The Institution is recognized by All India Council for Technical Education, approved by Government of Karnataka and affiliated to Visvesvaraya Technological University. The Governance of the institution is strictly in accordance with the Vision and Mission. The system is effectively decentralized for a better governance and performance. The major decisions which have a bearing on the function and the goal of the college are done by the Governing Council which includes the Chairman of the institution.

The staff council of the college headed by the Principal, Director and all the HOD as members ensures the proper implementation of the decisions and directions given. The Management gives sufficient freedom to the Principal, who is the academic head of the institution to function in order to fulfil the vision and mission of the institution. HOD is delegated with department level authority.

Decentralization in the institute is planning a very important role in deciding and implementing the student centric program and activities. The academic activities are delegated as per the hierarchy of organization. The college ensures effective leadership practices by conducting FDP's, conferences, workshops and establishing EDC professionals. The college has several committees/sub committees and duly represented by faculty industry experts, alumni, parents and students to monitor and guide the academic and administrative activities.

The Institute consistently promotes a culture of participative management. The Institute follows committee system for implementation of all its decisions and resolutions. The committees comprise of faculty members and students. The HODs take the decisions and implement the action plan. The department faculty is involved in implementation of the policies of the institute/department. Hence at all levels, there is participative management

## VISION MISSION OF THE INSTITUTE

### VISION

With a vision to be a respected and sought-after group of educational institutions, we are very much engaged in equipping individuals to be capable of building learning organization in the new millennium.

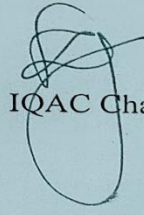

### MISSION

Our mission is to develop competent students with good value systems to face challenges of the continuously changing world.

### QUALITY POLICY

To equip the students with highest standard of education, knowledge and ethics. To prepare them to meet the challenges of life with full confidence. Aim at all round development of the personality to be useful citizens.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING  
THE OXFORD COLLEGE OF ENGINEERING  
Bommanahalli, Bangalore-68

**Vision**  
To establish the department as a renowned center of excellence in the area of scientific education, research with industrial guidance, and exploration of the latest advances in the rapidly changing field of computer science.

**Mission**  
To produce technocrats with creative technical knowledge and intellectual skills to sustain and excel in the highly demanding world with confidence.

**Program Educational Objectives (PEO)**

- To create graduates equipped with life-long learning skills and have a successful professional career in IT industry.
- To prepare graduates to pursue higher education and get inclined towards research & development in computer science engineering.
- To provide adequate training and opportunities, with exposure to emerging cutting edge technologies and to work in teams on multidisciplinary projects with effective communication skills and leadership qualities

**Program Specific Outcomes (PSO)**

- To design efficient algorithms and develop effective code for real-time computations.
- To apply software engineering principles in developing optimal software solutions.

**VISION OF THE INSTITUTE**  
To be a respected and most sought after engineering educational institution engaged in equipping individuals capable of building learning organizations in the new millennium.

**MISSION OF THE INSTITUTE**  
To develop competent students with good value systems and face challenges of the continuously changing world.

**VISION OF THE DEPARTMENT**  
To impart technical education par excellence and prepare leaders to serve the industries and society.

**MISSION OF THE DEPARTMENT**  
Mission 1. To Provide the world with a highly committed and quality conscious engineering workforce.  
Mission 2. To Encourage the students to built self-help, Power of initiative, courage to change and create new things.  
Mission 3. To inculcate the spirit of cooperation and capacity for organization with special emphasis on their self-reliance and sustainability to meet ever changing requirements of local and global industries.

**PROGRAM EDUCATIONAL OBJECTIVES(PEOs)**  
PEO 1. Graduates apply their knowledge of mathematics and science to identify, analyze and solve problems in the field of Electronics & communication to develop sophisticated communication systems.  
PEO 2. Graduates to design and buildup interdisciplinary systems by solving core engineering problems in communication systems which are technically sound, economically feasible and socially acceptable.  
PEO 3. Graduates exhibit desire for life-long learning which directs them to obtain thorough knowledge in their chosen fields and motivate them for higher studies/research.

**PROGRAM SPECIFIC OUTCOMES (PSOs)**  
PSO 1 : An ability to understand the basic core courses of Electronics & Communication Engineering and to relate them to various areas of application like Communication Systems, control system, Signal processing, VLSI and Embedded systems.  
PSO 2 : Should have capability to apply modern tools to analyze and solve complex designs with optimal solutions for various real-world applications  
PSO 3 : Excellent adaptability to changing work environment with good leadership qualities and zeal for social and environmental well-being.

**Vision**  
To meet the educational and research needs of the student community and staff through collaboration with other academic and technical institutions, industry and government agencies and make the students to face problems of the country and society as a whole.

**Mission**  
M1-To develop and train competent Electrical and Electronics Engineers with adequate practical skills.  
M2- To provide state-of-the-art resources that contribute to achieve excellence in teaching-learning, research and development activities.  
M3-To inculcate, ethics, leadership, moral values and social activities.

**Programme Educational Objectives:**

**Graduate of the programme will**

- Be able to apply the fundamental knowledge of mathematics, science, electrical and electronics engineering to analyse and solve the complex problem in electrical, electronics and allied interdisciplinary areas.
- Possess good leadership skills, function ethically in multidisciplinary areas to develop sustainable solutions for global, environmental and social issues.
- Be able to inculcate lifelong learning to maintain and enhance professional skills.

**Program Specific Outcomes**

- Apply fundamental knowledge to identify, formulate, design and investigate various problems of electrical and electronic circuits, power electronics, control systems and power systems.
- Apply modern software tools for design, simulation and analysis of electrical systems to engage in life-long learning and to successfully adapt in multi-disciplinary environments.
- Solve ethically and professionally various Electrical Engineering problems in societal and environmental context and communicate effectively by applying project management techniques to complex engineering problems.

**DEPARTMENT OF BIOTECHNOLOGY ENGINEERING**

**VISION**

Aspiring to be recognized as a premier source of outstanding graduates, who in turn will help their enterprise attain and sustain industrial and societal competitiveness.

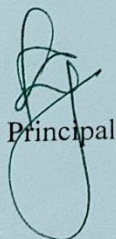

**MISSION**

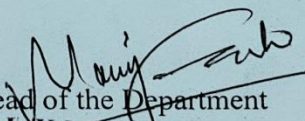

M1: To embrace and disseminate fundamental and applied knowledge of Biotechnology Engineering to attain academic excellence and industrial competency

M2: To empower the students for enhanced performance through continuous learning and research capabilities in multidisciplinary domains

M3: To create awareness about professional conduct and socio-ethical implications of potentials of biotechnology

M4: To equip the students to interchelate biotechnological solutions for present day challenges

**VISION OF THE DEPARTMENT**

Aspiring to be recognized as a premier source of outstanding graduates, who in turn will help their enterprise attain and sustain industrial and societal competitiveness.

**MISSION OF THE DEPARTMENT**

To create and disseminate knowledge by being accountable for developing and motivating our pupils to attain academic excellence and industrial competency. With our focus on teaching, learning & research, we engage in helping our students to face challenges in the field of Biotechnology.

**DETAILED MISSION**

M1	To embrace and disseminate fundamental and applied knowledge of Biotechnology Engineering to attain academic excellence and industrial competency
M2	To empower the students for enhanced performance through continuous learning and research capabilities in multidisciplinary domains
M3	To create awareness about professional conduct and socio-ethical implications of potentials of biotechnology
M4	To equip the students to interrelate biotechnological solutions for present day challenges

**DEPARTMENT OF AUTOMOBILE ENGINEERING**

**VISION**

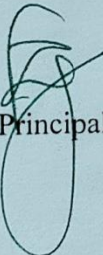

To establish the department as a renowned centre of excellence in the area of scientific education, research with industrial guidance and exploration of the latest advances in the rapidly changing field of Automobile Engineering.

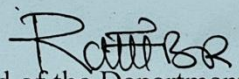

**MISSION**

Mission 1. The Department will serve its students, industry and society by fulfilling the mission of learning, and engagement through the creation, dissemination and application of engineering methods

Mission 2. Encourage students to continuously challenge the existing methods in Automobile Engineering with an intention to align the students towards research.

Mission 3. Impart knowledge on practical aspects and professional standards relevant to the practice of Automobile Engineering in the many aspects of modern life where it plays a vital role.

**PROGRAM EDUCATIONAL OBJECTIVES(PEO's)**

PEO1: Graduates shall display technical knowledge in basic Mechanical and Automobile Engineering subject areas enabling them to find career opportunities in relevant government agencies, reputed private firms.

PEO2: Graduates shall gain practical knowledge in the working of Automobile Systems, capable of working on indigenous projects, ventures related to automotive discipline.

PEO3: Graduates shall be well versed with the academic learning material of the course syllabus and ready to take up further learning through higher education and scientific research.

PEO4: Graduates shall be well equipped with the requirements of the current industries to obtain job opportunities in Mechanical and Automotive sectors in the design, Manufacturing, Analysis domains.

**PROGRAM SPECIFIC OUTCOMES (PSOs)**

PSO1: Graduate will demonstrate the knowledge to design, develop, implement and use same into various domains to identify cause and hence provide solutions in the automotive field.

PSO2: Graduate to work in interdisciplinary environment to design systems with the future emission norms and safety standards in automobile sector.

PSO3: Graduate will be able to pursue of lifelong learning and professional development to face the challenging and emerging needs of our society.

**DEPARTMENT OF MECHATRONICS ENGINEERING**

**VISION**

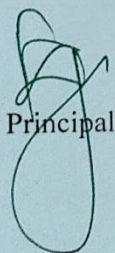

To develop the Mechatronics department as a leading educational and research program with innovation in the design and development of electro-mechanical systems, intelligent machines and products.

**MISSION**

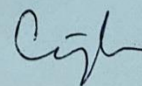

M1 : To provide an outstanding education in Mechatronics Engineering with a rich diversity of skills.

M2 : To contribute to the community prosperity through professional services and research.

M3: To prepare graduates with ability to engage in life-long learning and capable of Carrying out engineering practice with competence.

DEPARTMENT OF MECHATRONICS ENGINEERING

**VISION OF THE INSTITUTION**  
To be a respected and most sought after engineering educational institution engaged in equipping individuals to be capable of building learning organization in the new millennium.

**MISSION OF THE INSTITUTION**  
To develop competent students with good value systems to face challenges of the continuously changing world.

**VISION OF THE DEPARTMENT**  
"To develop the Mechatronics Engineering Department as a leading educational and research department with innovation in the design and development of electro- mechanical systems, intelligent machines and products".

**MISSION OF THE DEPARTMENT**  
M1: To provide an outstanding education in Mechatronics Engineering with a rich diversity of skills.  
M2: To contribute to the community prosperity through professional services and research.  
M3: To prepare graduates with ability to engage in life-long learning and capable of carrying out engineering practice with competence.

**PROGRAM EDUCATIONAL OBJECTIVES (PEOs)**  
PEO 1 : Inculcate knowledge of basic engineering sciences and fundamentals of mechanical, electrical and computer systems.  
PEO 2 : Create ability in graduates to design, develop product and applications in the field of Automation and Mechatronics and be able to use engineering tools that will enhance their productivity.  
PEO 3 : Prepare graduates to be effective engineers with good analytical and problem solving skill to innovate, research and develop in a multidisciplinary Mechatronics environment

**PROGRAM SPECIFIC OUTCOMES (PSOs)**  
PSO 1 : An ability to understand the concepts of Mechatronics Engineering and to apply them to various areas like Mechanical, Electrical machines, Signal processing, Embedded systems, Communication Systems, Digital & Analog Devices, Computer fields etc.  
PSO 2 : An ability to solve complex Mechatronics Engineering problems, using latest hardware and software tools, along with analytical skills to arrive cost effective and appropriate solutions.

THE OXFORD COLLEGE OF ENGINEERING

303

Proceedings of the meeting of the Governing Council held on 20-08-2020

Subject 1:- Confirmation of the proceedings of the meeting held on 02-01-2020

The draft of the proceedings of the previous meeting held on 02-01-2020 has been circulated for amendments and corrections if any certain corrections as suggested have been incorporated. Accordingly it was resolved to record them in the minute book.

Subject 2:- Review of Compliance of Policy resolutions passed in the earlier meetings.

The analysis of the follow up action initiated on such policy decisions discloses effective implementation barring One or Two. It was directed to implement the remaining decision as well.

Subject 3:- Permanent affiliation of TOCE

As has been discussed in the earlier meetings the submission of application to UGC for recognition U/s 12 B has been held over in VTU for lack of permanent affiliation of the college which is a pre-requisite condition. During the discussion it was pointed out that in the later development affiliation. Applications have been submitted to NBA for accreditation of 6 Departments. Consequent on the Corona-19 Pandemic and declaration of lock down by Government the process has been stranded. After reopening of the college the matter may be pursued vigorously.

Subject 05 :- Review of academic and research activities

In the academic year 2020-21 the Schools and colleges were closed to avert Corona-19 Pandemic by imposing Lock-downs. However guidelines were issued by GOI, AICTE and VTU for conduct of online classes strictly in terms of lesson plan. Even tests and examinations were held by online.

However the research activities in the research centers have reached stand-still. It may be restored immediately after the functioning of the College after the un-lock. The HODs should ensure that the research projects funded by various funding agencies may be secured to activate the research work.

Subject 06 :- Recruitment of teaching staff

During the period from 01-01-2020 to 31-07-2020 the following faculty were appointed effective from the date indicated against them

Sl No	Name	Designation	Date of Joining
1	Ms. Geetha Rani Eduvuganti	AP/ISE	27.01.2020
2	Ms. Jeevitha M	AP/ISE	27.01.2020
3	Ms. Madhusmita Mishra	AP/ISE	27.01.2020

Proceedings of the Meeting of the Governing Council held on 20/02/2021

Subject-1 : Confirmation of minutes of previous meeting held on 20/08/2020

The Draft minutes of the earlier meeting held on 20/08/2020 has been circulated for approval. After going through for amendments and corrections, if any have been incorporated. Accordingly it was resolved to record them in the minute Book.

Subject 2 : Review of action taken on the decisions emerged in the previous Meeting :

Implementation of the important Resolutions emanated in the earlier meetings have been taken up for review. Almost all the Significant decisions have been given effect to.

Subject 3: Review of Placement training & Campus Recruitment during the lockdown period 2020

All the colleges were shut down from 15-03-2020 to Combat Corona 19 pandemic. During the lockdown period Online classes and Online Examinations were held via E-Platform. Even the placement activities including conduct of training programmes inviting resource persons to deliver lectures and conduct of campus selection for recruitment in various companies were continued. Consequently by placement cell and Corporal Relations Department through Webinar.

11315

The highlights of the training programmes held and Career Guidance imparted are as here under by creating links:

Sl. No.	Programme	Final	From
		Year	2010/20 to 2021/20
1	Aptitude and Recruitment essential Training		

After a brief discussion it was pointed out that there is much scope to take up research projects sponsored by so many authorities sponsoring the projects and submit online applications swiftly.

Subject 4: Review of Functioning of Library and Resource Centre

In addition to the title books and volumes, latest gadgets, E-Books, Online journals, Internets, Library softwares have been procured which are immensely useful to students and faculty. It has over a period of time upgraded by adding title books and volumes and Online national and International Journals in compliance with the requirements of the AICTE. It transpired that the library committee shall conduct inventory from time to time and submit report to the principal for following action.

It is considered Feasible to introduce new emerging courses instituted by AICTE and VTU for much more employability of the students passing out from the said courses. The Courses are (1) BE in AIML

(2) M.Tech in AIML

(3) M.Tech (Cyber Security)

Of late an R&D committee has been constituted in the Notification No TOCE/EST/03/2020-21 dated 11/12/2020. For promotion and development related activities. The composition of the committee is as under:

Sl No	NAME & DESIGNATION	STATUS
01	Dr. Shivaprakash Prof of Instrumentation Technology IITSc., Bengaluru	Chairman
02	Dr. B.K. Raghuprasad Prof of Civil Engineering, IITSc., Bengaluru	Member
03	Dr. B.S. Mahananda Associate Professor of Information Science, JSS STU, Mysore	Member
04	Dr. B.G. Sangameshwara Former Vice Chancellor JSS STU Mysore	Member
05	Mr. Venkateshwarulu C Chairman & CEO Ms. Sys Build Technologies Pvt Ltd., Bengaluru	Member
06	Mr. Chandrakanth Director, M/s Oracle., Bangalore	Member
07	Prof. GT Raju, Principal, The Oxford College of Engineering	Member
08	Dr. Preetha Shoran Prof of ECE, TOCE, Bengaluru	Member
09	Dr. B.K. Manjunath Prof & Head, Dept of BT and Dean (Research) TOCE, Bengaluru	Member-Secretary

The committee shall meet regularly to review the progression.

318

Subject 6 : Review of the progress of the work relating to Re-accreditation of NAAC :

The validity of the accreditation of NAAC in the 13A cycle expired on 31 May 2019. Hence, various committees have been constituted to host on the website the multiple documents prescribed by NAAC before submitting application by online to the NAAC for Re-accreditation. The Director, Principal and HOD's are overseeing the activities of these committees for Preparation and updation of all the documents prescribed by NAAC. After an extensive discussion the consequence emerged was to appoint two more Directors for effective supervision of the NAAC work of all the Colleges in Bommanahalli and Hongsandra Campuses.

Subject 7: R and D Projects and student Projects :

Upton Number of Research Projects have been allotted by various funding agencies like GOI, AICTE, Etc., in the R & D Department of studies. The details of ongoing research Projects in the Department are as here under :

Sl No	Name of the faculty	Funded By	Department	Title of the Project/proposal	Year	Cost of the project	Status of the project
1	Dr. B K Manjunath	AICTE	BT	FDP: Bioinnovation Patenting & Entrepreneurship opportunities in Biotechnology for Sustainable Growth	2019	475758	Ongoing

After a brief discussion, it was pointed out that there is much scope to take up research projects sponsored by so many authorities supporting financially. Hence, the HOD's shall view the internet regularly to take note of the various funding authorities sponsoring the projects and submit online applications swiftly.

Subject 8: Deputation of faculty for participation in National level Conference workshop & Symposiums.

Upon review of the faculty participants in the various conferences, symposiums and workshops organised by various Apex Bodies like AICTE, DRDO and Research & other organizations. Participation of the faculty in the college is meagre. As a sequel to Corona-19 Pandemic in the year 2020 conduct of all such programmes has been deferred due to lockdown and conduct of Academic activities by online only. The Committee viewed this aspect and was

unanimous that in future the faculty may be sponsored to participants in such programmes by keeping a watch on the Internet and e-mails. It will be in addition to regular FIP & FDP

Subject 9: Approval of Budget Estimates for 2021-22.

The Budget Estimates for allocation of funds to meet both recurring and non-recurring expenditure for development of infrastructure of the existing courses and for new UG & PG courses applied for the approval of AICTE and affiliation of VTU. Hence, the Budget Proposal for the year 2021-22 is placed for approval.

Subject 10: Providing Consultancy Services

Many departments, especially CSE Departments, ECE Departments, BT Department, Automobile Engineering Departments may involve in providing consultancy services who are in need of it which is advantageous to both. The HOD's may endeavour to identify the organisations for rendering consultancy services in the emerging areas and for innovative methods and technologies.

Subject 11: Procurement of Equipments and Services, Hardware for Academic & Research activities.

The orders received from different departments for procurement of Lab Equipments have been discussed in due consideration of the estimated amount indicated against each department. After an extensive deliberation, the Governing Council approved for procurement of certain Equipments and Hardware Service Providers as indicated in detail as under:-

(2) Electronic and Electronic Engineering

(3) Information Science Engineering

Online application on the MBA portal will have to be submitted before 31-12-2021. However, MBA with a view to over gap of 6 months it is considering accreditation for 1 year on the basis of programmes meeting the Pre-qualifiers online application may be submitted along with the prescribed fee of Rs 1.50 lacs plus 18% GST of Rs 27,000/ which comes to a tune of Rs 1.77 lakhs.

After an indepth deliberation over the issue the decision emerged was to apply by online immediately along with the prescribed fee which may be paid by online and all preparatory works including Preparation of SAR may be taken up vigorously

Subject 14: Appointment of Dr. B.G. Sangameshwara Farmer Vice-Chancellor, JSS STU for review of Annual Performance of faculty.

Online applications are being submitted for Re-accreditation of NAAC in 2nd cycle and MBA of 3 Departments of CSE, EEE and ISE. It is important to take up the review of Annual Performance of the faculty. It is considered very much feasible to appoint Dr. B.G. Sangameshwara, Farmer VC JSS STU to undertake the process of review and assesment of performance of the faculty consecutively. After a brief discussion the decision emanated was to appoint him immediately to set the process in motion forthwith.

IQAC Chairman welcomed all to the meeting.

**Agenda 1: Action Plan for the academic year 2020 – 2021:**

1. IQAC Chairman also informed HODs to monitor the final year projects and that all the project works of UG & PG students should mandatorily be published in reputed Journals.
2. HOD – EEE advised all HODs to check the availability of semester wise study material of all the departments in the photocopying section. IQAC Chairman also informed that the softcopy of Question Bank and Lab Manuals should be sent to all students instructing them to take printouts and bring it to the class.
3. IQAC Chairman advised HODs that to fill the gap between Industry and VTU, minimum two Guest Lectures in each department should be arranged during ODD Semester, The MOUs with Industries is very less. Each department should have Atleast 8-10 MOUs with Industries.
4. Implementation of Mentorship: - HODs were informed to instruct the concerned to update Mentorship Book. A Committee duly constituted to verify the same will visit the department in due course.
5. IQAC Chairman briefed HODs the department wise activities to be carried out during this holiday period like organizing Seminars / Webinars / E-quiz / Interactive sessions etc.
6. IQAC Chairman advised HODs to instruct the faculty to solve previous five years Question papers and circulate to students so that they will be thorough in the subject.
7. Head of MCA informed that the Microsoft License has been renewed and departments can use Microsoft Teams. It was also informed that after discussion with the HODs, the User ID and password of Microsoft Teams will be shared to the departments. IQAC Chairman gave clear instructions not to use ZOOM platform for any online academic activity and switch over to other options like Microsoft Teams, CISCO Webex, Google Class etc.

**Agenda 2: General Review and Instructions to HODs**

1. IQAC Chairman informed HODs to instruct faculty that alternate arrangements should be made while applying for leave. He also informed to advise the Class

IQAC Chairman welcomed all to the meeting.

**Agenda 1: Discussion on Various Academic Works**

1. IQAC Chairman advised HODs to instruct the Faculty to continue with online classes by making better use of teaching resources.
2. IQAC Chairman brought to the notice of all HODs that as per UGC guidelines, the offline classes shall start from 17th November 2020 onwards. In this regard, HODs were informed to submit their Suggestions and Feedback on preparedness, practical difficulties, requirements etc.,.
3. IQAC Chairman informed HODs that it is not suitable to commence offline theory classes during this pandemic period as the students attendance will be only 50% to 60% because students from outstation may not be able to attend the classes. It was also discussed to conduct offline classes on alternate days following all SOPs measures as per UGC but HODs opined that faculty will not be able to manage two sections at a time.
4. IQAC Chairman informed HODs that INTERNAL COVID WARRIORS COMMITTEE for the college to be constituted in which members of this committee will only concentrate on SOPs and arrangements for eradication of COVID 19 in the college campus.
5. IQAC Chairman informed the HODs that VTU may accord permission to commence practical labs initially and advised HODs to keep the labs ready for the same. However, HODs intended to have lab consumables and accessories for the same and IQAC Chairman advised HODs to submit the requirements for placing before the Management for final approval.
6. IQAC Chairman requested to have HODs Meeting in ZOOM / MICROSOFT Teams Platform so that social distance is maintained during this pandemic crises. IQAC Chairman agreed and decided to have meetings in Seminar Halls where social distance is maintained.
7. IQAC Chairman informed HODs to acknowledge the messages sent through whats app and active.

8. IQAC Chairman advised all HODs to daily share the IA2 attendance statistics of the students in the template. (i.e. \_\_\_\_\_ semester : # of students Attendance / Total Strength)
9. IQAC Chairman informed all HODs that during the Faculty Performance Evaluation, it was observed that faculty is claiming credit for publications in PAID Journals. IQAC Chairman clarified that credit will not be given to the publications in PAID Journals during Review. They have to be encouraged to publish in standard peer reviewed and indexed UGC recognized Journals only
10. IQAC Chairman expressed HODs should give a video regarding the online classes conducted, seriousness in attendance and fee dues etc., so that the video will be played before the commencement of online classes and every student will take it seriously and will try to attend online classes regularly. IQAC Chairman informed that the video will be shared with all the departments.

**Agenda 2: Funded Projects Related**

VGST project proposal: As already discussed in previous meetings, HODs had prepared project proposals to be submitted to VGST. IQAC chairman advised them to send it to Dr. B K Manjunath for glance. Later on submit both hard and soft copy to the undersigned.

**Agenda 3: NBA & NAAC Updation**

NBA SAR report: IQAC Chairman told inspite of several meetings, we are lagging lot of information. He told HODs to prepare the required document and finalize SAR report

IQAC Chairman welcomed all to the meeting.

**Agenda 1: Discussion on Various Academic Works**

1. IQAC Chairman appreciated the entire faculty for their sincere efforts in handling the first year classes. Further, he informed that the student admission for the academic year 2020-21 is not as expected and advised the faculty to monitor each and every student by marking attendance regularly and also advised that they should focus on getting 100% result in the academic year 2020-21. He further informed that whenever any faculty is on leave, there is a delay in engaging the particular class. He requested the entire faculty that whenever any faculty wishes to avail CL or any other leave, it should be informed in advance to the concerned so that alternate arrangement can be made to keep the classes engaged on time.
2. Dr. Mallikarjun K, Prof & Head, Dept. of Engg. Mathematics and Dean (UG Students) also advised the faculty to concentrate on the ambience and use latest technology while delivering the online classes and make teaching fascinate to the Students and explain the concepts in a very attractive manner. It was also advised to maintain the IA answer booklets in soft copy format for further reference and also advised to maintain the same question paper pattern for conduct of IA Tests.
3. Faculty are advised to be careful in respect of Code and Conduct during online classes. It was also advised to concentrate more on the communication skills, preparedness for the classes and its delivery because many parents will be watching and observing the same. Also advised the faculty that through the subject knowledge and preparedness the students can be attracted and encouraged to attend the classes without fail and also advised faculty to spend more time on preparedness with Lesson Plan. For the purpose of effective learning, Quality Study Materials from any other resources can be downloaded and shared among the students. Inculcate discipline among the students and highlight the rules and regulations of VTU to the students regarding attendance, IA marks requirements etc. It was also informed that Registration Forms are shared with the faculty and advised faculty to share among the students and

collect back the same after it is duly signed by the Students and their Parents.

Advised the cycle coordinators to follow up with the same and submit the duly filled forms to the office of undersigned for further action.

4. IQAC Chairman also informed the faculty to inform the students that three IA Tests are mandatory as per VTU regulations. Due to inevitable circumstances, if any student is allowed to write IA test the permission of the subject teachers, cycle coordinators, HOD & IQAC Chairman is a must. If any student wish to take improvement in IA test, the student can be allowed to write improvement test after obtaining prior permission from the concerned.
5. IQAC Chairman advised faculty to set a goal and inform the students not to deviate from the goals and ensure that the target is achieved. Also advised to think thrice before apply for leave and be loyal to the Profession.
6. IQAC Chairman opined to have common notes to the first year students and advised faculty to distribute the same amongst the students. It was also informed that if they find better information in the notes of other faculty, advised to adopt and circulate the same. Also advised Lab In-charge to share lab manuals to the students and conduct demo / live lab classes to the students and instruct the students to write their observations in long note books for further reference and good things can be incorporated. It was also clearly instructed to update the Teacher Diary.
7. IQAC Chairman advised faculty to update their knowledge by registering for the short terms courses in NPTEL, Coursera, Udemy etc.,

**Agenda 2: Functional Committee Related works**

1. IQAC Chairman informed the HODs and the Coordinators of the functional committees that the Roles of Responsibilities of the Committees and its frequency of meeting will be shared in due course so that their will be active performance by the committees. He also informed that the committee shall meet twice in a semester (i.e during starting and closing of the semester to take the stock of the activities and its documentation.

3. IQAC Chairman informed HODs to instruct the faculty and staff in the department to maintain Discipline in the campus and be punctual to the college.
4. IQAC Chairman reviewed the result analysis of all semesters across the departments and noted that 3<sup>rd</sup> semester results are very low and not acceptable.
5. IQAC Chairman advised HODs to motivate the students by speaking to them and arrange special classes for tough subjects so that they clear all the subjects in the particular semester itself
6. IQAC Chairman instructed HODs to conduct remedial / special classes for the 3<sup>rd</sup> semester tough subjects for the failed students so that the students can clear these tough subjects in the 2<sup>nd</sup> year itself.
7. IQAC Chairman strictly informed the HODs to in turn instruct the faculty to aim for achieving good results during this even semester (i.e. in 4<sup>th</sup> and 6<sup>th</sup> semester) by arranging special classes / tutorial classes for the slower learners.

**Agenda 3:- Final year Project Discussion**

IQAC Chairman advised HODs to encourage students for their innovative ideas and also encourage them to make these ideas to come into design and turn up in a final product. Also advised to register in Institute Innovation Cell and get start ratings by MHRD for the college
