Summary on adequate facilities for teaching- learning: -

In order to be in line with the college's objective of creating an environment of excellence in education using technologically sophisticated pedagogical tools, the institution ensures appropriate availability and optimal utilization of infrastructure facilities. At the beginning of each semester assessment for replacement, upgradation, the addition of the existing infrastructure is carried out based on the suggestions from the Heads of the Department, the subject in-charge will give the estimation of lab consumables to Head of the department and Head of the department will be reviewing course requirements, computer- student ratio, Budget constraints, existing equipment and also student's feedback.

The college has ample facilities for the teaching/ learning process. It has 80 classrooms and 11 seminar halls. CSE department has 4 labs, ISE department has 4 labs, ECE department has 5 labs, EEE department has 7 labs, Mechanical department has 11, BT department has 4 labs, CIVIL department has 8 labs, Automobile department has 4 labs, Mechatronics department has 2 labs, MCA department has 4 labs. Physics and Chemistry departments are having adequate facilities and well-furnished labs. Each Department has VTU Recognized Research centres, where Students and faculty members utilise the available resources and infrastructural facility for their course work and their research.

The department of ECE has received funds from various government agencies like VGST, ICMR, AICTE, NRB, etc. worth of INR 1 crore and established networking lab in Research and Development's department also received grants from various agencies like AICTE etc. to set up lab. Department of Biotechnology also received grants from various agencies like NRB, VGST etc. Many departments receive best student projects funded by KSCST government of Karnataka

The available infrastructure is fully utilized for conducting co-curricular activities / extracurricular activities, parent-teacher meetings, training classes, campus recruitments, meetings, seminars, and conferences, etc. Every year a National conference (NCSEM) is organized by involving all the departments where students and faculty form inside and outside college will present their research work. The webinars and Guest lectures have been conducting by the departments in order to deliver the new concepts in Engineering and Technology.

- The infrastructure is well maintained by the qualified lab Instructors/System administrators
- Utilization of infrastructure is ensured through encouraging Innovative teaching/Learning practices
- The classrooms of every department are ICT enabled for effective teaching/learning
- Each department has well-equipped laboratories which are used for academic and research work as well.
- NPTEL local chapter is established in the campus so as to provide quality input of lectures from various IIT's to the students as well as the faculty
- College is having professional bodies like IEEE Student Branch TOCE, CSI Chapter

Computing Equipment's:

The institution has 1044 computers, 2 laptops, 3 photocopier, 74 printers, 10 scanners, 8 servers, 100 access points, 150 numbers CC cameras to facilitate computing and internet browsing and surveillance.

Internet and WI-FI:

The institution is completely enabled with Wi-Fi facility and the institution has upgraded its internet speed to 60 Mbps through leased line.

Training and Placement Facility:

The institution has an active Training and Placement Cell, which is headed by a qualified and experienced full time Placement Officer. The Placement Officer is supported by well qualified supporting staff. Department level coordinators are identified in each department to coordinate the activities in sync with the placement cell.

Total Area available

- Instructional Area: 25860 Sq. mt
- Administrative area: 6640 Sq. mt
- Amenities Area: 16295 Sq. mt
- Circulation & other Area: 9150 Sq. mt
