control, self-discipline, compassion, and a deeper understanding of what life is all about. Just remember, don't let your involvement distract you from your goals.

Love and tenacity are two essential qualities you'll need to develop during your time here. Love, in all its forms, is a complex and mysterious thing, but it's an important part of growing up. The stories of love, animosity, misunderstandings, disagreements, and joyous endings that have taken place here have taught us the importance of balance. Love and tenacity must coexist, and they will help you navigate the ups and downs of this journey.

Let's make the most of this new beginning and make a positive impact. There will be music, entertainment, and activities to enjoy, but always keep your goals in mind and never lose sight of what's important. Here's to a fantastic journey ahead.

9. ALUMINI MEET 2022-23

An alumni meet is an event that brings together former students or graduates of an educational institution to reconnect, reminisce, and foster a sense of community. These gatherings are typically organized by the institution itself or an alumni association.

Alumni meets provide a valuable opportunity for graduates to network with each other. Attendees can share their professional experiences, exchange ideas, and create potential collaborations or partnerships.

Many alumni meets serve as a platform for old friends and classmates to reconnect. It's a chance for individuals who may have lost touch to renew friendships and catch up on each other's lives.

The event often includes updates from the educational institution regarding recent developments, achievements, and future. This keeps alumni informed about the progress of their matter.

Alumni meets are an occasion to celebrate the achievements of former students. Institutions may recognize outstanding contributions of alumni in various fields, reinforcing a sense of pride among the graduates.

Alumni meets provide a platform for the institution to receive feedback from graduates. This feedback can be crucial for the continuous improvement of academic programs and other aspects of the educational experience.

remembrance of the Founder Chairman Late Shri S Narasa raja Garu , the Founder of Children's Education Society. The alumni were addressed by the Principal, Dr. N Kannan. He briefed about the importance of having Alumni meets frequently. He mentioned that a strong Alumni connect has a great impact on the growth of the institution. He opined that Alumni interaction has a great place in building the confidence of the juniors. Alumni interaction also helps to understand the latest trend in industries.

Head of the Department, Dr. Manju Devi welcomed and addressed the gathering. This was followed by a speech by Dr. Preetha Sharan, Dean Research. A video which kindled all the old memories of the alumni was played during the meet and all enjoyed it. Alumni from different batches shared their memories and thoughts. Shivam, Alumnus of 2019 batch, Noor Fathima of batch 2020, Kalmesh of batch 2017, Mahendra and Nithin of 2018 batch, Asiya of 2021 batch shared their college day memories. They mentioned that learning is a continuous process and interdisciplinary learning is needed now and also emphasized on the importance of learning new Technologies and up skilling oneself continuously. They offered support from the Alumni for the skill development of student. Students can do online MOOC/NPTEL courses for continuous and interdisciplinary learning

.Some of the Alumni expressed their willingness for helping the students for placement and internship opportunities. There was an interactive session with alumni, faculties and students. Alumni expressed their happiness to get connected with the institution. Also they have the expressed their interest to support in the development of the department.

1. Principal
2. HOD/ECE.
3. Dean Research and Dean Academics.
4. Alumni
5. Staff Members
6. Students of 3rd Semester.

Alumni from batches 2015-2021 were invited for the event. The event started with a welcome speech followed by invocation song by the 3rd sem students. The program started in the

remembrance of the Founder Chairman Late Shri S NarasaraGaru , the Founder of Children's Education Society.

The alumni were addressed by the Principal, Dr. N Kannan. He briefed about the importance of having Alumni meets frequently. He mentioned that a strong Alumni connect has a great impact on the growth of the institution. He opined that Alumni interaction has a great place in building the confidence of the juniors. Alumni interaction also helps to understand the latest trend in industries.

Head of the Department, Dr. Manju Devi welcomed and addressed the gathering. This was followed by a speech by Dr. Preetha Sharan, Dean Research. A video which kindled all the old memories of the alumni was played during the meet and all enjoyed it.

Alumnis from different batches shared their memories and thoughts. Shivam, Alumnus of 2019 batch, Noor Fathima of batch 2020, Kalmesh of batch 2017, Mahendra and Nithin of 2018 batch, Asiya of 2021 batch shared their college day memories.

They mentioned that learning is a continuous process and interdisciplinary learning is needed now and also emphasized on the importance of learning new Technologies and up skilling oneself continuously. They offered support from the Alumni for the skill development of student. Students can do online MOOC/NPTEL courses for continuous and interdisciplinary learning.

Some of the Alumni expressed their willingness for helping the students for placement and internship opportunities.

There was an interactive session with alumni, faculties and students. Alumni expressed their happiness to get connected with the institution. Also they have expressed their interest to support in the development of the department.

OBJECTIVES OF THE PROGRAMME:

The Students Induction Programme should be conducted at the beginning of the first semester for all the undergraduate programmes. As per the schedule of induction programme one session is Alumni interaction with first year students. This session is handled by Ms. Sahana G H, Alumni of EEE[2018-2022 Batch].

The objective of this interaction is to explain the importance of self-motivation. Motivation is what pushes us to achieve our goals, feel more fulfilled and improve our overall quality of life. A motivational speech is to convince or to persuade the listener to take action to improve or to start doing any particular thing. This convincing involves improving efforts and energy to lead to good performance. Self-motivation is important at every point of our life, not only when we are freshers, but also when we are a working professional. It is the drive one needs to keep moving forward in life regardless of whatever the situation is. It is the positive attitude that conditions one to have self-faith and achieve all their goals. The ways in which a fresher can keep themselves motivated are communicate and talk to everyone, choose positive people to talk to, always remain optimistic, understand where our interest lies, motivate others to do their work well.

The alumni interaction also created an awareness about the significance of soft skills in professional and inter-personal communications and facilitate an all-round development of personality. Hard or technical skills help securing a basic position in one's life and career. But only soft skills can ensure a person retain it, climb further, reach a pinnacle, achieve excellence, and derive fulfilment and supreme joy. Soft skills comprise pleasant and appealing personality traits as self-confidence, positive attitude, emotional intelligence, social grace, flexibility, friendliness and effective communication skills.

TOPIC DISCUSSED:

- Importance of Self-motivation
- Soft skills in professional and inter-personal communications

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

REPORT ON ALUMNI INTERACTION-

“TIPS AND TRICKS TO CRACK INTERVIEWS”

Resource Person-Shabarish V, Pre-Silicon Design and Verification Engineer, Wipro Limited, Bangalore.

Date and Time: 24th September 2022 ,2.30 pm.

Meeting Link:

<https://bit.ly/3r000Yv>

An alumni interaction was conducted virtually for 7th Sem students on 24th September 2022, 2.30 pm to discuss on various tips and tricks to easily crack interviews. Resource person for the same was Shabarish V, Alumnus of 2020 ECE batch. Shabarish works as a Pre -Silicon Design and Verification Engineer at Wipro Limited, Bangalore. The main objective of the session was to train the students for core company interviews and make them bold and confident enough to face the same.

The session was conducted virtually in Microsoft Teams. There were more than 40 participants for the session. The session started with a welcome speech by Ms. Lakshmi R Asst. Prof. Dept. of ECE. Head of the Department Dr. Manju Devi addressed the session.

AGENDA

1. Aptitude
 - Quantitative Ability
 - Logical Reasoning
 - Verbal Ability
2. Resume preparation
3. Technical round
4. HR Round

APTITUDE

Quantitative Ability

- Numbers,
- Percentage
- Average,
- Profit and Loss
- Probability
- Mixture
- Ratio and Proportion
- Permutation and Combination
- Ages
- Time and distance
- Calendars
- Speed, Distance & Time
- Simple Interest
- A.P & G.P

Next he emphasized on how important resume preparation is because a good resume always attracts interviewers. He gave idea on what information should be highlighted in resume so that it will attract the interviewers.

RESUME PREPARATION

- Self introduction
- Objective
- Educational qualification
- Technical skills & interest
- Project & internships
- Personal details

Next discussion was on Technical round interviews. He discussed on how the technical questions may vary from company to company and which areas to concentrate for core companies.

TECHNICAL ROUND

- skill set
- Project details in micro level
- Keep it simple and precise
- Puzzles

REPORT ON “PONGAL CELEBRATION”

Pongal is the harvest festival of Tamil Nadu, celebrated on the first day of 'Thai' (Tamil month). A festival to thank God for all his goodness and mercies and to look forward to a prosperous year. It usually falls on the 14th or 15th of January in the English calendar. The Oxford College of Engineering celebrated Pongal on the 13th of January for the year 2023.

The celebration started around 9:30 a.m. The entrance of the old Building Engineering Block was decorated with colorful Rangoli and Pongal prepared by Faculty. The college gathered to celebrate Pongal with their respective departments with the supervision of the staff members of the college. It was an ambience filled with revelry, music; dance and the joyful faces reverberated with big smiles. Finally sweet Pongal distribution was done. All departments. Around 300 students participated.

ETHNIC DAY REPORT

Ethnic day in the campus was decorated in a traditional way. The energy levels were quite high as the campus was bursting with enthusiasm and passion. Ethnic Day celebrated in Oxford Engineering College on 29th June 2022 in front of New Building Engineering Block. The faculty and students joined hands to celebrate and showcase our regional culture and tradition to everyone present on campus by celebrating ETHNIC DAY.

Girls were dressed in Ghagharas, Lehngas and traditional Sarees and the boys wore lungis, dhotis and even bejewelled turbans, like those worn by kings in ancient times.

The main message of the celebration was to respect the tradition and recognize the culture of our Country. Students from inside college from various department participated-200 students

GRADUATION DAY CELEBRATION

Graduation Day Celebration Report The oxford college of Engineering, Bommanahalli, Bangalore organized the 18th Graduation Day on Saturday 8th July 2023 at 9.30 .A.M in the institute premises for the 2018-2022 passed out batch students. The chief guest of the Event is Sri. Sundar K.S Associate Vice President, Global Education Center, Infosys Mysore, along with by Sri. S.N.L Narasimha Raju, President, Children's Education Society, The Oxford Educational Institutions, Bengaluru ,Principal Dr. N. Kannan, Principal, The Oxford college of Engineering ,Dr. K. M Ravi Kumar, Director, The oxford Educational Institute. The flow of the Event was as follows: On behalf of our chair man Shri. SNVL Narasimha Raju Garu, our principal Dr. N Kannan , HOD, Staff and students the event started by welcoming the dignitaries to the dais ,followed by Invocation song and Lighting of the lamp by the dignitaries. Welcome Address and Presentation of principal's Report - The Principal Dr.N. Kannan welcomed everyone and gave a bird's eye view of the achievements of the students and the laurels that they had brought to the Institution. He emphasized on the importance of College Life and the values to carry forward in their life. He stressed students to equip themselves with adequate skills and knowledge to face the challenges and to excel in their career and declaring the graduation day open by the president. Presidential address given by Sri.S.N.L Narasimha Raju, President, Children's Education Society, The Oxford Educational Institutions, Bengaluru .Introduction of Chief Guest of the event followed by Chief Guest on the occasion said, "Dream Big and Achieve what you desire for.". Presentation of Graduands for the award of Medals and Degrees. Administration of Pledge by the principal. Finally the Vote of thanks in the form of blessings was given followed by Dissolution of the Graduation Day. The Graduation day concluded with the National Anthem and Photo Session

Annual Report of The Oxford College of Engineering AS FOLLOW

Good Morning to All !!!!!

Greetings from The Oxford College of Engineering (TOCE)!!!!

I welcome our distinguished Guests, Hon'ble Chariman, Faculty, Staff and all the Graduands and parents for the 18th Graduation Day and my heartfelt congratulations to all the Graduands on your accomplishment.

A graduation ceremony is a special occasion wherein we acknowledge the success achieved and commemorate the road that we have travelled together these last few years.

I feel honored and privileged to be a part of The Oxford College of Engineering where every stakeholder is a learner, and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our Teachers, Parents and Staff. We are a place of learning, belonging, growth and support for students, families and the community. Thank you for being a part of our community and college.

It is my pleasure to brief about this prestigious institution of higher learning-The Oxford College of Engineering, established in the year 2000 at a prime location in Bengaluru, the Silicon City of India by "The Children's Education Society", founded in the year 1974 by a great visionary and a philanthropist Late Sri.S Narasa Rajugaru and nurtured by his illustrious son Dr. S N V L Narasimha Rajugaru, President, Children's Education Society® and Chairman, The Oxford Educational Institutions.

The Oxford College of Engineering provides quality teaching and training in professional UG courses in 9 streams of Engineering in, Computer Science, Information Science, AIML, Electronics and Communication, Electrical and Electronics, Mechanical, Civil, Bio-Technology and Mechatronics. The College also offers 5 Postgraduate programs in Technology (M Tech in AIML, Cyber Security, Power Electronics, VLSI Design & Embedded System & Structural Engineering), along with Master of Computer Application (MCA), and Master of Business Administration (MBA). The 12 Research centers recognized by VTU to offer Ph.D. programs. The College is affiliated with the Visvesvaraya Technological University (VTU) and approved by the AICTE. Also students are motivated to opt for B.E Honours course.

The college has a good number of research publications in various reputed journals and patents. Colleges have a good number of R&D projects worth 4.10 crores sponsored by AICTE, VGST, VTU, IEEE, ICMR, BRNS, NIF, NRB(DRDO) & BIRAC etc., (Now 85 Lacs ongoing projects). Our Teaching fraternity published 87 papers in Scopus / SCI Indexed Journals / UGC Approved during the year. The best final year students projects received Rs.90,000/- from VTU and KSCST also funded for best SPP.

The Oxford KSCST-VTPC Centre for Patent and Technology Transfer Cell was established wherein various guest lectures were organized. During this tenure, 06 patents were filed, 7 patents published and 1 granted and 6 products were developed.

CHILDREN'S EDUCATION SOCIETY (Regd.)

THE OXFORD COLLEGE OF ENGINEERING

(Recognised by the Govt. of Karnataka, Affiliated to Visvesvaraya Technological University, Belagavi & Approved by A.I.C.T.E. New Delhi, Accredited by NAAC-A & NBA New Delhi and Recognised by UGC Under Section 2(f) Bommanahalli, Hosur Road, Bangalore – 560068. ☎: 080 -30219601/602, Fax: 080 – 25730551/ 30219629 E-mail: engprincipal@theoxford.edu Web: www.theoxford.edu

The college is accredited with Grade 'A' by National Accreditation and Assessment Council (NAAC) and 5 UG departments are accredited by NBA and recognized by IAO and by UGC under section 2 (f) category.

TOCE is also an ISO quality-assessed organization. We are proud to announce that we are listed in the band of 101-150 by NIRF – Innovation Category and rated 4 star rating out of 5 star by Institutions Innovation Cell, MHRD initiative wherein we have conducted 100+ events as per IIC we have submitted 32 ideas and 28 prototype models and 2 start up proposals under YUKTI portal. 10 ideas inclusive of prototype models were nominated for YUKTI Innovation Challenge 2023.

TOCE is also rated by many National Magazines namely INDIA TODAY, THE WEEK, THE OUTLOOK, THE TIMES OF INDIA, DATAQUEST, CHRONICLE etc., We also participated in many media forums for Educations.

We are proud of teaching and non-teaching team, engaging the students in a wide range of exciting learning opportunities with innovative ideas for overall development. Academically a strong theoretical foundation will be provided and coached towards the usage practically. The institute has an excellent track record of results with continuous achievement of university ranks and placements in past years.

Today, the total strength of the TOCE is 2741 and achieved results in BE and..... in MBA and in MCA and 7 Research Scholars were conferred with PhD Degree by VTU. Totally 8 University Ranks were bagged by our students in which 6 are from UG and 2 are from PG programs.

Along with the academics, the students also participate and excelled in extra-curricular and co-curricular activities through active cultural, sports and social groups.

We assure that the students of our Institution will have excellent professional career by availing the unique opportunities provided by TOCE through classroom teaching, laboratory instructions, industrial trainings and participation in sports, cultural and other extra-curricular activities of interest.

Major Achievements: -

1. The Department of Corporate Relations : - 525+ offers, 50+ in pipeline, 150+ companies visited and 25+ in pipeline. The major companies are Phonepe, JUSPY, Cognizant, Tech Mahindra, Accenture BYJU's etc., The 1st higher package is 22.5 LPA and 2nd is 16LPA and 3rd higher package is 9 LPA and an average package is 5 LPA.
2. The Department of Physical Education & Sports :- Mr. Sowjanya, (Kabbadi) Ms. Dhanya, (Hockey), Mr. Pragya (Hockey), Mr. Bharath, (NetBall), Ms. Meghana (Netball), Mr. Prajal (Shooting) participated in the University Teams. Student from EEE secured 3rd place in VTU Single Zone Athletic Competition (women) 20 km walk race, College Team Hockey (Women) secured 2nd Runner up place in Bangalore Zone competition, Kabaddi (Men) team secured 2nd place in State Level Tournament, Throwball (Women) team secured 1st place in VTU Bangalore Centre, Ball Badminton (Men) Team represented VTU Bangalore Zone competition, Kho-Kho (Women) Team secured 3rd place in Inter-Collegiate Sports Fest Tournament. Also, The Inter Collegiate Bangalore Central Zone Throwball Tournament and Chess Tournament was organized at our college campus
3. Signed MOUs between TOCE and with many industries like NASSCOM for undertaking Skill Development Training in Emerging Technologies, CMTI GenEd Technologies etc., and with other Industries to development Industry Academia Interaction and for R&D.
4. Tie-Ups with Foreign University like UniversitiKebangsaan Malaysia, University of Malta, SAN MAROCS (University of Peru) and Oklahoma State University for Faculty Student Exchange and collaborative activities.
5. The Technical and general student clubs like IEEE (wherein we have IEEE Photonic Society Student Chapter & WIE), IEEE-EMB society, ISTE, CSI Chapter, ACM etc. are regularly conducting workshops, technical talks etc.,
6. TOCE students are flying in colors in all the inter and intra collegiate events. To note a few, our students successfully bagged GATE 2022 Ranks and in the first PAN Karnataka conclave for Engineering Aspirants and Parents was held on 31st July and 1st Aug 2022 wherein our students bagged 1st (Rs.50,000/-) and 3rd prize (Rs.30,000/-) in State Level Students Project Exhibition and

Competition. The ECE Department students won National Level Techno Competition organized by Dr. AITand also bagged the winner prize worth 2.5 lakh at SymbIOT organized by Vidyavardhaka College of Engineering, Mysore. The BT Department students bagged first place in E-waste Hackathon and were felicitated by Deputy CM of Karnataka on World Environment Day. Apart from this many students are completing ONLINE Certificate courses and they are being grabbed by many MNCs for topmost positions.

7. Not only this, but Many Best Student Projects were also funded by KSCST & VTU and other funded agencies.
8. Extension Activities / Outreach Activities organized and participated by Students and also out student participated in Ek Bharath Shreshtha Bharat Yuva Samgam program in Guhawati, Assam.

To name a few activities.

- ✓ International Yoga Day
- ✓ Covid 19 Vaccination Drive,
- ✓ Teacher's Day (ShikshakParv) and Engineer's Day Celebrations,

ALUMINI TALK

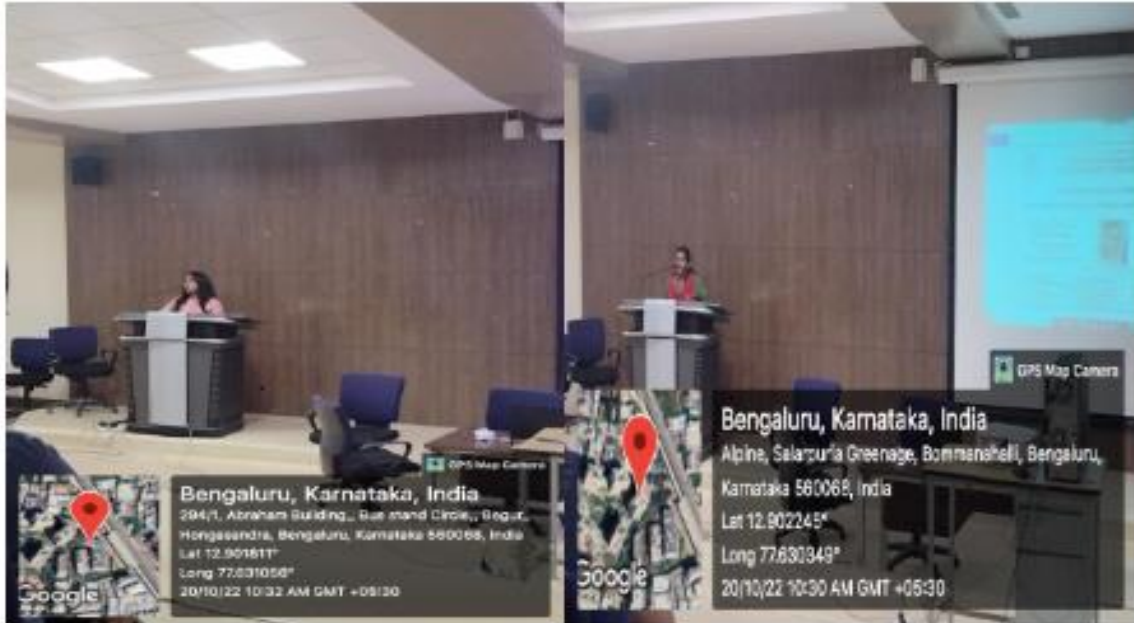

I feel honored and privileged to be a part of The Oxford College of Engineering where every stakeholder is a learner, and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our Teachers, Parents and Staff. We are a place of learning, belonging, growth and support for students, families and the community. Thank you for being a part of our community and college. It is my pleasure to brief about this prestigious institution of higher learning-The Oxford College of Engineering, established in the year 2000 at a prime location in Bengaluru, the Silicon City of India by “The Children’s Education Society”, founded in the year 1974 by a great visionary and a philanthropist Late Sri.S Narasa Rajugaru and nurtured by his illustrious son Dr. S N V L Narasimha Rajugaru, President, Children’s Education Society ® and Chairman, The Oxford Educational Institutions. The Oxford College of Engineering provides quality teaching and training in professional UG courses in 9 streams of Engineering in, Computer Science, Information Science, AIML, Electronics and Communication, Electrical and Electronics, Mechanical, Civil, Bio-Technology and Mechatronics. The College also offers 5 Postgraduate programs in Technology (M Tech in AIML, Cyber Security, Power Electronics, VLSI Design & Embedded System & Structural Engineering), along with Master of Computer Application (MCA), and Master of Business Administration (MBA). The 12 Research centers recognized by VTU to offer Ph.D. programs. The College is affiliated with the Visvesvaraya Technological University (VTU) and approved by the AICTE. Also students are motivated to opt for B.E Honors course. The college has a good number of research publications in various reputed journals and patents. Colleges have a good number of R&D projects worth 4.10 cr sponsored by AICTE, VGST, VTU, IEEE, ICMR, BRNS, NIF, NRB (DRDO) & BIRAC etc., (Now 85 Lac ongoing projects). Our Teaching fraternity published 87 papers in Scopus / SCI Indexed Journals / UGC Approved during the year. The best final year students projects received Rs.90,000/- from VTU and KSCST also funded for best SPP. The Oxford KSCST-VTPC Centre for Patent and Technology Transfer Cell was established wherein various guest lectures were organized. During this tenure, 06 patents were filed, 7 patents published and 1 granted and 6 products were developed.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

We started here together and now here we're leaving the same way. The funny thing is you never appreciate what you had yesterday until it is gone Today". College Farewell parties are always an exciting affair and bring alive a lot of happy memories.

A heartfelt farewell party was organized by the 6th semester students on June 7th 2022 to bid adieu to our beloved seniors, marking the end of their academic journey. The event was filled with warm memories and heartfelt goodbyes, celebrating the cherished moments shared together.

Lightning of Lamp was done by Principal, Dean & all HOD"s followed by prayer song. Principal wished good luck to the final year students for their future. He also expressed his hope that students will continue holding best positions in upcoming university exams.

Final years gave inputs to 3rd years to go ahead in building their careers. Most of the placed students shared their experiences in interviews such as GD, Aptitude, Verbal Reasoning and HR sessions, faced during campus selections. They even guided their juniors about the various fields

that can be opted once they are in Final years and gave suggestions regarding the Universities providing specific courses based upon the student's interest and grades. Juniors even go to Opportunities to discuss about the doubt full issues regarding their career.

All the seniors and juniors had filled the auditorium with colorful attires which added beauty to the event. Juniors gave a warm welcome with Red Roses followed by very entertaining group dances, solo dances and solo song performances. Students of final year participated in Ramp Walk , judged by CSE Final year in-charges. It was an incredible day hosted and organized by juniors.
