1. Summary

Institution encourages the participation of students in affairs of both academics and administration to provide quality education. In order to achieve this college has student councils at various levels. The council aims to imbibe and inculcate the Vision, Mission and Core values of the institution. Student council took part in various activities which help them to build the leadership qualities and enhance their communication skills. The activities organized by the student councils in association with the faculty members are as follows:

Celebration of national festivals like Independence Day and Republic day. Celebration of Mathru bhasha day, Sadbhavana Diwas, Vigilance awareness week, National Unity Day, Indian Constitution Day, etc. It also organized various co-curricular activities like Technical Fests-Impulse2K17, Impulse 2K18, Techmania and Ignus'19. Conferences NCSEM 2017, NCSEM 2018, NCSEM 2019, NCSEM 2020 and NCSEM 2021. Clean campus and outreach activities such as Swach Bharat Abhiyan, tree plantation, plastic free campus, awareness about COVID-19, Earth day celebration, Jal Shakthi Abhiyan, Beti Bachao Beti Padhao, Waste Management awareness, activities at orphanages and old age homes, road safety awareness, awareness about drug abuse, awareness about HIV, blood donation camp and water conservation campaign in association with NSS unit of the college. Health awareness programs like Yoga Day celebration, expert talk on Menstrual Hygiene, and awareness about the COVID-19. Cultural activities like Oxfordotsava and Milana every year. The student council also took part actively in organizing the sports activities in the campus at inter collegiate level and inter departmental level.

Report on student council activities

Student Council actively participated in various activities. They helped in coordinating all the events related to academics and other co-curricular & Extra-curricular activities, as per the directives of teaching faculty. Student council took part in lot of academic administrative work by taking the help of other students. They also motivated other students to take part in the activities conducted by the Institute. They worked as a medium between faculty and students.

Student council participated in the following academic activities during this academic year. They coordinated in day to day academic activities at their level, communicating the information between students and Teaching faculty and conducting various co-curricular and extracurricular activities.

The following events were organized during this academic year in association with the student council. National festivals and Commemorative days such as – Independence Day, International Literacy Day, Republic Day and International Yoga Day. It also participated in successfully organizing college's two big events – "Cultural Day-Milana" and sports day. They also helped to organize National Conference NCSEM-17 and various outreach activities.

Student Clubs and student chapters

Student Clubs helps in the overall development of the students. They provide enormous opportunities to student develop leadership and to participate in various activities beyond classroom setup and academic programme. Students' clubs enrich the experience of students, create a diverse community, encourage involvement, and provide opportunities for students to build valuable skills. It also helps the students to build good networks with academicians, scientists and industry experts. In this way student clubs enhance the skills of the students and make them ready to face the challenges in their life. The college has following student clubs and chapters to cater to technical needs of the students.

1. IEEE student chapter
2. Indian Society for Technical Education (ISTE) student chapter
3. Institution of Engineers (India) student chapter
4. Association for Computing Machinery (ACM) chapter
5. Institution of Electronics and Telecommunication Engineers (IETE) student chapter

DEPARTMENT OF LIBRARY

Date: 18-05-2016

Library User Award

To motivate the students to make the efficient use of the library and its services, the 'Library User Award' has been started from 2016-2017. Two students are selected one from the UG and One from the PG, on the basis of the statistical data, accession of books, reading aptitude of the student, utilization of library resources, discipline and the review of the Library Advisory committee. Every year this Award conferred on the occasion of Annual Recognition Day.

Teacher's day Celebration

We celebrate Teachers' day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher and one of the most well-known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

A celebration conducted at department wise by their students on 5th September 2016. The whole function was planned by Final year students with permission from HOD. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers. As per the Indian culture, we always start our work with prayer. The Event is organized in the afternoon session From 2:00 p.m to 4.00 p.m. All participated Faculty were appreciated by giving Pen as token of love. Then Students Volunteers did Dance performance for Faculty and followed by speech by Faculty member and finally sweet and snack distribution done.

Oxford Marathon 2016, on Sunday, 18th Sept'16

Theme: Save Mother Earth: Run to clean Mother Earth

The event was started with an NSS activity as a precursor to fulfil the theme of Marathon on Saturday 17th Sept'16 organised and implemented by Dept of Management studies as an initiative standing for the cause of building awareness among the youth towards Clean Earth.

Oxford Marathon 2016 was held in The Oxford College of Engineering, Bommanahalli, Bangalore under the guidance of Chairman Shri.S.N.V.L.Narasimharaju and well-wishes of the Oxford Group of Institutions.

The event was conducted by the MBA Department, under the guidance of Dr.Sarit Kumar, Director, MBA. The credit for the success of the event was the whole hearted support of all HODs, the Principals of The Oxford group who had gone from class to class, and department to department to get the students registered for this event.

Oxford Marathon 2016- was a 5km run and a 10km turn around run from Oxford College Of Engineering Bommanahalli campus to Oxford College Of Science And Management H.S.R.Layout.

The event started with an inaugural function at 2.30 pm by the celebrity guest Mr. Harpal Singh Sokhi –famous as the celebrity chef of Turban Tadka cookery show. The Event was graced by Mr.Gurumurthy Reddy, Corporator, H.S.R.Layout, Shri.S.N.LV.Narasimharaju, Chairman of Oxford Group of Institutions , Major Mudde Gowda, Governing Council Member, Oxford

Institutions. The key note address given by the Chief Guest has motivated and inspired the students participants. Chairman of Oxford Group of Institutions Shri.S.N.V.L.Narasimharaju in his address appreciated the initiative of the MBA Department and congratulated Dr.Sarit Kumar, Director MBA department. The Event was graced by all the Principals and HODs of all the departments from both HSR and the Bommanahalli Campuses.

A special thanks to the DGP Mr.Abhishek Goyal , IG Mr. Om Prakash, ADGP Mr. Sanjay Sahay for their exclusive support in giving traffic and route clearance for the Marathon.

Heart felt thanks for the tremendous support of the team - White Collar Events in associating and organising the event.

Oxford Marathon 2016 , was a mid day run which began with a DJ Vinnith hosting the session, kept the crowd dancing to a mix of recent trendy music.

The Oxford Marathon was flagged off at 3.00P.M after a warm-up session conducted by members from 'The Art of Living Foundation, it included stretches to loosen up muscles and get fit for the run. Three Yoga practitioners, Apoorva (faculty member at PES university), Dilip (faculty of NIFT) and Thanya (who works for Russian Railways) were invited to guide the participants.

Participation for Oxford Marathon 2016 was from students across the colleges of Bangalore city and professional runners from various sectors with a total count of 1200 participants ran the Oxford Marathon 2016. The run started from the Bommanahalli campus of Oxford College of Engineering and concluded the 5km run at Oxford College of Science and Management, H.S.R.Layout, Bangalore. The 10 km run concluded back at Oxford College of Engineering.

Winners of 5k -Women are: 1st place -Kushi Singh, 2nd place -D.Padmavathy ,3rd place -Kanishka Sri.

Winner of 5K -Men are: 1st place -Sunil Oram ,2nd place-Mohammed Murtaza, 3rd Shara Ahmed

Winners of 10k -Women are : 1st place - Kranthi 2nd place -Apeksha 3rd place -Fancitor

Winner of 10K - Men are: 1st place-Vigneshhwaran 2nd place-Robin.D 3rd place-Sujit prashanth jha, John Vintus.

The event has ended with a closing ceremony at 5.30 p.m. and the medals and certificates were given to the winners by the Celebrity Guest Mr.Harpal Singh. as part of our theme student participants involved in cleaning up the campus premises by picking up the litters which was appreciable.

Republic Day Report

The 68th Republic Day Event was celebrated in all its solemnity and grandeur at The Oxford college of Engineering on 26th January 2017. The students saluted the National Flag and pledged themselves to upholding the honor and integrity, diversity and uniqueness that is "India".

The following Activity such as:

- Flag Hoisting
- Singing National Anthem Song
- Sweet distribution

The choir group presented the patriotic song "National Anthem ". It was followed by Short speech by Principal. The melodious music and thoughtful speech of the principal were spellbinding.

Ethnic Day Report

Ethnic day in the campus was decorated in a traditional way. The energy levels were quite high as the campus was bursting with enthusiasm and passion. Ethnic Day celebrated in Oxford Engineering College on 19th May 2017 in front of Old Building Engineering Block.

The faculty and students joined hands to celebrate and showcase our regional culture and tradition to everyone present on campus by celebrating ETHNIC DAY.

Girls were dressed in Ghagharas, Lehngas and traditional Sarees and the boys wore lungis, dhotis and even be jewelled turbans, like those worn by kings in ancient times.

In a display of ethnic dresses the students came one after another on to the stage and explained briefly about the dress they were wearing in the Fashion show. Best ethnic women dress, Best ethnic male dress were also judged by Dr.R V Praveena Gowda and all HOD of Various Department and given away Trophy during the function. The main message of the celebration was to respect the tradition and recognize the culture of our Country.

**REPORT OF NATIONAL CONFERENCE ON
SUSTAINABLE ENGINEERING AND MANAGEMENT 2017, TOCE, BANGALORE
NCSEM-2017**

We are glad to inform you that The Oxford College of Engineering successfully conducted two days NATIONAL CONFERENCE ON SUSTAINABLE ENGINEERING AND MANAGEMENT. NCSEM – 17. ON 26th & 27th May 2017 under the able guidance of Principal Dr. Praveena Gowda (Chief Convenor). The unique idea behind this National Conference was to provide a platform for Academicians, Scientists, Researchers and Industry professionals from around the country to network and exchange their innovative ideas, have scientific discussion on the latest advancements in the interlinked domains of Engineering, science and business. The NCSEM-17 addressed multiple topics and issues of interest in the multiple, integrated domains by providing a scientific platform, practical exposure in the form of specialized interactive panel sessions, poster presentations, plenary sessions and renowned speeches from the leading Research Institutes/ Industry addressing the upcoming challenges to be faced and their potential solutions.

The program was inaugurated with invocation song by, welcome speech by Dr. R. V Praveena Gowda, Principal, TOCE. He welcomed the dignitaries by seeking the blessings of respected founder chairman of The Oxford Institutions Late Sri. Narasa Raju and respected Chairman of The Oxford Institutions Shri S N V L Narasimha Raju for their support and encouragement. He also welcomed Chief Guest Anandakumar T S, all HOD's, staff and students for the NCSEM 2017 inaugural function. The presence of all the other department HODs made this event more graceful.

The chief guest for the first day was Mr. Anandkumar T S, Senior General Manager, Automotive aftermarket, Bosch limited, Bangalore, who addressed the audience highlighting the importance of Technical skills in uplifting the Nation and the present demand of automotive technology in various Industries.

After the Inauguration of the Conference, the Proceedings of the NCSEM-17, was released by the Dignitaries. Soon after the inauguration, technical sessions in all the track was initiated at different venues.

The Second day event was inaugurated by Our Beloved Honourable Chairman, Shri S N V L Narasimha Raju, The Oxford Group of Institutions; he addressed the audience highlighting the necessity of faculty and student involvement in Research and Development and congratulated all the faculty, students, participants and organisers for their effort in bringing all the domains of Engineering in one platform. It is worth to mention that, both the day in all the Tracks technical sessions happened in very effective and interactive form. A brief highlights are listed below

- Department of Computer Science Engineering, invited Dr. Indramma, BMCE, Bangalore as session chair and Dr. Anandi, TOCE Bangalore as Co-chair, 25 technical papers were presented in the sessions
- Department of Information Science Engineering, welcomed Shanmugam as session chair, A total of 24 technical papers were presented of which 8 papers were internal and 16 papers from other Institutions.
- Department of ECE welcomed Dr. Pushpalata, Dayanand Sagar Academy and Prof. Gurumoorthy, BMCE as session chair, 12 external paper and 54 internal paper presented by the students during the events.
- Department of Mechanical Engineering invited J.A. Patnayak as session chair and Co-chair as Madhusudhan Reddy, presented 18 internal and 6 external papers during the event by participants in three session.
- Department of Biotechnology invited Dr. Rajalakshmi, HOD, Dept of Biotechnology, BMS College of Engineering, Bangalore as session chair, Dr. Suma was Co Chair, In the second day of conference Dr. Kusum Paul took the charge of session chair and Ms Valarmathy as co-chair, 29 technical papers were presented in the session of which 14 papers were from other Institutions and 15 papers were from the host institutions2
- Department of Civil Engineering and Department of CTM, welcomed Dr K N Vishwanath as session chair and Dr. Amamath, HOD, Civil, TOCE as co-chair, 17 technical papers were presented during the session external and 16 internal paper presented by students during the event.
- Department of Automobile Engineering invited Dr. Suresh from MSRIT as session chair. A total of 32 papers were presented out of which, 17 papers were from other Institutions and 15 from the host institute.
- Department of Architecture invited Dr Nagaraj as session chair and 14 internal paper presented by the students of TOCE during the event.
- Department of Electrical and Electronics invited Dr. S Srinivas as session chair, 21 internal and 3 external paper presented by students during the events.
- Department of MCA invited Dr. Usha, HOD, RVCE as session chair and Dr Asha, New Horizon College as session chair and Dr. Gayatri from The Oxford Science college as co-chair, 3 external and 76 internal paper presented by students during the events.
- Department of MBA invited Dr. Sathish, IFIM Business school, Dr. Venugopal HR& Director, HM Group, Chennai as session chair and Ms. Savita, Ms. Chandrika, Ms.

Report on IMPULSE '17

The Department of Computer Science and Engineering, The Oxford College of Engineering witnessed a very special occasion on 5th & 6th April 2017 at the state level technical fest, IMPULSE'17 Inauguration. IMPULSE'17 hosted many number of events to cover a number of dimensions of creative technology such as Web Designing, Coding, IT Quiz, Gaming, Debate, Entertainment Quiz, Movie Making, Photography, Star of Impulse, Tech-Ads, Treasure Hunt and Kanna-Dinga.

The event started with paying our homage to our beloved founder chairman through a video that contained his endeavors. Then the legacy of IMPULSE Video was played, which dates back to 2013 when the students of the Computer Science Department of The Oxford college of Engineering, came up with an idea to host an inter-collegiate Technical Carnival in our home campus with sole motivation from our dynamic leader Shri S. N. V. L. Narasimha Raju Garu. Then Video on brief introduction to events of IMPULSE'17 was played. The event started with welcoming our beloved chairman and all the dignitaries on the dias. The chief guest Mr. Malay Chatterjee, Chairman & MD of Kudremukh Iron Ore Company Ltd, applauded the IMPULSE'17 team for their enthusiasm and team work.

The objective for IMPULSE'17 was brought out by Dr. R J Anandhi, Vice Principal & Head of CSE. She expressed her gratitude for the management and well-wishers, who are the stimuli for successful events like IMPULSE'17.

Dr. Praveena Gowda, Principal, TOCE, expressed their wishes to the participants for success and conveyed their appreciation for team IMPULSE and Department of CSE for organizing the events systematically with innovative ideas.

The events that were organised during this two day festival were:

- Coding-IronMan
- Web Designing-Spiderman
- Kannadinga - Dinga
- Gaming-Deadshot
- Movie Making-Marvel's Movie
- Treasure Hunt-Richie Rich
- Entertainment Quiz- Dead Pool
- Photography-The Flash
- Debate-Hulk & Thor
- IT Quiz-The Riddler
- Tech Ads-Minions Act
- Star of Impulse-Superman

The judges for the events were notable people from the IT industry, members from FSMK (Free Software Movement of Karnataka) and Alumni members of the department, judged the events.

Around 500 students from various colleges participated in various events which made Impulse'17 a grand success.

It was a one day program. The students were gathered in the college premises at 9.00 am and were told that the cleaning program will happen.

Cleaning Agara Lake

Cleaning Agara Lake

We went to Agara Lake by 10.30 am with few sickles and other equipments needed and started towards Agara lake. The entire team had cleaned the area around the lake first which was overgrown with bushes and other sorts of wild plants. It took us the whole day to clear the area of weeds and plastics which was strewn all over.

Report on International Yoga Day on 21st June

On the occasion of International Yoga Day on 21st June, The Oxford College of Engineering in association with Art of Living organized and conducted Yoga Session for the Residents of Salarpuria Sattva Apartments, Bommanahalli, Bangalore. Along with 20 residents of the apartment, 10 Faculty, 5 Non-teaching and 341 Students attended the session./ Ms. Khushpinder Kaur Sangha, yoga trainer from Art of Living had taken the session from 11:30 to 12:55 PM. DR. James Thomas, Head of the Department of Management Studies welcomed the guest trainer Ms. Khushpinder Kaur Sangha and addressed the gathering. He mentioned that YOGA is the need of the day and with the initiative of AYUSH, Government of India it has gained momentum at College and School level to celebrate the International Yoga Day for a better society with better citizens.

Highlights of the session:

- Breathing techniques
- Relaxation exercises
- Stretching
- yoga asanas
- Meditation

1. Summary

Institution encourages the participation of students in affairs of both academics and administration to provide quality education. In order to achieve this college has student councils at various levels. The council aims to imbibe and inculcate the Vision, Mission and Core values of the institution. Student council took part in various activities which help them to build the leadership qualities and enhance their communication skills. The activities organized by the student councils in association with the faculty members are as follows:

Celebration of national festivals like Independence Day and Republic day. Celebration of Mathru bhasha day, Sadbhavana Diwas, Vigilance awareness week, National Unity Day, Indian Constitution Day, etc. It also organized various co-curricular activities like Technical Fests-Impulse2K17, Impulse 2K18, Techmania and Ignus'19. Conferences NCSEM 2017, NCSEM 2018, NCSEM 2019, NCSEM 2020 and NCSEM 2021. Clean campus and outreach activities such as Swach Bharat Abhiyan, tree plantation, plastic free campus, awareness about COVID-19, Earth day celebration, Jal Shakthi Abhiyan, Beti Bachao Beti Padhao, Waste Management awareness, activities at orphanages and old age homes, road safety awareness, awareness about drug abuse, awareness about HIV, blood donation camp and water conservation campaign in association with NSS unit of the college. Health awareness programs like Yoga Day celebration, expert talk on Menstrual Hygiene, and awareness about the COVID-19. Cultural activities like Oxfordotsava and Milana every year. The student council also took part actively in organizing the sports activities in the campus at inter collegiate level and inter departmental level.

Report on student council activities

Student Council actively participated in various cocurricular and extracurricular activities. They helped in coordinating all the events related to academics and other cocurricular & Extracurricular activities, as per the directives of teaching faculty. Student council took part in lot of academic administrative work with the help of other students and their faculty mentors. They worked as a medium between faculty and students. They also motivated other students to take part in the activities conducted by the Institute.

During this academic year, student council coordinated in smoothly conducting day to day academic activities at their level, communicating the information between students and Teaching faculty and conducting various co-curricular and extracurricular activities.

The following events were organized during this academic year in association with the student council. National festivals and Commemorative days such as – Independence Day, International Literacy Day, Republic Day and International Yoga Day. It also participated in successfully organizing college's two big events – "Cultural Day-Milana" and sports day. Student council successfully organized Oxford Marathon 17 with motto "Save Mother Earth and Run for Earth" They also helped to organize National Conference NCSEM-17 and various outreach activities like Road safety Awareness Program, Traffic Awareness, HIV Awareness Program, Decomposition Awareness Program, Beti Bacho Beti Padho, Awareness and prevalence of adulteration of milk, Go Green Initiative and Say No to Drugs.

Student Clubs and student chapters

Student Clubs play an important role in the overall development of the students. They provide enormous opportunities to student develop leadership and to participate in various activities beyond classroom setup and academic programme. Students' clubs enrich the experience of students, create a diverse community, encourage involvement, and provide opportunities for students to build valuable skills. It also helps the students to build good networks with academicians, scientists and industry experts. Thus, student clubs enhance the skills of the students and make them truly life-ready. The college has following student clubs and chapters to cater to technical needs of the students.

1. IEEE student chapter
2. Indian Society for Technical Education (ISTE) student chapter
3. Institution of Engineers (India) student chapter
4. Association for Computing Machinery (ACM) chapter
5. Institution of Electronics and Telecommunication Engineers (IETE) student chapter
6. Robotics club
7. Innovation club

DEPARTMENT OF LIBRARY

Date: 21-06-2017

Library User Award

To motivate the students to make the efficient use of the library and its services, the 'Library User Award' has been started from 2016-17. Two students are selected one from the UG and One from the PG, on the basis of the statistical data, accession of books, reading aptitude of the student, utilization of library resources, discipline and the review of the Library Advisory committee. Every year this Award conferred on the occasion of Annual Recognition Day.

Independence Day Celebration

It was a red letter day in the history of India when the country got her freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. People of the country celebrate this festival every year with great pomp and show. The main Programme is celebrated at the Red Fort in New Delhi.

Our College also celebrates this festival every year. For this year, we had made all the preparations. In the morning NCC cadets of our College marched out in a procession through the main streets of the College with a band playing the National Song (*Vande Matram*).

The following Activity such as:

- Welcome address
- Invocation song
- Lightening Lamp
- Address by chief Guest of Honor-Principal
- Pledge taking
- Vote of thanks
- Singing National Anthem Song

The Principal was the Chief Guest of the Programme. Dr.R.V Praveena Gowda,Principal Addressed the gathering . All the students and teachers taken Pledge and then Vote of thanks finally sang the National Anthem with nobody moved honoring it.

Oxford Run 2017, on Sunday, 17th Sept'17

Theme: Save Mother Earth: Run for Earth

The event was started with an NSS activity as a precursor to fulfil the theme of Oxford Run on Saturday 16th Sept'17 organised and implemented by Dept of Management studies as an initiative standing for the cause of building awareness among the youth towards Clean Earth. All the students of MBA took initiative to clean the Bommanahalli Subway as a NSS Activity on 16th September 2017 (prior to the Marathon Day) thus also contributed towards Swach Bharath Abhiyan. The Subway was used by the participants of Oxford Run 2017 as we were creating awareness to reduce traffic and safety on roads.

Oxford Run 2017 was held in The Oxford College of Engineering, Bommanahalli, Bangalore on 17th September 2017 under the guidance of Chairman Shri.S.N.V.L.Narasimharaju and well-wishes of the Oxford Group of Institutions.

The event was conducted by the MBA Department, under the guidance of Dr. James Thomas, Head of the Department, MBA. The credit for the success of the event was the whole hearted support of all HODs, the Principals of The Oxford group who had gone from class to class, and department to department to get the students registered for this event.

Oxford Run 2017- was a 5km run and a 10km turn around run from Oxford College Of Engineering Bommnahalli campus to Oxford College Of Science And Management H.S.R.Layout.

The Chief Guest of the Day was Mr. Sanjay Sahay, ADGP, Karnataka inaugurated the Event at 3.00 pm along with the Guest of Honour was Mr. Satish Reddy, MLA. Other Special Guests such as Mr.M.C Abbas, IPL Anchor, Mr.Vamsi Krishna, Choreographer DCruz, Prabhu Deva Studios, Mr.Richard, Film Director, Mr.Kishan Reddy, President, Anti-corruption Movement, Bangalore and Ms.Chandana Devaraj, Kannada movie actress. The event was also graced by all the Principals and HODs of all the department.

A special thanks to the DCP Mr.Abhishek Goyal , ACP Chowdappa for their exclusive support in giving traffic and route clearance for the Oxford Run. Heartfelt thanks to the Team - White Collar Events for the continuous support in promoting the event on social media, print and other Support for smooth functioning of the event. We appreciate the sponsors for their support through refreshments.

A special thanks to the Principal of TOSA for the continuous support and motivation. We would like to convey our thanks to the Principals of Science, Management, Arts & Law colleges of HSR campus, Dental College, Pharmacy & Nursing campuses for the support towards Registrations.

A special thanks the Management of Oxford Medical College for providing Medical support for the Oxford Run 2017.

Heartfelt thanks to the entire team of Oxford Run 2017(MBA faculty) has worked very hard for more than a month towards Promoting and getting Registrations from all Oxford Institutions, Corporate and other Institutions from in and around Bangalore.

Oxford Run 2017 , was a mid day run which began with a DJ Boyd Frank hosting the session followed by Zumba Dance by Swati Agarwal, Stand up Comedy by Mr.Praveen, National Mimicry

a mix of recent trendy music.

The Oxford Run was flagged off at 3.30P.M after a warm-up session conducted by members from 'The Art of Living Foundation, it included stretches to loosen up muscles and get fit for the run.

Participation for Oxford Run 2017 was from students across the colleges of Bangalore city and professional runners from various sectors with a total count of 1000+ participants ran the Oxford Run 2017. The run started from the Bommanahalli campus of Oxford College of Engineering and concluded the 5km run at Oxford College of Science and Management, H.S.R.Layout, Bangalore. The 10 km run concluded back at Oxford College of Engineering.

The event has ended with a closing ceremony at 5.30 p.m. with distribution of medals and certificates to the winners by the Special Guest Mr.Kishan Reddy, Anti-corruption movement and Ms.Chandana Devaraj, Kannada Film Actress. Mr.Kishan Reddy announced the Cash prizes for the Winners of both the categories of Male and Female in both 5K and 10 K run. As part of our theme student participants involved in cleaning up the campus premises by picking up the litters which was appreciated by all.

Report on Nationwide Competition to create Awareness about the legal rights of women

Program Coordinators:

Dr. Bala Koteswari

Prof. A. Sahana

Women Grievance Redressal Committee Coordinators

Department of Management Studies

With reference to circular received from VTU and NCW, Ref: VTU/BGM/Aca-OS/Govt./2017-18/5422 dated 25th Sept 2017 along with the copy of Govt. of Karnataka letter No. ED128 vividha 2017 dated 24th August 2017 and the letter from NCW Govt. of India dated 2nd August 2017, the Women's Grievance Redressal cell of the college organized a college level competition. In view of this, and seeking approval to conduct the competition, a e-mail was sent to NCW at jsncw-wcd@nic.in on 27th Sept 2017 and had received reply on 28th Sept 2017 from KL Sharma, Joint Secretary, National Commission for Women to go ahead conduct the competition.

A meeting was conducted with the Women Grievance Redressal Coordinators from all departments and a circular in view of this was sent to all departments of the college. 220 students (both boys and girls) registered to take up competition. The test was conducted on 11th November 2017 from 11:00 AM to 12:00 PM which constituted 50 Multiple Choice type questions (MCQ's). MCQ's were framed based on the topics specified in the notification by NCW in respect of provisions of the constitution and laws relating to women's rights and empowerment.

Further, the evaluation of the answer scripts was done by the faculty coordinators team and top 7 winners were identified.

| S.no | Name of the Student | Branch | Semester | Prize | Prize Amount |
|-------|---------------------|--------|-----------------|-------|--------------|
| 1 | | MBA | 3 rd | First | 2,000 |
| 2 | | ISE | 1 st | | 1,500 |
| 3 | | | | Third | 1,000 |
| 4 | | | | Third | 1,000 |
| 5 | | | | Third | 1,000 |
| 6 | | | | Third | 1,000 |
| 7 | | | | Third | 1,000 |
| Total | | | | | 8,500 |

Prize distribution event was organized on 15th Nov 2017 from 2:00 PM to 4:00 PM, 6th Floor Seminar Hall, where all participants gathered. The Chief Guest for the event was Ms. Seema, President and Founder Talaash Association, An NGO working against violence of women and children. She addressed the gathering on Legal Awareness of Human Rights. She explained

- United Nations Declaration Of Human Rights & Indian Constitutional Fundamental Rights
- Fundamental Rights Of Indian Citizen
- Right To Constitutional Remedies (Article 32)
- The Prohibition of Child Marriage Act, 2006
- Dowry Prohibition Act, 1961
- [Protection of Women from Domestic Violence Act 2005](#)
- Constitutional rights of married women
- Indian Divorce Act, 1969
- Maternity Benefit Act, 1961
- Medical Termination of Pregnancy Act, 1971

- Sexual Harassment at Workplace (Prevention of Women at, Prohibition and Redressal) Act, 2013
- Nirbhaya Case - Amendment in JJ Act 2015
- Indecent Representation of Women(Prevention) Act,1986
- National Commission for Women Act, 1990
- Equal Remuneration Act, 1976
- The Immoral Traffic (Prevention) Act, 1956
- Live in relationship – legal status
- Property rights
- Maintenance and Welfare of Parents and Senior Citizens Act, 2007

Ms. Seema, President and Founder Talaash Association, Chief Guest for the event, gave away the prizes to the winners. Each winner received Cash Prize, Memento and Certificate.

Principal Dr. R.V. Praveena Gowda and Vice-Principal Dr. R.J. Anandhi giving memento to the Chief Guest Ms. Seema

Feedback of participants:

1. Provided an opportunity to learn and be aware of legal rights of women
2. This awareness program will help in protecting oneself and others from violence and harassment
3. This gave the knowledge on protecting women against Dowry and Trafficking
4. The information given by the chief Guest Ms. Seema was very relevant and useful to address the needs of the society

Delighted greetings from The Oxford College of Engineering

With an aim of providing a centre for academic excellence and achievement, Children's Education Society (Regd) was established in the year 1974, headed by the visionary educationist, Founder Chairman Vidyashree S.Narasa Raju.

In its glorious journey of over four decades, the society has established under its wings more than 32 Educational Institutes in Bengaluru, from Pre-Nursery to Post-Graduate & Doctoral courses including Medical, Dental, Engineering, Management, paramedical, Life Sciences and Law. The Oxford College of Engineering is one of the most prestigious institutions in Bangalore that provides quality training in professional education in various streams of engineering, post graduate programme in Computer Applications (MCA) and in Business Administration (MBA).

The Oxford College of Engineering, is proud to announce a two day inter college technical festival IMPULSE 2k18 which is to be held on March 22nd and 23rd. The festival will be a high profile event which would attract students from colleges in and around Bangalore to compete on a big scale and showcase their talents. This will be the Fourth Edition of IMPULSE, the annual technical fest of the college. Last year, the event was attended by 3000 students and this year the festival is expected to be attended by 3200-4000 students.

This year we are proud to feature our prime event AUTO EXPO 2k18 during our technical fest. Participation of major automobile brands, showcasing their latest and greatest technology to aspiring students is the main outcome of this exhibition.

The success of the event depends on the generous support of our sponsors to help fulfil all our requirements and top level facilities for the event.

We invite you to participate and be associated with the IMPULSE 2k18.

Please find the details of events and sponsorship in the below pages.

Thanking You.

Yours Sincerely,

Dr. R. V. Praveena Gowda
 Principal

Report on IMPULSE'18

IMPULSE 2K18 was organized by The Oxford College of Engineering, Bangalore on the 22nd and 23rd March 2018. Previously, Impulse was an Annual TechFest being organized by CSE Department. With all the Departments coming together, Impulse'18 became the Technical Fest of The Oxford College of Engineering.

Impulse'18 had over 20 events with each Department organizing 2 events of their domain or choice. While the Design, Decoration, Coordination was taken care by Dept of CSE, Stage and Printing shared by CSE and ECE, Tshirt by AUE and CSE and Registration was taken care by the Department of Mathematics.

Impulse'18 saw great participation with more than 1100 Participants from 25 different colleges and 20% of these Registrations by students from outer Colleges like RVCE, DSCE, NHCE, DSIT, PESIT, iCAT College, TOCS, Vijaya College and many more.

In a first, this edition of impulse also had over 200 Registrations done through a dedicated Website and Mobile Application.

Impulse'18 also saw great support from NIIT E-City, CareerLauncher, Janatha Water Services, WinMicro Technologies, Seventh Sense Talent Solutions, WickedRide & MetroBikes as Sponsors. Viacom18 Media Networks (VH1India & MTV Beats) as Powered By Partners. All of which were brought by the Department of Computer Science & Engineering.

Day 1 of impulse Started with a digital welcome to our Chief Guest Dr. Shiva Kumar, Ex. Director, ISRO and Professor, Sarabhai Institute, Dr. Nagaraj, Director, The Oxford Institutions, Dr. R. V. Praveena Gowda, Principal, The Oxford College of Engineering, Dr. R J Anandhi, Vice Principal, Head of Department of CSE, TOCE. Post which each of these dignitaries shared their thoughts about our Technical Extravaganza and inspired students to learn while they compete.

Day 1 had a total of 9 events being hosted at different venues in the College, each concentrating on a creative aspect of Technology. Day 2 had over 11 events spread throughout the day.

Gaming emerged as the event with highest number of participation (100 Teams), followed by Treasure Hunt (70 Teams), PaperPlane (60 Participants), Unknow-IT (56Teams), Abhyudaya (48 Teams), Star of Impulse (46 Participants), Devil Segue (33 Teams) and Picturesque (30 Participants).

The Winners and Runners Up of each event were awarded with cash prize and Certificates at the Valedictory Ceremony, while Participants received participation certificates, and organizing team received a Letter of Appreciation for their support and involvement in making the fest successful.

EVENT REPORT

Event Name: "ABHYUDAYA"

Description:

"Abhyudaya" is a platform for the participants to showcase their knowledge, talent and love towards the respectful language "Kannada". The main purpose of this event is to make people understand history, culture, values and recent developments of the state "Karnataka".

The participants will be asked questions regarding various fields like art, literature, sports, music and many more. This will check the presence of mind and their level of knowledge about the state and the language.

Rules & Regulations:

- Each team consists of 2 members.
- Event consists of 5 rounds.
- Gadgets are not allowed.
- Judge's verdict will be final.

Rounds:

Kannada Rasaprashne (Prelims):

A question paper with 30 questions is given to the each team. The question were related to kannada language, literature, art and technical. 15 minutes time to answer the questions and top 10 teams were selected for further rounds.

1. Gaadegalu (Proverbs):

Each team is given a kannada proverb. The team has to find out a proverb similar to given proverb which gives the same meaning and has to explain the meaning. 30 seconds for finding the matching proverb and 1

minute for explanation is given for each team. Top 9 teams were selected for next round.

2. *TantrikaNighantu (quotes translation):*

Each team is given a technical quote or famous sayings by great personalities. The team has to convert the quote into kannada language. Top 8 teams were selected for next round.

3. *Chithra V Chithra (picture connections):*

Each team is given a set of images which corresponds to a person name. The team has to find the relation and logic between those images and should name the person. Top 7 teams were selected for further rounds.

4. *ChatpatChinakuruli (Rapid fire):*

Each team have to select a category in a set of 9 such as technical, sports, literature, grammar etc. A series of questions will be asked for the team on the category they have chosen. Time limit of 100 seconds is given. Top five teams were selected for Finale.

5. *Panchatantra:*

Each team will be given one clue, one cross-word, riddles and a bumper question. Using the clue they have to find out the place/person name and should talk about them for a minute. Later they have to solve the cross word, riddle and the bumper question. Winner team will be announced on their marks carried over in each round.

Judges:

1. Srinivasa A S

- Software Engineer at Netcracker Technologies.
- Director of NGO Knowledge hub.
- A lead panel member for technical discussions in Sudhi TV
- Enthusiatic Kannada poet and story writer.

2. Jeevan Shetty

- Software Engineer at Attrainfotech.
- Active member of NGO Knowledge hub, youth for parivarthan etc.
- Guinness world record holder for being a part in the largest electronic keyboard ensemble

DATE & TIMING: 23rd March 2018, 9.30AM to 1.00PM

Staff Coordinators

- 1) Narender H.S.
- 2) Sanyash.

STAR OF IMPULSE

REPORT

Impulse 2k18 was great a success. The department of CSE conducted the event Star of Impulse on 23rd March 2018. There were 46 registrations and around 37 students participated from various colleges in Bangalore. There were 3 rounds in the event namely enigma which is a puzzle round, wheel of fortune and finally stress round. In the second round 20 participants got selected by solving the puzzles. Participants had to spin the wheel of fortune and had to do respective tasks. 5 participants were selected to the stress round in which they were answering different questions given by the judge. At the end of the event we got 2 winners as star of impulse. We are thankful to our ex student Miss Fatima Barodawala who was the judge for the event. Audience were enjoying the programs and also encouraging our participants throughout the event.

We are grateful to our HOD CSE and all the teachers who supported us to make the event a grand success. And last but not the least we thank to all the beloved volunteers for the hard work of this event.

NCSEM 2018 Report

The Oxford College of Engineering, Bommanahalli, Hosur Road, Bangalore has organized National Conference on "Science, Engineering and Management- NCSEM 2018", on 24th and 25th of May 2018. The unique idea behind National Conference on Science, Engineering Management (NCSEM-18) is to provide a platform for Academicians, Scientists, Researchers and Industry professionals from around the country to network and exchange their innovative ideas, have scientific discussion on the latest advancements in the interlinked domains of Engineering, science and business. NCSEM-18 has addressed multiple topics and issues of interest in the multiple, integrated domains by practical exposure in the form of specialized sessions, poster presentations, plenary sessions and renowned lectures from the leading Research Institutes/ Industry experts addressing the upcoming challenges to be faced and their potential solutions.

Inaugural function of NCSEM started at 10:30am on 24th May 2018. Inauguration started with the Invocation song by Ms. Anusha. Principal welcomed the chief guest and other dignitaries. Lamp Lighting was done by Guests Dr. M.H. Kori, Suhas Shivanna, Prof. N. Sundararajan, Director Dr R. Nagaraj and Dr. R V Praveena Gowda, Principal, TOCE. NCSEM-2k18 Proceedings was released by Guests. A brief overview of NCSEM-2k18 was given by Convener Dr. M. S. Shashidhara, HOD-MCA.

Director, Dr. R. Nagaraj & Dr. R V Praveena Gowda, Principal addressed the gathering followed by key note speech by Guest of Honour: Prof. N. Sundararajan (Retd.), School of Computer Science & Engineering, Nanyang Technological University, Singapore. Followed by Chief Guest Dr. M.H. Kori, Technology Consultant, Retd. Technical Director, Alcatel-Lucent Technologies, Chairman IMAPS India, Former IETE Governing Council Member & Chairman IETE Bangalore Centre, IETE Distinguished Fellow. Mr. Suhas Shivanna a Distinguished Technologist in Hewlett Packard Enterprise has delivered the talk.

The Valedictory Function held on 25th May 2018 at 6th floor Seminar Hall at 4.30 PM included the overview of the two-day event by the Conveners of the conference Dr. M. S. Shashidhara, HOD-MCA & Dr. Manjunath B K, HOD-BT. It also included the prize distribution to the winners of the various sessions of the conference.

NCSEM-18 served as an excellent platform for the Academicians and researchers to showcase their research ideas. In the event around 654 papers were received and around 346 papers were presented across the departments in all the tracks. The participants got good feedback and exposure. Audience interacted with the researchers and enriched their knowledge. All Peer Reviewed Plagiarism exempted

82 Research Articles accepted for publication and have been successfully published in UGC approved IJCRT Journals. 346 Conference Papers and 138 Poster Presentations were published in NCSEM-18 Conference Proceedings with ISSN number.

NCSEM NATIONAL CONFERENCE

Science, Engineering & Management

24 - 25 May, 2018

ABOUT THE CONFERENCE

The Unique idea behind National Conference on Science, Engineering & Management (NCSEM-18) is to provide a platform for Academics, Scientists, Researchers & Industry Professionals from around the country to network & exchange their innovative ideas and to discuss on the latest advancements in the interlinked domains of Engineering, Science and Management.

CALL FOR PAPER

The conference aims at bringing together Researchers, Engineers & Academics for state of the art exchange of ideas, transfer of knowledge for interdisciplinary collaborations. NCSEM solicits papers across seven tracks as listed below.

TRACKS

Track-1: ME & Automobile
Track-2: CSE, ISE & MCA
Track-3: Biotechnology
Track-4: Basic Sciences
Track-5: Management
Track-6: Civil & CTM
Track-7: EEE, ECE & Mechatronics

PAPER SUBMISSION

Technical papers on the related areas are invited by email. Authors are required to send the original & unpublished research papers in IEEE format to ncsem@theoxford.edu. The technical paper must carry sufficient information & should contain Full title of the paper, Name of author(s), affiliation, Email ID and contact number, abstract, keywords, objectives, results, conclusion and reference of the work.

Last date for submission of paper: 30 May 2018
Intimation of Acceptance: 15 May 2018

All the accepted papers will be published in Conference Proceedings with ISSN: 2321-2241. Selected papers will be published in IJCRT Journal (www.ijcrt.org) a reputed UGC approved Journal ISSN: 2320-2882 / Impact factor: 5.97 as per their publishing policy.

POSTER SUBMISSION

Technical Posters related to the track themes can be submitted to ncsem@theoxford.edu in IEEE abstract format for poster presentation. Mention subject as Poster Presentation. All accepted abstracts will be presented at the poster sessions during the conference.

REGISTRATION DETAILS

| | | Poster Presentation | Conference Proceedings | Journal Publications |
|--------------|-----------------------------|---------------------|------------------------|----------------------|
| Authors | Faculty & Research Scholars | Rs.450/- | Rs.750/- | Rs.2000/- |
| | Students | Rs.350/- | Rs.700/- | Rs.1750/- |
| | Industry Delegates | Rs.1000/- | Rs.1500/- | Rs.2500/- |
| Participants | Faculty & Research Scholars | Rs.300/- | | |
| | Industry Delegates | Rs.750/- | | |

4.REPORT ON INTERNATIONAL YOGA DAY ON 21ST JUNE

| | |
|---------------------|---|
| Name of The Event | International Yoga Day |
| Month of event | 21 st June, 2018 |
| Venue | Brigade Komarla Apartments, Chikkalasandra, Bangalore & The Oxford College Of Engineering |
| Discussed Topic | To incorporate Yoga in our life style for better results at individual and organizational level. |
| Organized by | The Oxford College of Engineering in association with NSS unit |
| No. of Participants | 250 |
| Output | The main objective of this program is to create awareness among the students about YOGA, is the need of the day and with the initiative of AYUSH, Government of India it has gained momentum at College and School level to celebrate the International Yoga Day for a better society with better citizens. |

On the occasion of International Yoga Day on 21st June, The Oxford College of Engineering in association with Art of Living organized and conducted Yoga Session for the Residents of Brigade Komarla Apartments, Chikkalasandra, Bangalore with 10 faculty, 12 staff and 250 students. Ms. Khushpinder Kaur Sangha and Ms. Tejaswi Vobilliseti, yoga teachers from Art of Living had taken the session from 10:30 to 11:30 AM. Dr. R.V. Praveena Gowda, Principal, The Oxford College of Engineering welcomed the yoga trainers and addressed the gathering. He mentioned that YOGA is the need of the day and with the initiative of AYUSH, Government of India it has gained momentum at College and School level to celebrate the International Yoga Day for a better society with better citizens.

Highlights of the session include practicing the following:

- Breathing techniques
- Relaxation exercises
- Stretching
- yoga asanas
- Sri Sri Meditation

Benefits of the sessions for the faculty/Individual:

- Higher energy levels
- Improved concentration

- Increased blood circulation
- Strengthen immunity
- Optimum glandular activity
- Enhancement of lung and heart capacity
- Improved posture
- Improved digestion and elimination
- Attaining calmness and peaceful mind with refined focus and concentration

Benefits for the organization

- Decreased absenteeism and sickness leaves
- Positive attitude and outlook
- General well-being in the workplace
- Enhanced productivity and quality of work
- Lower stress levels
- Increased efficiency

The National Service Scheme (NSS) was organized a blood donation camp in the college premises on Saturday, 27th December 2017. Dr. Amaranath. K, Director Dr. Praveen gowda, Principal of our college, inaugurated the camp, on this occasion our Director and Principal congratulated the NSS coordinators and students volunteers for coming forward to organize this event. The blood donation drive was organized in collaboration with Rotary Club, Bangalore.. It began at around 10 am and continued up to 2.30 pm, with a steady stream of donors throughout.

Medical Team

In the college premises the arrangements were made for the donors like registration counter, beds, sanitations, counseling and medical check-up of potential donors. A team of doctors and nurses had reached in time. The donors were provided with glucose water and food including biscuits, a banana and a juice. It was great to see more people than pre-registration numbers turning up in the venue.

After that, the doctor from Rotary Club delivered the speech extolling those who had donated their blood. Blood donation is a divine act of giving life. NSS motivational act has encouraged many to join hands with us as donors. 320 students have participated and donated blood in this camp.

6.HIV AWARENESS PROGRAM

Date: 15.11.2017

The NSS unit of the institution is conducting a lot of extension activities in the neighborhood community during the last five years. Major Extension Activities at The Oxford College of Engineering, Bangalore

| | |
|---------------------|--|
| Name of The Event | HIV Awareness Program |
| Month of event | 15.11.2017 |
| Venue | Krupanidhi PU College Madiwala |
| Discussed Topic | HIV awareness |
| Organized by | The Oxford College of Engineering |
| No. of Participants | 250 |
| Output | Student coordinator explained the history of HIV as he began his session. He aimed at conveying the message of AIDS virus and the symptoms of the disease, and how to identify it. He shared some of his own examples while working with the HIV community and he also described the HIV patient's mood and physical behavior. He underlined the main cause of HIV transmission from one person to another said, "This is mainly due to the exchange of contaminated fluids from an infected person." He added, "The fluids carrying the virus may include; sexual fluids, blood or breast milk. Ways through which this can happen vary from person to person and time to time." He also explained in detail the prevention of HIV's spread and treatment at different stages. He advised the trainees 'to treat HIV patients with respect.' |

1. Summary

Institution encourages the participation of students in affairs of both academics and administration to provide quality education. In order to achieve this college has student councils at various levels. The council aims to imbibe and inculcate the Vision, Mission and Core values of the institution. Student council took part in various activities which help them to build the leadership qualities and enhance their communication skills. The activities organized by the student councils in association with the faculty members are as follows:

Celebration of national festivals like Independence Day and Republic day. Celebration of Mathru bhasha day, Sadbhavana Diwas, Vigilance awareness week, National Unity Day, Indian Constitution Day, etc. It also organized various co-curricular activities like Technical Fests-Impulse2K17, Impulse 2K18, Techmania and Ignus'19. Conferences NCSEM 2017, NCSEM 2018, NCSEM 2019, NCSEM 2020 and NCSEM 2021. Clean campus and outreach activities such as Swach Bharat Abhiyan, tree plantation, plastic free campus, awareness about COVID-19, Earth day celebration, Jal Shakthi Abhiyan, Beti Bachao Beti Padhao, Waste Management awareness, activities at orphanages and old age homes, road safety awareness, awareness about drug abuse, awareness about HIV, blood donation camp and water conservation campaign in association with NSS unit of the college. Health awareness programs like Yoga Day celebration, expert talk on Menstrual Hygiene, and awareness about the COVID-19. Cultural activities like Oxfordotsava and Milana every year. The student council also took part actively in organizing the sports activities in the campus at inter collegiate level and inter departmental level.

Report on student council activities

Student Council of TOCE is took part in all the aspects college from academics to extracurricular activities. The activities of the student council started with identifying the members of various students committee. A meeting was convened on 9.8.2018 to nominate the student committee members. These committees conducted the meeting on regular basis to understand the roles and responsibilities of the members and address any issues related to their committees. They also planned for the organization of events related to their respective committees.

Student council organized various co-curricular and extra-curricular activities during this academic year. They started this celebrating our independence on August 15th. They also conducted various Commemorative Days such as Teachers day, Kannada Rajyotsava, World AIDS Day, National youth day and Republic Day enthusiastically.

They also took part actively in conducting national level conference NCSEM-2k19, awareness about voter's registration, Technical Fest Ignus-19, Techmania-19 in the college campus. Students also involved in the organizing outreach activities during this academic year. Total of 9 outreach activities were conducted in and around Bengaluru.

Student council was successful in organizing the two main events of the college Sports Day and Cultural day Milana-19 for the academic year 2018-19. Students enjoyed in participating in all categories of sports and cultural events organized as part of the sports day and Milana-19. The programmes were grand success.

The Chief Guests Sri .Pydiram kottinti (International Para Athlete) inaugurated the events with our Director Dr . Amaranth and beloved principal Dr .R V Praveen Gowda .and all department HODs

Student Clubs and student chapters

Student club contribute towards the overall development of the student community and the growth of the institution. They provide enormous opportunities to student develop leadership and to participate in various activities beyond classroom setup and academic programme. Students' clubs enrich the experience of students, create a diverse community, encourage involvement, and provide opportunities for students to build valuable skills. It also helps the students to build good networks with academicians, scientists and industry experts. Thus, student clubs enhance the skills of the students and make them truly life-ready. The college has following student clubs and chapters to cater to technical needs of the students.

1. IEEE student chapter
2. Indian Society for Technical Education (ISTE) student chapter
3. Institution of Engineers (India) student chapter
4. Association for Computing Machinery (ACM) chapter
5. Institution of Electronics and Telecommunication Engineers (IETE) student chapter
6. Robotics club
7. Innovation club

DEPARTMENT OF LIBRARY

Date: 13-4-2018

Library User Award

To motivate the students to make the efficient use of the library and its services, the '**Library User Award**' has been started from 2016-17. Two students are selected one from the UG and One from the PG, on the basis of the statistical data, accession of books, reading aptitude of the student, utilization of library resources, discipline and the review of the Library Advisory committee. Every year this Award conferred on the occasion of Annual Recognition Day.

Teacher's day Celebration

We celebrate Teachers' day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher and one of the most well-known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

A celebration conducted at department wise by their students on 5th September 2018. The whole function was planned by Final year students with permission from HOD. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers. As per the Indian culture, we always start our work with prayer. The Event is organized in the afternoon session From 2:00 p.m to 4.00 p.m. All participated Faculty were appreciated by giving Pen as token of love. Then Students Volunteers did Dance performance for Faculty and followed by speech by Faculty member and finally sweet and snack distribution done.

Fresher's Party Event Report

"Fresher's Party" in any college is an event which every student eagerly awaits from their time of admission. The 27th of October 2018 was as a memorable day in the life of every fresher of MBABatch 2018 at THE OXFORD COLLEGE OF ENGINEERING Bommanahalli campus. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The dress code for the fresher's day was "dress your best".

The celebration started at sharp 9.00AM hour at the 6th Floor Seminar hall by our anchors with the warm welcome of all the dignitaries and the jury present in the function. This was followed by the Saraswati pooja and lamp lightening by the Dignitaries. Followed by this the welcome speech was given, and the fresher were formally welcomed into the TOCE Family, the jury and other guests of honors were also introduced.

Events started with solo singing performances by some of the best singers of second year. After this all the other participants of this great evening came up with their unique ramp walk in pairs. There were about 15 participants including 7 girls and 8 boys. They introduced themselves one by one in the allotted time which was 1 min per contestant. All of them were impressive in their own way.

Later on the Fun team lead by students took on the stage in their funny way of attracting the audience towards them and adding cherry to the pie. Also, both the anchors went up to the audience and asked them random question which any one would answer. All of them enjoyed a lot.

After this, all the 15 participants came up on the stage with their hidden talent and performed one by one. Second round of performances went on very well. Two dance teams performed

after this, which provided jury with sufficient time for deciding the results. The dance performance were very much exciting to watch.

After the dance performance, results were declared and out of 15 contestants, 8 of them including 4 boys and 4 girls were finally selected for the final question-answer round. The jury asked some mind twisting questions and some of them were able to tackle them very well. This question round took place twice. This was the final stage and after which all the 8 contestants were eagerly waiting to know the results.

Once the results were out, it was the stage of achievement for the contestants. The winners of Mr. and Ms. Fresher were, respectively. The other awards given were

All awards were given by the jury to the respective students, with the trophies to all, including sachets and gifts for Mr. and Mrs. Fresher along with the trophies.

Finally, the vote of thanks was given by Preethi.

The entire event was covered by the team with their excellent photography skills. Fresher committee 2018.

Kannada Rajyotsava Report

Kannada Rajyotsava is an auspicious occasion to remember our honourable and historical personalities of Karnataka and also to get connected to our roots and culture. By the divine blessings of our Founder Chairman Shri. S Narasa Raju Garu and with support and encouragement of Chairman, The Oxford College of Institutions, Shri. SNVL Narasimha Raju Garu, the OXFORD family was immensely happy and honoured to celebrate Kannada Rajyotsava. Kannada Rajyotsava was celebrated on 18.11.2018.

The event had eminent personalities as guests namely Dr. Gajanana Sharma, Retired Superintendent Engineer, Shri. Tejaswi Surya, LLB well known Speaker from Bengaluru. This mega event had activities like hoisting Karnataka flag with the "Naada Geethe" (State Anthem) after which Dr. Gajanana Sharma and Shri. Tejaswi Surya gave passionate speech, inspired the gathering and also encouraged the students to work towards building a brighter nation.

Cultural activities like dancing, singing, etc. were performed by the students from all the departments. Students actively participated in the event and the crowd cheered with lot of zeal and enthusiasm. DolluKunitha was performed in the afternoon with music and where the attractive attire of the troop and their high spirits filled the air with fun and frolic. Everyone danced to their hearts content to the tunes of "Thamate" and "DolluKunitha". The event highlighted on the significance of preserving the language "KANNADA" and emphasized the responsibility of Bengalurians in bringing the beauty and essence of the language back to its original status.

Oxford Engineering College, Bommanahalli had organized a fantastic Kannada Rajyotsava program yesterday. It was so much fun to be with all of them. We resolved to teach minimum of ten sentences of Kannada to all non Kannada speaking students.

#Kannada

REPORT ON

"Second Nation wide Competition for Women Students about Laws related to Constitutional and Legal Rights of Woman"

The Oxford College of Engineering has strong legal safeguards for Women Students. These thriving women safe guard network and bring value to every one associated with the College. To spread awareness and recognition of TOCE women brand to create opportunities and guiding the current Women Students.

We truly believe that the TOCE experience begins in campus, it was enjoyed for the rest of one's life. The **Legal Right of Woman** plays an important role in building long lasting relationships and creating awareness among the Women Student's.

TOCE Women Student's team contributes time, energy and expertise to help TOCE fraternity to develop and prosper. The TOCE Women Student's association aim was to facilitate lifelong learning through the exchange of ideas and knowledge. The desire to share knowledge and skills beyond the work place and family may very well stem from the many community and philanthropic activities. These activities were exposed to Women Students of the College.

A Second Nation wide Competition for Women students about Laws related to Constitutional and Legal Rights of Woman" was conducted on 27.12.2018. Around 200 Women Students were participated in the competition. It was presided over by the chief guest, Chairman, Director and principal pf the college. All the dignitaries addressed the gathering. It was very useful session especially for the women Students. Chairman of the TOCE followed by the chief guest, Director and Principal of the college honored the distinguished winners of the competition. Toppers were selected for prize as fallows.

| Sr No | Name of the Student | Particulars | Amount(Rs) |

OXFORDOTSAV 2K19

Face Painting Competition

An inter-departmental “Face Painting” competition for the college fest **OXFORDOTSAV 2K19** on Tuesday, the 5th March of 2019 by the Department of Biotechnology, TOCE.

The competition was based on the themes “Solar System” and “The Elements of Life”.

Judgement was made based on the relevance of the theme, presentation and the intricacy of the painting.

Among the winners, on the first position were team 1, Ms. Sneha and Ms. Sargam from the Dept. of ISE, TOCE who chose solar system; on the second position were Swajani & Ranjana, Dept. (CSE)

(12)

team 8, Ms. Swajani and Ms. Ranjana from the Dept. of CSE, TOCE who chose elements of life.

Groups from all the departments participated in the competition and showed their creativity using the face as their canvas.

The event had thirteen teams in total. Each group had two participants. They used fabric, poster, water and organic colours to paint the faces.

Dr. Manju Devi, the Head of the Department, ECE, TOCE and Dr. Surekha, the Head of the Department, Chemistry, TOCE judged the competition.

1. Dubsmash

Dubsmash is a video messaging application for IOS and Android .Using the application, users can choose an audio recording or sound bite from movies, shows, music, and internet trends and record a video of them dubbing over that piece of audio. Application is strict with its Privacy setting. If you set any video to your Profile Dub, then it will be visible to all. But if you have not saved it on your profile dub then no one can see your Dub smashes. Users, including, without limitation, by liking, viewing, sharing, commenting on, and/or creating memes for, other Users' User Content, and may in the future enable additional User interaction features such as direct messaging. We can change the setting of your profile dub where all your dub smashes are saved

In this event 6 teams have taken part from various departments of The Oxford college of Engineering and made it successful.

Congratulations to the Winners

Based On Judge Decision winners are finalized

Nail Art Competition

An inter-departmental "Nail Art" competition for the college fest OXFORDOTSAV 2K19 ~~was held~~ on Monday, the 8th of April, 2019 by the Department of Biotechnology, TOCE.

The competition was based on the themes "Nature" and "Halloween". Judgement was made based on the relevance of the theme, presentation and the intricacy of the painting.

Among the winners, on the first position were Ms. Saniya and Ms.Teena from the Architecture, TOSA who chose Halloween; on the second position were Ms.Brindhitha Ravi and Ms.Bhavana D G from the Dept. Of ECE, TOCE who chose Nature. *

Groups from all the departments participated in the competition and showed their creativity using the Nails as their canvas.

The event had Seven teams in total. Each group had two participants.

Mrs. Nikitha From the Department of ECE, TOCE and Mrs. Soumya From the dept of CSE, TOCE judged the competition.

DEPARTMENT OF MECHATRONICS ENGINEERING
"Report on Rangoli Competition "

On the occasion of college fest "OXFORDOTSAVA 2K19", so many cultural events will be organised in the college. In those events few are on-stage like singing, dancing etc. and others will be off-stage events like rangoli competition, cooking without fire, hairstyling etc.. As per the decision made by chief co-ordinators, the events are allotted to various departments.

The Department of Mechatronics Engineering organized Rangoli competition on 10th April 2019 at 10:30 am in the 1st floor of New building. The time period for the competition was 2 hrs. Our principal **Dr. R.V. Praveena Gowda** and Director **Dr. K Amarnath** was invited as chief guest. Mrs. Sandhya Rai and Mrs. Deepa of EEE dept., Prof. Jaykumar, HOD of MTE were the judges invited and HODs from all other departments are also invited to make the event successful.

The theme given for competition was "Festivals". A total of 10 teams participated in this competition.

A preliminary Rangoli test was earlier conducted in all departments and best 2 teams (2 members per team) are selected from each department and send to final round which was held on 10th april. The entire floor was decked with beautiful creative designs by the students. And certain rules was given for this Rangoli competition.

Rangoli prepared by team 1

Rangoli prepared by team 2

Rangoli prepared by team 3

Rangoli prepared by team 4

Rangoli prepared by team 5

Rangoli prepared by team 6

Rangoli prepared by team 8

Rangoli prepared by team 9

Rangoli prepared by team 10

CHIEF GUESTS AND JUDGES IN THE COMPETITION:

The winners for rangoli competition are:

1. Baruva Praveena and Manvi Pooja from Computer Science engineering
2. Two teams won second prize
 - (i) Brundha and Monica from Mechatronics Engineering
 - (ii) Chitra and Sushma C from Civil Engineering
3. Neethu and Nandini from Information Science Engineering.

DEPARTMENT OF MCA Organized Events on 25th & 26th March 2019

Venue: Room no: 617 Timings: 1:30 to 4.15 PM.

1. Dubsmash

Dubsmash is a video messaging application for IOS and Android .Using the application, users can choose an audio recording or sound bite from movies, shows, music, and internet trends and record a video of them dubbing over that piece of audio. Application is strict with its Privacy setting. If you set any video to your Profile Dub, then it will be visible to all. But if you have not saved it on your profile dub then no one can see your Dub smashes. Users, including, without limitation, by liking, viewing, sharing, commenting on, and/or creating memes for, other Users' User Content, and may in the future enable additional User interaction features such as direct messaging. We can change the setting of your profile dub where all your dub smashes are saved

In this event 6 teams have taken part from various departments of The Oxford college of Engineering and made it successful.

Congratulations to the Winners

Delighted greetings from The Oxford College of Engineering

The Children's Education Society has seen an immense growth of establishing more than 30 Institutions from primary level to Doctoral level including Management, Hospitality Medical, Para-medical, Science, Engineering and Dental. The Oxford College of Engineering has excelled in academic activities and also attained glory in extra-curricular activities and co-curricular activities. The quality of education is once again proved by receiving the accreditation by NBA for the second time. The Oxford College of Engineering is one of the eminent educational institutions in Bengaluru with a prolific legacy approved by AICTE, New Delhi, accredited by NAAC, New Delhi, and affiliated to VTU, Belgaum, Karnataka. TOCE provides quality training in professional education in ten streams of engineering, along with post graduate programmes in Computer Application and in Business Administration. The college also has 11 Master of Technology programmes under various disciplines of engineering.

It gives us immense pleasure to bring to your kind notice that The Oxford College of Engineering is hosting its rhythmic Inter-Collegiate State-Level technical fest "IGNUS'19" (Formerly IMPULSE) on 22nd March and 23rd March, 2019.

IGNUS'19 intends to be a platform for students from all colleges across Karnataka to exhibit and explore their skills and creativity. IGNUS'19 hosts a large number of events to cover a number of dimensions of creative technology and many more. In the previous edition of the Technical fest, there were 40 colleges with around 500 students who took part in the fest and showcased their talent.

We hereby request you for a magnificent sponsorship. We seek your patronage that will see us in a trusting relationship for years to come. We look forward to your benevolent contribution and support encouraging in our endeavours.

Please find the details of events and sponsorship in the below pages.

Thanking You.

Yours Sincerely,

Dr. R.V. Praveena Gowda

TECHNICAL FEST-2019

Summary of Terror hunt

Round 1- Solve it

In this round riddle was given to each team which were divided into 3 parts and hidden inside 3 balloons which were named after each team [T1,T2,...]. Time of 10 minutes was given to each team to collect the correct balloons which belongs to their team among other team balloons. After collecting the balloons, they were supposed to solve the riddle.

To collect the balloon 1 member of the team is allowed is to solve the riddle both the teammates wereinvolved. The team which solves the riddle, their time was noted down. Filtering was done based on the time taken by teams.

Round 2- Unlock the luck

The teams which were able to successfully pass the round 1 qualified to round2.

In this round a box which is locked, and keys were kept were kept at considerable distance. One team member should be near box, while the other team member was near key. The original key was mined with other fake keys. So that the contestants can only pick 1 key at a time and travel to the box and unlock it. After unlocking the box, inside it a puzzle was placed. The puzzle was based on company logos. To solve the puzzle both the team members were involved. Those who were able to solve the puzzle their time was noted. The best timing teams were qualified for round 3.

Round 3 – Decode it

Qualified participants of round 2, are given an algorithm to decode and find the next clue which would lead them to next place to find the further clues of the next round upto timely arrival and correct clue identification. These clues were placed around the campus with simple algorithms to decode and search from them. This included the two members of the team to work in co-ordination and not just look for the clue individually leading to disqualification. The **13 teams** upon fast arrival time with the right clues were selected for the next round with the rest being eliminated under these criteria.

Round 4 – Hit the barrels

CHILDREN'S EDUCATION SOCIETY (Regd.)

Ph: 080-61754601/602, Fax: 080 - 25730551

E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

This round is required the qualifiers to hit the barrels by looking for the clues i.e., the coordinators and requesting the hidden clues for the next round from them. They have given a description of coordinator members to identify them and a riddle to identify the where the coordinators where located in the campus building. Combined with these hints they were asked to get a barrel gun containing a key the next round clue as a part of this round. The 5 teams with the right clue identification, keys and timely arrival were given priority and rest eliminated.

Round 5 – Diffuse the Bomb

The 3 qualified teams, with the help of the last round clues being the key or password, had to diffuse the bomb, within a time limit. Username and password were the hints of this round. Once the bomb is diffused as per required, this round being the last round of terror hunt ends with the winning teams as per time regulations and fast approach limitations.

TECHNICAL FEST -2019

Summary of Kannadakagi Ondanu Otti

The event enhanced to find the team of two who had greater knowledge about Karnataka and the regional language Kannada, there were five rounds conducted and each round was a test for their skills in various aspects like grammar, identifying famous personalities, movies, teaching the language & fluency while speaking Kannada.

There were total of 31 teams participated for the event.

- The first round was the test for their knowledge regarding famous personalities, where in 30 pictures was displayed in 300 seconds ,10 seconds of gap between changing a picture, the participants were supposed to guess the name of the person in the picture displayed.

Elimination was done based on the number of right answers written by the participants, 7 teams got eliminated in the first round.
(remaining 24 teams)

- The second round was a test for their knowledge on Kannada film industry, here 5 videos, 7 audios and 10 picture riddles were shown and again the participants had to guess the right answer.

Elimination was done based on the number of right answers written by the participants, 8 teams got eliminated (remaining 16 teams).

- The third round was the test to understand and solve the questions given regarding Kannada grammar.

Elimination was done based on the number of right answers written by the participants, 8 teams got eliminated (remaining 8 teams).

REPORT ON STAR OF IGNUS

Star of Ignus was an 'icing on the cake' event of IGNUS 2K19 where different participants had to flaunt their skills and talents, by undergoing multiple rounds where all aspects of individual is tested and it was the best among all. There were about 37 registrations in total for the event and 30 among them showed up. The event was held in the 5th floor Seminar Hall of Architecture Block. The event started at exact 1:15pm after the Inauguration ceremony.

Students from MVJ College of Engineering enthusiastically took part in the event. In addition to them, students from various departments of our college also participated. Our coordinators from 4th, 6th and 8th semesters played a major role in organising each and every idea and task in addition to decorating the seminar hall.

There were 4 rounds held:

1st Round- Enigma: All the participants had to fuel their minds and crack the puzzles which were given to them. Everyone actively took part and tried their best to come up with solution and unfortunately 6 were eliminated.

2nd Round- Team Sport: The participants were divided into group of 3 each containing 6 members and each group had to compete with each other by playing DUMB-CHARADE, Pictionary and CHINESE WHISPER. Sadly, 4 were eliminated.

3rd Round- Wheel of Fortune: This was the most exciting round of all where contestants were made into pair and they had to compete with their partner by spinning the wheel and doing the task. The winner from each pair advanced to the final round.

4th Round- Stress Test: Participants were made to go through intense stress by our invited judges- **Mr. Sijo and Miss. Tejaswini** , where contestants had to speak for and against the given topic when countered continuously by our judges.

Star of Ignus was a successful event , where participants enjoyed to the core and did not experience any difficulties with any issues.

Report on IGNUS 2k19

INAUGURATION:

IGNUS 2K19 was organized by The Oxford College of Engineering, Bengaluru on the 22nd and 23rd March 2019. Previously, Impulse was an Annual TechFest being organized by CSE Department. With all the Departments coming together, Impulse'18 became the Technical Fest of The Oxford College of Engineering. This year IMPULSE'18 has metamorphosed into IGNUS 2k19. IGNUS 2K19 hosted 22 events to cover a number of dimensions of creative technology such as Poster Presentation, Star of IGNUS, Lip read your partner, Gaming, Pictionary, Kannadakkagiondhannuothi, Best out of E-waste, Retaliation-The surgical strike 3.0, Devil Segue, Hot wheels, Maya, Terror Hunt, Click and Run, Buzz-wire, Arcania, Mad libs theatre, Photography, Oxford Sherlock, Pubg, Beg Borrow Steal, Sustaineri, and Short Film Making.

Day 1 started with the Inauguration of IGNUS 2k19. The event started with paying our homage to our beloved founder chairman through a video that contained his endeavours. Then the legacy of IMPULSE Videocreared by Prajwal K.S and Prajwal Y of CSE department was played, which dates back to 2013 when the students of the Computer Science Department of The Oxford College of Engineering, came up with an idea to host an inter-collegiate Technical Carnival in our home campus with sole motivation from our dynamic leader Shri S. N. V. L. NarasimhaRajuGaru. Then the video comprising of moments of IMPULSE'18 and how, this year IMPULSE'18 has metamorphosed into IGNUS 2k19 was played, which caught the attention of the audience and received a loud applause. The event started with welcoming our beloved chairman and all the dignitaries on the dias. Dignitaries gave the beginning to the event by lighting the lamp. The hosts for the event Ms. Swetha from CSE and Ms. Karishma from EEE heartily welcomed all the guests, staffs and the audience.

The objective for IGNUS 2K19 was brought out by Dr. Bharath, Head of EEE. He expressed his gratitude for the management and well-wishers, who are the stimuli for successful events like IGNUS 2k19.

Dr. K Amarnath, Director, The Oxford Institutions and Dr. Praveena Gowda, Principal, TOCE, expressed their wishes to the participants for success and conveyed their appreciation for team IGNUS and Department of CSE & EEE for organizing the events systematically with innovative ideas.

The chief guest **Shri. M.V Subba Rao, Chairman-cum-managing Director** of Kudremukh Iron Ore Company Ltd, provided the students with unwavering support and shared their insights and thoughts on the event and also applauded the IGNUS 2k19 team for their enthusiasm and team work.

IGNUS 2K19 saw great participation with more than 750 Participants from 20 different colleges and 20% of these Registrations by students from outer Colleges like RVCE, DSCE,

Vemana IT, DSIT, MVJCE, Jain College, JNC, Vijaya College, KLEIT, Indian Academy, PMC, Hosur and many more. This edition of IGNUS also had over 300 Registrations done through a dedicated Website and On-Spot registration.

Altogether IGNUS 2k19 comprised of 22 events, which have been summarised below:

DAY 1: 22-03-2019

- **Kannadakkagiondhannuothi:** It was a fun filled event and had an objective of creating an awareness on importance of kannada language. This event was organized by ISE department. There were 31 teams in total where each team comprised of 2. Students from other colleges like Vijaya College and MVJ College also took part in the event.
- **Star of Ignus:** The main motto of this event was to familiarize students with facing the crowd and make them stress free and relaxed while facing an interview. The last round in this event was an exciting one in which the participants had to face a stress interview which was done by alumni's of our college. CSE department conducted this event and had a total registrations of 40. We saw active participation from students of MVJ College.
- **Lip read your partner:** An event filled with excitement where the quicker you react, the better are your chances of winning it. This event was organized by BT department and had 18 teams each having 2 participants. This event had 3 teams from MVJ College and one team from Vijaya College.
- **Pictionary:** It was a hilarious event organized by Mechanical Department. This is a charades-inspired word guessing game. The game is played with teams with players trying to identify specific words from their teammate's drawings. It had a total of 23 groups with each group having 2-3 participants.
- **Poster Presentation:** It was an event organized by Mechatronics department. 5 groups registered for the event and each group had 2 participants.
- **Best out of E-waste:** Recycling and making complex electronics into something new and useful was this event's main objective. This event was taken care of by MBA department. There were 5 teams with 2 participants each. Students from PMC College took part in this event.
- **Devil Segue:** This event was conducted and coordinated by EEE department. There were 25 teams registered with each team having 2 contestants. To get qualified, the participants had to impress the zombies with their eyes blindfolded. The tagline of the event said "BEAT THE DEVIL BEFORE IT BEATS YOU".
- **Retaliation-The surgical strike 3.0:** This event had the most registrations which had come up to 69 teams, 2 per team. This event was held as a tribute to CRPF soldiers. It helped the participants improve their problem solving capabilities.
- **Gaming:** Gaming was taken care of by CSE department with the total registrations of 30. Counter strike, FIFA, and NFS were the three gaming events. Counter strike was a team event with 5 per team. We had students from KLE College, DayanandSagaruniversity. It was a 2 day event.

- **Hot wheels:** Automobile department came up with this event. There were 5 teams each team having 2-4 participants each. The main attraction of this event was that all the properties used were made out of scratch.
- **Maya:** The tagline said-"REALITY IS MERELY AN ILLUSION". The event was organized by Architecture department and had a total registrations of 6.

DAY 2: 23-03-2019

- **Buzz-wire:** EEE department hosted this event and had 30 participants in total. This event invokes stability and concentration and also looked very appealing because of the decorations. Students from MVJ College also took part in this event.
- **Terror Hunt:** ISE Department conducted the Terror Hunt. There were 25 registrations for the event. It was a team event with each team having 2 participants. The first team to diffuse the bomb was declared as the winner. This event was organized as a tribute to CRPF soldiers.
- **Click and Run:** This event invoked unity among the contestants and promotes communication skills. MBA department organized this event and had a total of 20 teams. Each team comprised of 3-4 participants. Participants were also from PMC College, JNC College, Swami Vivekananda College, and RJSIMS College.
- **Photography:** The theme for photography was "FEELINGS AND EMOTIONS". The event was organized by MCA department which had a total of 13 registrations. Students from T-John College, Jain College and The Oxford College of arts and science took part in photography.
- **Arcania:** The event was all about checking the General Knowledge of the participant and was conducted by ECE department. 13 teams took part in the event and was a team event having two participants per team.
- **Oxford Sherlock:** Oxford Sherlock was organized by Civil/CTM department. 30 teams had registered for the event and each team had participants ranging from 3-4. It was a fun event.
- **Mad libs theatre:** 10 teams with each team having 2 participants were part of the event organized by Civil/CTM department. There were 2 teams from T-John College of Engineering.
- **Sustaineri:** This event was organised by Architecture department and aimed at propagating the message of "REDUCE, REUSE, REBUILD". This event had a total registration of 25.
- **Pubg:** This event was organized by MBA department and had a total of 36 participations. The students of T-john college, DayanandSagaruniversity, Vijaya College also took active part in this event. In this game, up to 100 player's parachute land onto an island and scavenge for weapons and equipment to kill others while avoiding getting killed themselves.
- **Beg Borrow Steal:** The game was to acquire or accomplish something by any means necessary or available. This exciting event was organized by Mechatronics

1.A REPORT ON HEALTH AWARENESS PROGRAM

ON 10TH OCTOBER, 2018

By

NSS UNIT, THE OXFORD COLLEGE OF ENGINEERING

| | |
|---------------------|--|
| Name of The Event | Health awareness Programme |
| Month of event | 10 th October, 2018 |
| Venue | The Oxford College of Arts, HSR Layout |
| Discussed Topic | Concept of problems related to eyes which includes – Reflective Error Blindness, Temporary Blindness, Cataract and Eye surgery problems. Blindness causes due to sunlight, mal-nutrition, poor diet, dust particles etc. |
| Organized by | The Oxford College of Engineering in association with NSS unit |
| No. of Participants | 199 |
| Output | The main objective of this program is to understand the measures to be taken to avoid eye problems followed by an interactive session with the experts. |

Date: 10/10/2018

Venue: The Oxford College of Arts, HSR Layout Bangalore

NSS unit of The Oxford College of Engineering, has conducted a Health awareness Program on 10/10/2018.

The resource person for the Program was Dr. M.Sudhakar, Primary Health Center, Doddakannahalli, The Programme started with the welcome address by the student coordinator. She briefly introduced the resource person for the day and the theme of the Programme, the mission and the vision. Total 199 students with 20 faculty members from various branches of Engineering college have attended with NSS coordinator.

3.REPORT ON WORLD AIDS DAY- AIDS AWARENESS PROGRAMME

IN RUPENA AGRAHARA VILLAGE

DATE: 1/12/2018

| | |
|---------------------|---|
| Name of The Event | WORLD's AIDS DAY |
| Month of event | 1 st December,2018 |
| Venue | Rupena Agrahara Village |
| Discussed Topic | AIDS AWARENESS programme |
| Organized by | NSS Unit ,The Oxford College of Engineering |
| No. of Participants | 204 |

National Service Scheme (NSS) of TOCE have organized AIDS AWARENESS programme on Role of youth in Prevention and awareness of AIDS on 1/12/2018 at college Premises with 204 students with NSS Coordinator and 5 Faculty members.

The rampant spread of the HIV/AIDS virus over the past 29 years has created the most significant global public health crisis in modern era. Acquired Immuno Deficiency Syndrome (AIDS) caused by Human Immuno-deficiency Virus (HIV) is posing a serious challenge to the conceptual foundations and the practice of development planning worldwide. Nearly half of the new HIV infections are occurring in young people¹. HIV/AIDS is retarding economic growth by destroying human capital by mainly affecting the young adults in the age group of 15–24 years who are in their most productive ages of life.

4. REPORT ON NATIONAL YOUTHS DAY

(SKILL INDIA)

DATE: 14/01/2019

NSS unit of The Oxford College of Engineering has organized a program on National youth day in college Premises. Swami Vivekananda birth anniversary falls on 12 Jan every year, which is also celebrated as National Youth Day by the National Service Scheme (NSS). On this day the NSS volunteers goes through orientation session of the organization as such along with remembering the Swami Vivekananda contribution to the world.

NSS volunteers along with other non members too celebrated 14 Jan 2019 as Orientation cum Remembrance Day. Starting the event Mr. Vishnu and Ms. Dhivya NSS student volunteers threw light on the life of Swami Vivekananda and a brief about the NSS activities.

Orientation cum Remembrance of Youth Day

Thereafter NSS Coordinator, given the details about NSS and its association with Swami Vivekananda. He said why Swamiji's birth anniversary is celebrated as national youth day, because Swami Vivekanandaji could achieve in just his youth, feats so great that no other till

today has accomplished. Swamiji was of the opinion that service to all other human being is greatest work automatically resulting in serving of the nation. That's why the day has been included in the NSS yearly calendar. NSS songs were sung by Students in rhythm with Mr. Chandan. This singing inculcated a feeling of belonging and patriotism.

The students were thereafter divided into groups and asked to watch a movie on the life of Swami Vivekananda. Students were told to keenly and minutely watch the scenes as they will have to perform tasks in groups based on the life of Swamiji.

Student celebrating Youth Day

The documentary was a short one of about 40 minutes and inspired every one. His thought of giving back the individuality of the nation so that it is again known to the world, drew applause from students. Those who watched the scenes were impressed with the way Swamiji addressed the World Religion Congress at Chicago. He was the first person who got a standing ovation after the end of his address. His thought of "Sacrifice yourself for benefit of others" and "My India rise to a level where every nation look up to it", filled everyone present there with nationalism and pride.

**9.AWARENESS PROGRAM FOR "YOGA AND MEDITATION FOR INCREASING CONCENTRATION
IN STUDIES"**

| | |
|---------------------|--|
| Name of The Event | Awareness Program for "Yoga and Meditation For Increasing Concentration In Studies" |
| Month of event | 5.03.2019 |
| Venue | Krupanidhi PUC College Madiwala |
| Discussed Topic | Creating awareness among the people about the benefits of yoga and meditation for increasing concentration |
| Organized by | NSS Unit, The Oxford College of Engineering |
| No. of Participants | 199 |
| Output | <p>One of Our Faculties(Mr. Channappa Gowda) had taught some postures to increase concentration level. He had explained that One of the better ways to improve the <u>ability to concentrate on studies</u> is through yoga. Because of the hyper-functionality of our mobile phones, students live a very sedentary life these days. Their studies and leisure revolve only around digital screens. This is where the multi-utility of yoga comes in. The asanas and techniques not only improve concentration power but also aid in building physical fitness.</p> <p>Following asans were taught:</p> <ol style="list-style-type: none"> 1. Salutation Seal (Yog Mudra) 'Salutation seal' is the easiest and most convenient one to do at the time of studies. ... 2. The Tree Pose (Vrikshasan) Vrikshasan. ... 3. Concentrate on a point (Tratak Kriya) Tratak Kriya. ... 4. The Hero Pose (Virasana) |

1. Summary

Institution encourages the participation of students in affairs of both academics and administration to provide quality education. In order to achieve this college has student councils at various levels. The council aims to imbibe and inculcate the Vision, Mission and Core values of the institution. Student council took part in various activities which help them to build the leadership qualities and enhance their communication skills. The activities organized by the student councils in association with the faculty members are as follows:

Celebration of national festivals like Independence Day and Republic day. Celebration of Mathru bhasha day, Sadbhavana Diwas, Vigilance awareness week, National Unity Day, Indian Constitution Day, etc. It also organized various co-curricular activities like Technical Fests-Impulse2K17, Impulse 2K18, Techmania and Ignus'19. Conferences NCSEM 2017, NCSEM 2018, NCSEM 2019, NCSEM 2020 and NCSEM 2021. Clean campus and outreach activities such as Swach Bharat Abhiyan, tree plantation, plastic free campus, awareness about COVID-19, Earth day celebration, Jal Shakthi Abhiyan, Beti Bachao Beti Padhao, Waste Management awareness, activities at orphanages and old age homes, road safety awareness, awareness about drug abuse, awareness about HIV, blood donation camp and water conservation campaign in association with NSS unit of the college. Health awareness programs like Yoga Day celebration, expert talk on Menstrual Hygiene, and awareness about the COVID-19. Cultural activities like Oxfordotsava and Milana every year. The student council also took part actively in organizing the sports activities in the campus at inter collegiate level and inter departmental level.

Report on student council activities

College has active student council. The members of the council actively participate in all the aspects college from academics to extracurricular activities. For the current academic year we started the council activities by nominating the student and faculty members for various students committee. A meeting was convened on 20.08.2020 at 2.00 pm in Principal's office to discuss about the framing of various student committees for academic year 2020-21 and to nominate the student coordinators for the student committees. These committees conducted the meeting on regular basis to understand the roles and responsibilities of the members and address any issues coming under their committees.

As a regular practice of the college, student council organized various co-curricular and extra-curricular activities during this academic year and provided a platform to build their overall personality.

This year we started the council activities by conducting induction program for 1st Year BE and B. Arch. Students from 9th August 2019 to 23rd August 2019. The college council commemorated 73rd Independence Day with pride and joy on 15th August 2019

We also remembered the achievements of Dr. Sarvepalli Radhakrishna and Sir. M. Vishveshwaraiah by organizing Teachers Day and Engineers day. We also commemorated National Unity Day, Indian Constitution Day, Kannada Rajyotsava, Mathru Bhasha Divas & Republic Day with enthusiasm.

In order to encourage the students to actively participate in the research development activities the college has organized NCSEM-2k20 on 15th & 16th July 2020. College student council also observed vigilance awareness week in the first week of November 2019. Students also involved in organizing outreach activities during this academic year. Total of 10 outreach programs were conducted in and around Bengaluru.

Student council was successful in organizing the two main events of the college Sports Day for the academic year 2019-20. Students enjoyed in participating in all categories of sports. The programme was a grand success.

Student Clubs are one of the key players in the overall development of the students. They provide enormous opportunities to student develop leadership and to participate in various activities beyond classroom setup and academic programme. Thus, student clubs at college level promote the shaping of skills of the students and make them truly life-ready. The college has following student clubs and chapters to cater to technical needs of the students.

1. IEEE student chapter
2. Indian Society for Technical Education (ISTE) student chapter
3. Institution of Electronics and Telecommunication Engineers (IETE) student chapter
4. IGBC - Indian Green building council
5. American Society of Civil Engineers
6. Computer Society of India (CSI) student chapter

DEPARTMENT OF LIBRARY

Date: 20-5-2019

Library User Award

To motivate the students to make the efficient use of the library and its services, the 'Library User Award' has been started from 2016-17. Two students are selected one from the UG and One from the PG, on the basis of the statistical data, accession of books, reading aptitude of the student, utilization of library resources, discipline and the review of the Library Advisory committee. Every year this Award conferred on the occasion of Annual Recognition Day.

REPORT ON

"INDUCTION PROGRAMM FOR THE BE & B-ARCH 1ST YEAR" FOR THE ACADEMIC (2019-2020)

1st Phase: 11 days during the beginning of First semester

The Oxford College of Engineering has conducted eleven days of induction program for the BE & B-Arch 1ST Year students from 09.08.2019 to 23.08.2019 followed by the inauguration. There were many activities conducted for the betterment of the students.

TOCE Faculty team contributes time, energy and expertise to help the students to develop and prosper their future career. The TOCE Student's Alumni Association also addressed the First Year Students and shared their experience and knowledge about the present industrial requirements.

On the inaugural day the Chief Guest, Chairman, Director and Principal of the college presided over the function. All the dignitaries addressed the gathering. It was very useful session especially for the First Year Students. Chairman of the TOCE followed by the Chief Guest, Director and Principal of the college honored the distinguished winners of the VTU sports person of College and the academic Toppers during the inauguration day in order to motivate the First Year Students.

The below mentioned topics were conducted by the expert resource person as per the scheduled time table. The plantation Drive program by MHRD was also conducted as part of "One Student, One Tree" under the "Hon'ble Primister's idea of a green and health environment". The academic and non-academic matters were also covered during the induction program.

Report on Independence Day Celebration

It was a red letter day in the history of India when the country got her freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. People of the country celebrate this festival every year with great pomp and show. The main Programme is celebrated at the Red Fort in New Delhi. Our College also celebrates this festival every year. For this year, we had made all the preparations for the grand celebration of the Independence Day.

The following Activity such as:

- Invocation song
- Flag Hoisting
- Singing National Anthem Song
- Address by chief Guest of Honor-Principal
- Pledge taking

The Principal Dr. A.S. Aravind was the Chief Guest of the Programme. Principal hoisted the flag and Addressed the gathering. All the students and teachers sang the National Anthem and taken the Pledge.

Kannada Rajyotsava Report

Kannada Rajyotsava is an auspicious occasion to remember our honorable and historical personalities of Karnataka and also to get connected to our roots and culture. By the divine blessings of our Founder Chairman Shri. S Narasa Raju Garu and with support and encouragement of Chairman, The Oxford College of Institutions, Shri. SNVL Narasimha Raju Garu , the OXFORD family was immensely happy and honoured to celebrate Kannada Rajyotsava. The Oxford College of Engineering, celebrated Kannada Rajyotsava Day on 27th November 2019. The Cultural event added color to the event where Mr Rahul Dito & M C Bijju, Rap singers took the spectators to another world with their mesmerizing performance by singing Kannada songs. The traditional essence of Kannadigas was everywhere.

The program started with the welcome speech from Dr. A S Aravind, Principal, TOCE. Later Principal & Dr. Amarnath K, Director, TOCE lighted the lamp with other dignitaries. Students of Engineering, MBA and MCA actively participated in the Program.

The Program highlighted on how the importance of Kannada Language is declining day by day in its own land and faces the threatening of extinction after few decades. Dr. Amarnath.K, Director, TOCE, in his speech emphasized that language is the life and soul for any culture. If the language loses its priority, it might result in the declining of that culture too.

Teacher's day Celebration

We celebrate Teachers' day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher and one of the most well-known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

A celebration conducted at department wise by their students on 5th September 2019. The whole function was planned by Final year students with permission from HOD. We decided that, the responsibility of teaching is taken up by the students as an appreciation for their teachers. As per the Indian culture, we always start our work with prayer. The Event is organized in the afternoon session From 2:00 p.m to 4.00 p.m. All participated Faculty were appreciated by giving Pen as token of love. Then Students Volunteers did Dance performance for Faculty and followed by speech by Faculty member and finally sweet and snack distribution done.

REPORT ON THE NATIONAL CONFERENCE NCSEM-2K20

The National conference on Science, Engineering, Management & Architecture - NCSEM-2K20 was organized on 15th and 16th July 2020 in association with ISTE & VTU, Belagavi. The technical support was provided by ISTE, CSI & IEEE chapters. The conference was conducted virtually in MS Teams and there were participants from all the departments of TOCE & TOSA.

The Virtual Online Conference NCSEM2k20 provided an excellent opportunity for the participants to interact through online sessions, read papers and enter discussions with other delegates. This Virtual online NCSEM-2k20 conference provided an opportunity to engage more people in new and meaningful ways, to build their community, to interact with eminent scientists, to explore new realm of online events and move on to a digital event platform.

The organizing chairs for the conference were Dr. B K Manjunath, Prof & HOD, Dept of Biotechnology, Dr. Preeta Sharan, Prof, Dept of ECE & Dr. Bharath V S, Prof & HoD, Dept of EEE. The conference coordinators were Mr. Dharamvir, Assoc. Prof, Dept of MCA & Mr. Jayaraj. N, Assoc. Prof, Dept of ECE.

Each department organized 2 webinars and all the eminent speakers were from international to national forum.

There was an appreciable participation from the student community as well as faculties for paper presentations. There were total of 285 registrations for the paper presentation, and the presentations were conducted department wise virtually in parallel sessions.

1.A REPORT ON 'PLANTATION DRIVE' (GREEN INDIA- CLEAN INDIA)

In Association with BrahmaKumaris Foundation, At Begur Road, Bangalore

By

NSS UNIT, THE OXFORD COLLEGE OF ENGINEERING

10th July, 2019

"One Student, One Tree"

FOR THE ACADEMIC (2019-2020)

NSS Unit of The Oxford College of Engineering had conducted plantation drive in Beguru Road as per the direction of Hon'ble HRD Minister Ramesh Pokriyal Nishank. This program was launched a new campaign **"One Student One Tree"** in line with the **Hon'ble Prime Minister Narendra Modi's** idea of a green and healthy environment.

The Awareness Program was conducted in association with **BrahmaKumaris Foundation** by Ms B K Megha Deep, who was the speaker for the same. There were 152 students participated with 5 Faculty members in this event. It was very informative Awareness session especially for the Students of our College. Director, Principal and the students were planted the saplings in our campus.

2. A REPORT ON PARTICIPATION IN 'CAUVERY CALLING'

AN ACTION ORIENTED CAMPAIGN TO REVIVE THE CAUVERY RIVER

LAUNCHED BY ISHA FOUNDATION

By

NSS UNIT, THE OXFORD COLLEGE OF ENGINEERING

08th September, 2019

'CAUVERY CALLING' - An action oriented campaign to revive the Cauvery river

Launched by ISHA Foundation

About Cauvery Calling Campaign:

An awareness rally for 'Cauvery Calling', an agroforestry initiative by the Isha Foundation, was launched here recently.

The rally was flagged off by Jaggi Vasudev, founder of the Isha Foundation.

The rally will cover 28 districts in both Tamil Nadu and Karnataka in the Cauvery basin, according to a press release.

The initiative aims to enable farmers to plant 242 crore sapling in the Cauvery basin in an attempt to increase the water levels of the river. The approach is economically lucrative to increase its acceptability in the farming community, according to the release.

Mr. Jaggi Vasudev will also lead a bike rally in September from Talacauvery in Karnataka to Tiruvarur in Tamil Nadu to garner support for the initiative.

Cauvery Calling is a first of its kind campaign, setting the standard for how India's rivers – the country's lifelines – can be revitalized. It will initiate the revitalization of Cauvery river and transform the lives of 84 million people.

Targeted Impact:

The simplest way to make Cauvery flow again is to plant trees. Cauvery Calling will support farmers to plant 242 crore trees in Cauvery basin by adopting agroforestry.

This will have the triple benefit of

- Improving soil health by replenishing organic content in the soil
- Reviving the river and groundwater levels by increasing water retention in Cauvery basin by an estimated 40%
- Augmenting farmer income through agroforestry, proven to increase farmers' incomes 300-800% in 5-7 years.

NSS unit of The Oxford College of Engineering along with 157 students and 14 faculties have participated in the Campaign on 8th September, 2019 at Tripura Vasini, Palace Grounds, Bangalore.

3.A REPORT ON PARTICIPATION IN 'WATER CONSERVATION CAMPAIGN-JAL SHAKTI ABHIYAN'DURING SWACHHATA PAKHWADA - 2019

(FROM:1ST SEPTEMBER, 2019 TO 15TH SEPTEMBER, 2019)

By

NSS UNIT, THE OXFORD COLLEGE OF ENGINEERING

11th September, 2019

ABOUT SWACHHATA PAKHWADA- 2019:

Inspired by the Hon'ble Prime Minister's impetus on Jal Sanchay, the Jal Shakti Abhiyan (JSA) is a time-bound, mission-mode water conservation campaign. The JSA will run in two Phases: Phase 1 from 1st July to 15th September 2019 for all States and Union Territories; and Phase 2 from 1st October to 30th November 2019 for States and UTs receiving the retreating monsoon (Andhra Pradesh, Karnataka, Puducherry and Tamil Nadu). During the campaign, officers, groundwater experts and scientists from the Government of India will work together with state and district officials in India's most water-stressed districts* for water conservation and water resource management by focusing on accelerated implementation of five target intervention. The JSA aims at making water conservation a Jan Andolan through asset creation and extensive communication.

NSS unit of The Oxford College of Engineering, Bangalore organised 1-day 'Swachhata Pakhwada' with the theme of 'Jal Shakti Abhiyan' in the campus on September 11th, 2019.

As part of the 'Jal Shakti Abhiyan', the college has formed a team of volunteers from department of Civil Engineering to study and monitor the status of the following water conservation activities:

- Water conservation
- Renovation of traditional and other water bodies/tanks
- Ensuring all water cycling plant is functional.

CHILDREN'S EDUCATION SOCIETY (Regd.)

Ph: 080-61754601/602, Fax: 080 - 25730551
E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

Also the team has organised awareness campaign on Water conservation, functioning of water cycling plant to first year engineering students in the campus.

Functioning of Sewage Treatment Plant

Water is the basic necessity of life used for many purposes. So, recycling water is necessary. Considering this in our mind, we have established a Sewage treatment plant in our college with the assistance of our faculty of civil engineering Department. The treated water is utilized properly for watering the plants throughout the campus and also for irrigation purposes.

Steps of sewage treatment process:

I. Preliminary treatment of wastewater:

The main objective of preliminary treatment is to remove gross solids (such as plastics, cloths, cans, dead body of animals etc), grits and fats from waste water.

Some of the treatment technique applied for preliminary treatment purpose are;

i. Screening:

Screening is used to remove gross solid waste like plastics, cloths, dead animals from waste water.

For this purpose waste water is passed through a metal screen which consists of vertical or inclined steel bars usually set 5 cm apart.

The removes gross solids are disposed by burning or composting.

II. Primary treatment of wastewater:

After removal of gross solids, grits and fats, next step in treatment is removal of remaining suspended solids as much as possible.

The main objective of primary treatment is to reduce strength of sewage by removing suspended materials.

Some common technique applied for primary treatment of sewage are:

i. Sedimentation:

Sedimentation tank is used for removal of suspended solids and some organic matters.

There are different types of sedimentation tank.

CHILDREN'S EDUCATION SOCIETY (Regd.)
THE OXFORD COLLEGE OF ENGINEERING
(Recognised by the Govt. of Karnataka, Affiliated to Visvesvaraya Technological University, Belagavi.
Approved by A.J.C.T.E. New Delhi.
Recognised by UGC Under Section 2(f)
Bommanahalli, Hosur Road, Bangalore - 560 068.
Ph: 080-61754601/602, Fax: 080 - 25730551
E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

Neutralization:

If sewage is highly acidic or basic, it is neutralized by adding base or acid to facilitate growth of microorganisms during secondary treatment process.

Common example is rectangular horizontal flow tank. In this tank sewage flow very slowly (1-2 feet/min) such that solids present in waste water settle at bottom.

Settled solids are periodically removed by sludge scraper.

This technique removes about 90% of suspended solids and about 40% of organic matters from sewage.

Secondary treatment of waste water:

In secondary treatment, dissolved or colloidal organic matters are present in sewage are removed by utilizing microorganisms. In this steps, microorganisms utilize organic matter and convert them into inorganic minerals.

Following changes occur in sewage during secondary treatment;

Organic matter (carbon) is oxidized into CO_2 and H_2O

Organic nitrogen compounds are first converted into NH_3 and then into NO_3

Colloidal matters are coagulated or precipitated out.

Thus main purpose of secondary treatment of sewage is to reduce BOD level.

Various techniques are used in secondary treatment of sewage. Some of them are;

Pressure sand Filter

These filters are the most popular method for removal of turbidity from water. The Pressure Sand Filter consists of a multiple layer of sand with a variety in size and specific gravity. These Filters are designed to remove turbidity and suspended particles present in the feed water with minimum pressure drop. These Filters are custom designed to suit the process requirement..

iii Tertiary treatment:

Disinfection with chlorine:

Chlorine is a very widely used disinfectant, as it satisfies the criteria of an ideal disinfectant. The most commonly used chlorine compounds are — chlorine gas (Cl_2), calcium hypochloride [$\text{Ca}(\text{COCl}_2)$], sodium hypochlorite (NaOCl) and chlorine dioxide (ClO_2).

CHILDREN'S EDUCATION SOCIETY (Regd.)
THE OXFORD COLLEGE OF ENGINEERING

(Recognised by the Govt. of Karnataka, Affiliated to Visvesvaraya Technological University, Belagavi.

Approved by A.J.C.T.E. New Delhi.

Recognised by UGC Under Section 2(f)

Bommanahalli, Hosur Road, Bangalore - 560 068.

Ph: 080-61754601/602, Fax: 080 - 25730551

E-mail: enggprincipal@theoxford.edu Web: www.theoxfordengg.org

The disinfection efficiency of chlorine depends on the number of microorganisms in the water being treated, pH and temperature.

Working Principle of Sewage Treatment Plant

1. The Sewage water (containing bathroom and kitchen waste) from entire college as well as the hostel buildings are received through the underground pipe lines.
2. It is passed through grid chamber, bar screen chamber and degreasing chamber. In the grid chamber heavy density materials like sand are removed. In the bar screen chamber floating material like leaves are separated. When the Sewage is passed through degreasing tank the floating greasy (Oily substances) materials are scrubbed away from the degreasing tank.
3. Then the Sewage is transferred to collection tank.
4. From the collection tank, Sewage is pumped to Bio reactor (Aeration tank). In the Bio reactor the Sewage is digested by aerobic bacteria using sewage as food materials.
5. The above treated water is passed through the sludge settling tank. From here the sludge is separated and passed to Sludge drying beds. After drying the sludge, it is used as natural organic manure for our gardening.
6. After removing the sludge, the water is collected in a separate collection tank.
7. This water is then pumped to sand filter and activated carbon filter. In the sand filter suspended particles are removed. In the carbon filter, any odour in the treated water is removed.
8. The filtered water is then collected in a sump. From this sump, the water is pumped to the entire college Gardens through over head tank

ONE DAY WORKSHOP / AWARENESS CAMPAIGN ON SEWAGE TREATMENT PLANT

BY Mr . Somashankar R

The workshop was on Sewage treatment plant by Mr. Somashekar R and Mr. Satish Kumar and has been conducted in the Department of civil engineering at 11 AM Bangalore on 20th, August, 2018-19. Total of 5 Faculty members and 175 students from Civil Department took participation in this workshop .They have addressed students on different steps involved in wastewater treatment and recycling of wastewater. Mr. Somashekar R explained about advance treatment techniques in brief to the students.

At the end they have addressed the students regarding the importance of Recycling of water and reusing of treated wastewater in civil engineers life.

12. REPORT ON WASTE MANAGEMENT AWARENESS PROGRAM

| | |
|---------------------|--|
| Name of The Event | Waste management awareness program |
| Month of event | 16.06.2019 |
| Venue | Garvebhavi Palya Village |
| Discussed Topic | Waste management awareness |
| Organized by | The Oxford College of Engineering |
| No. of Participants | 145 |
| Output | <p>Students were highlighting the importance of managing House hold waste effectively. Students awakened the people about the need of Reduce, Reuse and Recycle of waste.</p> <p>To Promote and Develop Sustainable and Professional Waste Management Worldwide and the transition to a Circular Economy</p> <p>We need Earth where no waste exists. Waste should be reused and reduced to a minimum, then collected, recycled and treated properly. Residual matter should be disposed of in a safely engineered way, ensuring a clean and healthy environment. All people on earth should have the right to enjoy an environment with clean air, water, seas and soils. To be able to achieve this, we need to work together. Our Students have explain about following factors</p> <p>Single Stream Recycling. Commercial Recycling. Organic and Food Waste Recovery. Multi-family Recycling. Away from Home and Special Event Recycling. Waste Awareness and 'How to Recycle' Communications.</p> <p>1. Measure your waste</p> <p>It is easier to manage and track your improvement on something that is measured. Start by recording the types and quantities of waste materials generated within your business.</p> <p>This could just be a quick visual assessment and estimation of amount and types of waste per week. As you change how you manage your waste, you can compare and see what difference your changes make to the amount of waste disposed to landfill.</p> |

E-mail: enggprincipal@theoxford.edu Web: www.theoxfordengg.org

2. Reduce

To reduce the amount of waste going to landfill, consider:
can waste be avoided or reduced by the way you procure goods and services or by changing your business operations?
does another local business have a use for the waste materials produced by your business?
what materials can be targeted for recycling?

3. Recycle

Find out what options are available locally for business recycling.

4. Collection services

It is a good idea to find out how levy fees will be managed by your waste service provider, and find out more about your waste collection services—how it impacts your ability to recycle and what options are available to you.

5. Separating waste

It's important to ensure that waste is correctly separated for recycling. Putting the wrong waste in contaminates the recycling. Check out the to help businesses communicate correct recycling and waste separation behaviours.

During the Covid -19 pandemic days 156 of Our College students and Professors also contributed as COVID Warrior in various part of Bangalore with help them to awareness of COVID and its bad effects . More or less like the various stages of the journey of coronavirus. Our corona warriors also expanded the various form of their services . They helped to Organization and individuals jumped into the fray and there was a fair bit of mixing and cross-fertilization of roles. Thus we have started supplying rations and medicines, delivering cash and essential commodities, we started awareness campaigns and gave other assistance to the affected persons.

1. Summary

Institution encourages the participation of students in affairs of both academics and administration to provide quality education. In order to achieve this college has student councils at various levels. The council aims to imbibe and inculcate the Vision, Mission and Core values of the institution. Student council took part in various activities which help them to build the leadership qualities and enhance their communication skills. The activities organized by the student councils in association with the faculty members are as follows:

Celebration of national festivals like Independence Day and Republic day. Celebration of Mathru bhasha day, Sadbhavana Diwas, Vigilance awareness week, National Unity Day, Indian Constitution Day, etc. It also organized various co-curricular activities like Technical Fests-Impulse2K17, Impulse 2K18, Techmania and Ignus'19. Conferences NCSEM 2017, NCSEM 2018, NCSEM 2019, NCSEM 2020 and NCSEM 2021. Clean campus and outreach activities such as Swach Bharat Abhiyan, tree plantation, plastic free campus, awareness about COVID-19, Earth day celebration, Jal Shakthi Abhiyan, Beti Bachao Beti Padhao, Waste Management awareness, activities at orphanages and old age homes, road safety awareness, awareness about drug abuse, awareness about HIV, blood donation camp and water conservation campaign in association with NSS unit of the college. Health awareness programs like Yoga Day celebration, expert talk on Menstrual Hygiene, and awareness about the COVID-19. Cultural activities like Oxfordotsava and Milana every year. The student council also took part actively in organizing the sports activities in the campus at inter collegiate level and inter departmental level.

Student Clubs and student chapters

Student Clubs are one of the key players in the overall development of the students. They provide enormous opportunities to student develop leadership and to participate in various activities beyond classroom setup and academic programme. Thus, student clubs at college level promote the shaping of skills of the students and make them truly life-ready. Students' clubs enrich the experience of students, create a diverse community, encourage involvement, and provide opportunities for students to build valuable skills. It also helps the students to build good networks with academicians, scientists and industry experts. The college has following student clubs and chapters to cater to technical needs of the students.

1. IEEE student chapter
2. Indian Society for Technical Education (ISTE) student chapter
3. Institution of Electronics and Telecommunication Engineers (IETE) student chapter
4. IGBC - Indian Green building council
5. American Society of Civil Engineers
6. Computer Society of India (CSI) student chapter

Report on student council activities

Student Council activities were affected by COVID pandemic for the academic year 2020-21. Even in the pandemic season student council participated in various activities. They helped in coordinating all the events related to academics and other co-curricular & Extra-curricular activities, as per the directives of teaching faculty. Student council took part in lot of academic administrative work by taking the help of other students. They also motivated other students to take part in the activities conducted by the Institute. They worked as a medium between faculty and students.

Student council participated in the following academic activities during this academic year. They coordinated in day to day academic activities at their level, communicating the information between students and Teaching faculty and conducting various co-curricular and extracurricular activities.

The following events were organized during this academic year in association with the student council. National festivals and Commemorative days such as – Independence Day, National Unity Day, International Literacy Day and Republic Day. They also helped to organize National Conference NCSEM-17 and various outreach activities like Waste Management Awareness Programme, COVID awareness programme, COVID-19 Vaccination Awareness Programme, Awareness Programme Boosting immunity through Balanced diet, World Earth Day -Plant a tree Initiative at Ramanagara Forest, Awareness program on Public hygiene -Zika virus, COVID & Dengue, Awareness program on Delta Plus Virus & Importance of Vaccination, Awareness program on Personal and Public hygiene, Covid-19 related guidelines for FIRE fighters, etc.

Teacher's day Celebration

We celebrate Teachers' day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher and one of the most well-known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

A celebration conducted at department wise by their students on 5th September 2020. The whole function was planned by Final year students with permission from HOD. Virtual Teachers day celebration done.

Kannada Rajyotsava Report

Kannada Rajyotsava is an auspicious occasion to remember our honourable and historical personalities of Karnataka and also to get connected to our roots and culture. November 1st, every year is a great day. After independence, there were more than 500 provinces in India ruled by rebellious kings and nawabs. Sardar Patel persuaded them to form state according to their native language. In that way, Kannada speaking people residing in area called Kannada Nadu or Mysore State which was only 9 or 10 districts then came to be formed. Later other areas were also added. Now 30 districts are there. In 1973, November 1st, Mysore was renamed to Karnataka. From the day onwards every November 1st Rajyotsava is celebrated. This is an official programme. In Bangalore, capital of the state, the celebration extends for the whole month. The Oxford College of Engineering celebrated this function on 28.11.2020 by the divine blessings of our Founder Chairman Shri. S Narasa Raju Garu and with support and encouragement of Chairman, The Oxford College of Institutions, Shri. SNVL Narasimha Raju Garu.

The activities happened during the programme were as follows:

1. Karnataka flag hoisting
2. Naada Geethe
3. Speech by Principal and Director
4. Sweet Distribution

The Event started with hoisting of Karnataka flag by Dr. G. T. Raju, Principal and Dr. Amaranth K, Director, The Oxford Group of Institution. Students rendered the "Naada Geethe" (State Anthem). Principal and Director gave a passionate speech about the contributions of various personalities towards the formation and development of the Karnataka State. They inspired the gathering and also encouraged the Faculty to work towards building a brighter nation.

Induction program

The objective of Induction program was to acclimatize the students to the new environment and get them acquainted with the institution culture. The induction program comprised of interesting activities like motivational movie screening and review, talent hunt, social sensitization through poster making, team building activities, expert lectures, and debate and campus orientation sessions. The rationale for induction was to ensure a smooth transition for the students into the university system. A total of students participated in this program which was conducted from 13th-18th December 2020. Faculty and student volunteers from across programs worked extensively to ensure that the induction was well organized virtually. The following activity happened on 17th December 2020

- Solo Dance
- Solo singing
- Yoga session

Dance performance by first year student

and show, across the length and breadth of India. The day, which is a national holiday, is dedicated to all those brave freedom fighters who fetched India her due respect and the much desired independence from the British rule. People in the country honor them, for sacrificing their lives for the freedom of their motherland. The day is celebrated by hoisting national flag, flying kites and organizing cultural activities in educational institutions. If you want to know all about the history of Independence Day, then go through the following lines.

Celebration of 74th Independence Day

August 15, the Independence Day of India, is celebrated with great gusto. It is also a national holiday, with educational institutions, private and government organizations remaining closed, but opened for official celebrations in the morning.

It is a time to contemplate what we have achieved by freedom and how we achieved it.

2.A REPORT ON SADBHAVANA DIWAS CELEBRATION

(COMMEMORATING 76TH BIRTH ANNIVERSARY OF FORMER PRIME MINISTER RAJIV GANDHI)

On 20th August, 2020

National Service Scheme

Sadbhavana Diwas is observed on 20 August every year to commemorate the birth anniversary of former Prime Minister Rajiv Gandhi. Tributes are pouring from everywhere on his birth anniversary.

It is celebrated every year on 20th August by the Congress in order to encourage the national integration, peace, national integrity, love, affection and communal harmony among the Indian people of all religions

Birth anniversary of former Prime Minister Rajiv Gandhi was celebrated as Sadbhavana Diwas on Thursday 20th August, 2020 by The Oxford college of Engineering, Bangalore to encourage the national integration, peace, national integrity, love, affection and communal harmony among the Indian people of all religions.

NSS committee of The Oxford College of Engineering arranged all religions prayers, took oath to serve all without any partiality.

3.A REPORT ON 3.NSS DAY CELEBRATIONS

By

NSS UNIT, THE OXFORD COLLEGE OF ENGINEERING

24th September, 2020

Unit of National Service Scheme (NSS), The Oxford college of Engineering, Bangalore has conducted NSS Day, Youth Festival on 24th September 2020 in virtual mode. The National Service Scheme (NSS) is a public service program conducted by the Ministry of Youth Affairs and Sports. Every year, NSS day is observed on September 24th across India.

All Worlds is now in pandemic situation due to the spread of deadly virus covid19. Due to this many of us around the world are stopped our regular activities and are saving our lives by staying in home. So to celebrate the 51st NSS Day, we the TOCE, NSS team came forward to conduct few events like Elocution & Debate through online by using Teams. Microsoft paltform and boost up the confidence in our volunteers. Students from MBA,MCA & Engineering departments of TOCE have participated.

Date of the Event: 24-09-2020

Venue: Online (Virtual mode) In view of the spread of Covid-19 pandemic,

No. of Participants: Students- 65, Faculty-24

EVENTS:

1. Elocution: In this we had given a topic "How National Service Scheme can help students framing their life?" to the participants and given time duration to speak about it. NSS Coordinator & Prof.Sahana, MBA department have's acted as judges and decided the winners.

Students participated in Online Elocution

2. Debate: In 3 rounds, picked up the toppers from each round and conducted final round for the participants. From the Final round we picked the winners from them. All the participants raised good points on the topic given and made the debate more and more interesting.

4. A REPORT ON NATIONAL UNITY DAY - RASHTRIYA EKTA DIWAS'

By

NSS UNIT, THE OXFORD COLLEGE OF ENGINEERING

4th November, 2020

National Unity Day – Rashtriya Ekta Diwas - is being observed across the country today, on the occasion of the 145th birth anniversary of the Iron Man of India, Sardar Vallabhbhai Patel. Since 2014, October 31st is observed as the National Unity Day and people from all walks of life participate in the 'Run For Unity'.

NSS unit of The Oxford College of Engineering observed Rashtriya Ekta Diwas on 4th November, 2020 in virtual mode. The event had participation in large numbers. Teachers took an oath to preserve the unity, integrity and security of the nation in the spirit of unification of the country.

5.A REPORT ON PARTICIPATION IN "JAN ANDOLAN CAMPAIGN ON COVID - 19"

**PUBLIC HEALTH RESPONSE TO COVID -19: CAMPAIGN FOR COVID – APPROPRIATE
BEHAVIOUR**

ON 13TH OCTOBER, 2020

BY NSS UNIT, THE OXFORD COLLEGE OF ENGINEERING

13th October, 2020

ABOUT JAN ANDOLAN CAMPAIGN

Our Honourable Prime Minister Shri Narendra Modi had launched a Jan Andolan Campaign on COVID – 19, by a tweet. The Jan Andolan Campaign is a Low cost, High Intensity Campaign driven by people's participation, for dissemination throughout the country using all media platforms. The campaign emphasizes on "Unlock with precautions" i.e., COVID – 19 Appropriate Behaviour in the new normal. The three key messages being highlighted are –

"Wear Mask

"Follow Physical Distancing"

"Maintain Social Hygiene"

The highlight of the campaign is the partnership and concerted effort of Central Government Ministries and Departments and the State Governments, along with their attached and subordinate offices, PSUs, private sector industry and business, etc., In this way, the campaign seeks to reach each and every citizen of India. In this regard, a circular was received from Government of India, Ministry of Information & Broadcasting, Shastri Bhawan, New Delhi.

6. 'CELEBRATION OF 71ST ANNIVERSARY OF "INDIAN CONSTITUTION DAY/ SAMVIDHAN DIVAS' & WATCHING THE LIVE STREAM FROM PARLIAMENT

ON 26TH NOVEMBER, 2020

By

NSS UNIT, THE OXFORD COLLEGE OF ENGINEERING

26th November, 2020

The existence and successful survival of "Democracy" in such diverse conditions is the most celebrated fact about our country and the constitution is its backbone. To reinforce the significance and importance of constitution the government of India declared the 26th of November as Constitution Day on 19 November 2015 by gazette notification in remembrance of the Father of Indian Constitution, Dr. B R Ambedkar.

The occasion was also celebrated on the premises of TOCE on 26th November, 2020 by NSS unit with all Teaching and Non-Teaching staff members.. It was marked by the conduct of a 'Special Assembly' in Board room of TOCE The celebration started with very apt words as the thought for the day "The flavor of tri-color should not be depicted only through our words but also through our actions."

Taking the pledge by Director, Principal, Principal-in-Charge & HODs.

8. REPORT ON "SAVE WATER AWARENESS PROGRAMME AT RAMA NAGARA" 17.07.2021

Water conservation includes all the policies, strategies and activities to sustainably manage the natural resource of fresh water, to protect the hydrosphere, and to meet the current and future human demand. Population, household size and growth and affluence all affect how much water is used. Factors such as climate change have increased pressures on natural water resources especially in manufacturing and agricultural irrigation. Many countries have already implemented policies aimed at water conservation, with much success. An outreach programme on "Save water Awareness Programme" was organized by 6th semester students of Department of CSE on 17th July 2021 at Kanakapura, Arkavati river Bridge Ramanagara.

The main aim of this awareness programme is to create awareness about the importance of Water Management to maximum number of people for proper management of water as it is important for Agricultural activities, building sustainable and liveable cities. The awareness programme successfully managed to engage the community and the students visited different places, residential of that area and heavily populated areas to educate people on importance of managing the water such as Rain water harvesting, closing the taps properly water using them, and not polluting the rivers and oceans.

The Water Management Program was so successful that it has turned to mega event. The locals appreciated the efforts of students to explain them about the importance of rain water harvesting, conservation of ground water and conserving water to the future generations. The activity was very much appreciated with benefited people.

"Save water, and it will save you." "A slogan on Water is a slogan on life.
"Nothing will be left here without water." "Don't flush our planet's most valuable resource. **Totally 125 students, 11 faculty members & 4 Non-Teaching Staff from TOCE** witnessed this great event.

**9.REPORT ON "COVID-19 VACCINATION AWARENESS PROGRAMME" ON
18TH JULY 2021 AT ANEKAL, BANGALORE -562106**

The banner is a blue rectangular poster with white and red text. At the top, it features logos for ARILA, Children's Education Society, and NIF. The main text reads: 'THE OXFORD COLLEGE OF ENGINEERING', 'Bommanahalli, Hosur Main Road, Bangalore - 560068', 'Department of CSE', 'in collaboration with', 'National Service Scheme (NSS) UNIT', 'TOCE', 'Organizing', 'COVID - 19 VACCINATION AWARENESS'. At the bottom, it lists the organizers: 'Dr R Ch A Naidu, HOD-CSE, TOCE, Bangalore - 68', 'Date : 18-07-2021, Venue : Anekal, Bangalore', and 'Dr. N. Kannan, Principal, TOCE, Bangalore - 68'. There are also small images of a vaccine bottle and a person wearing a mask.

Corona virus disease (COVID-19) is a deadly virus that continues to afflict many countries worldwide. The development of a COVID-19 vaccine to combat the disease's spread and devastating effects is still ongoing, and as the pandemic progresses, new, more effective vaccines are likely to be created.

An outreach programme on "Covid-19 Vaccination Awareness Programme" was organized by 6th semester students of Department of CSE on 18th July 2021 at Anekal Bangalore. The main aim of this awareness programme is to create awareness of Vaccination to maximum number of people to stay safe from the transmission and spread of corona virus (COVID-19). The awareness programme successfully managed to engage the community and the students visited different places, construction workers quarters and heavily populated areas to educate people on important public health measures such as wearing masks at all times, maintaining physical distancing whenever possible, and keeping hands sanitizing. The Vaccination awareness Program awareness programme was so successful that it has turned to mega event. The locals appreciated the efforts of students to explain them about need of Vaccination is very important to avoid 3rd wave of COVID-19. The activity was very much appreciated with benefited people.

After adjusting for the potential confounding, multi variable logistic regression analysis with backward conditional method indicated that educational level, place of residence, and communication media (mass media) were significantly associated with awareness towards

10. REPORT ON CARDIAC ARREST AWARENESS PROGRAMME ON 18.07.2021

Cardiac Arrest is a sudden loss of blood flow resulting from the failure of the heart to pump effectively. Without prompt intervention, it can result in the person's death. Signs include loss of consciousness and abnormal or absent breathing. Some may even experience chest pain, shortness of breath or nausea immediately before entering cardiac arrest.

First Aid Procedure For Cardiac Arrest includes:

- Immediately call the helpline number 108 and confirm an ambulance.
- Perform Cardiopulmonary resuscitation (CPR).
- After CPR take the person to the nearest hospital once the ambulance.

Cardiopulmonary resuscitation (CPR):

Cardiopulmonary resuscitation (CPR) is an emergency procedure that combines chest compressions often with artificial ventilation in an effort to manually preserve intact brain function until further measures are taken to restore spontaneous blood circulation and breathing in a person who is in cardiac arrest.

Steps in Cardiopulmonary resuscitation (CPR):

CHILDREN'S EDUCATION SOCIETY (Regd.)
THE OXFORD COLLEGE OF ENGINEERING

E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

- Ensuring that scene is safe i.e., the place is good to perform CPR.
- Checking that whether the person is responding to touch and sound stimuli.
- Check for a pulse around the neck for less than 10 seconds or atleast for 5 seconds.
- If there is no pulse then we need to start compression.
- To do compression, place the heel of the palm in the middle of the chest in lower half of the breast bone. Later, we need to press hard and fast at the rate of 100-120 beats per minute at least to a depth of 5cm so that we can allow the chest to recoil.
- We need to give about 30 compressions followed by 2 breaths i.e., at a ratio of 30:2.
- If the person under cardiac arrest is known or relative, close the nose and can place a piece of paper on the mouth of the person and give them 2 breaths through mouth.
Note: Give mouth to mouth breath only if the person is close relative or known since it is unsafe now due to Corona Virus outspread.
- The ratio of 30 compressions and 2 breaths must be performed for 5 cycles.
- Once the 5 cycles is completed do a pulse check again.
- If there is no sign of pulse we need to perform compressions again. Suppose if we find pulse, turn the person over the left lateral position i.e., the recovery position.
- Finally, take the person to nearby hospital for further treatment and medication.

An outreach programme on "First Aid Procedure for Cardiac Arrest" was organized by 6th Semester students of Department Of Computer Science and Engineering on 18th July 2021 at S.Medahalli, Bangalore. The main aim of this programme was to educate people about the difference between Heart attack and Cardiac Arrest, brief the immediate the action they need to do when any of these happens and most importantly teach them the immediate first aid process that one must do when any person is a victim of Cardiac Arrest. Through this programme we were successful to explain the steps of Cardiopulmonary resuscitation (CPR) to the people of S.Medahalli. Through this awareness programme we showed the people each steps of Cardiopulmonary resuscitation (CPR) clearly through a live demo that we classmates organized so that the people could get clear on the first aid procedure that must be followed on Cardiac Arrest. We students tried to reach as much as people possible so that we deliver the life saving technique as much as possible through this outreach programme. The best point of this programme was the locals appreciated us and thanked us for providing this important knowledge. The place of residence, communication media and education level were significantly associated from this programme.

11.REPORT ON "AWARENESS OF AIR POLLUTION"

On 20th July, 2021, the students of The Oxford College of Engineering, Department of Information Science and Engineering organized an event to create awareness about the rampant air pollution in our city and country. The aim of this event was to create awareness regarding the effects of air pollution on the environment, our health, the health of flora and fauna around us and how it is linked to climate change and global warming.

This event was held in several locations around Bommanahalli. We spoke to people regarding how the smoke and dust filled air was affecting their lives and the health of their family. Arun, a 45-year-old resident of Bengaluru told us how he was facing problems with his breathing and had to be very careful about particulate matter around him. Another woman Fathima, told us about how the marble and granite factories around her home has caused sever problems for her 3-year-old son. We spoke to drivers stood at the signal without turning their engines off. They were told to turn off their engines while waiting for a signal to turn green. We encouraged people to purchase electric vehicles when they were planning to upgrade. This received a very positive response considering the rising prices of fuel.

Our next stop was at a petrol station. We spoke to the manager regarding the steps their company was taking to actively reduce emissions. He told us about their Go Green initiative wherein they had developed a special type of fuel that increases mileage of vehicle and reduces emissions. We also went to an auto stop to educate the auto drivers about the importance of regularly servicing their autos to increase performance and thereby reduce unnecessary emission from their vehicles. We also promoted the use of electric autos as they are more economical in the long run. Among the people who are affected adversely by air pollution are the traffic police of our city. They are exposed to vehicle emissions for a prolonged period which can cause health issues in the long run. When we spoke to them, they told us about how they make use of masks to reduce the effect of the pollution that they are continuously exposed to.

Totally 90 students, 15 faculty members & 5 Non-Teaching Staff from TOCE witnessed this great event.

12. REPORT ON "AWARENESS OF WEARING MASK"

With the ongoing pandemic of COVID-19, wearing a mask, especially when in close proximity to others or in any public places is imperative to slowing the spread of this disease. Hence, the **Department of Information Science and Engineering of The Oxford College of Engineering** in collaboration with **NSS [National Service Scheme]** organized an event on the **Awareness Of Wearing Mask** on 22nd July, 2021. The ongoing pandemic and arrival of its new variants makes it a need of hour to highlight the necessity of wearing mask, not just for one's own safety but also for the others. The event was held in several locations around Roopena Agrahara and Central Silk-Board.

The main purpose of this event was to encourage and educate people to wear mask. We created awareness about the basic measures that need to be followed to keep the novel Corona virus at bay. We came across people who were not wearing masks, some wearing masks incorrectly and some using hand-kerchiefs instead; we distributed masks to them and educated them about the importance of wearing masks to prevent the further spread of COVID-19 and also many other respiratory problems.

At Roopena Agrahara bus stop, we found most street vendors transacting their business without wearing masks. We distributed masks to all of them and informed them - "The main benefit of wearing a mask is that it prevents them from getting ill or infected by COVID-19 and therefore, helps them keep their business running and also to be healthy. Specifically, it helps prevent the development of any illnesses that could affect your airways, which in turn could reduce the quality and length of your life."

As schools and colleges are currently closed, many children are out on the streets with their friends. We found many children who did not know the importance of wearing mask properly. We taught them how to wear their masks properly, told them about drinking hot water, maintaining social distancing, washing hands regularly and so on.

From this event we came to know that people who were wearing mask regularly in their everyday life perceived greater warmth towards others who also wear a mask than who do not. This indicates that the people who adhere to the social contract of wearing a mask tend to socially reward each other.

The government alone cannot curb the spread of the pandemic without the active support and participation of the people. Today's drive is a part of our sustained campaign of spreading awareness among the people about wearing mask and also on the precautions to be taken against the pandemic.

13. REPORT ON SAPLING TRESS

On the 24th of July, 2021 the students of department of ISE, TOCE along with the cooperation of their teachers, organized a sapling plantation drive at the Bilekahalli Park in Vijaya Bank Layout. What was once called the Garden City of India has turned into a concrete jungle with large commercial buildings and apartment complexes taking place of lush green gardens and nature. Trees are cut down and lakes are encroached upon to make space for the ever-growing metropolitan city.

The only saving grace for our city is whatever we have remaining of our gardens and parks. These parks are being maintained by the civic body and we decided to donate a couple saplings to one of them.

We approached the caretakers of the park and they were kind enough to help us students understand how and where the saplings were to be planted. They lent a helping hand while we were planting the saplings and let us know that the saplings would be taken care of properly.

They also encouraged us to plant whatever we can near our homes and make small terrace gardens. They explained that it was quite simple to maintain a small garden and we could grow fruiting plants like tomato, chili, herbs etc. and live sustainably. Saplings of Ashoka tree and Indian-almond could be planted alongside the roads as they require little care, grow fairly quickly and can survive harsh conditions.

Pictures of the sapling plantation drive have been attached below.

Totally 76 students, 15 faculty members & 4 Non-Teaching Staff from TOCE witnessed this great event.

14.REPORT ON "AWARENESS ON NUTRITIOUS FOODS"

On 27th July, 2021, the students of The Oxford College of Engineering, Department of Information Science and Engineering in association with NSS Unit, organized an event to create "Awareness on Nutritious Foods" in our city. The aim of this event was to create awareness about eating plenty of vegetables and fruits. They are important sources of vitamins, minerals, dietary fibre, plant protein and antioxidants. People with diets rich in vegetables and fruit have a significantly lower risk of obesity, heart disease, stroke, diabetes and certain types of cancer.

This event was held in several locations around Mangammanapalya. We spoke to people regarding consuming nutritious food and provided them healthy fruits and encouraged them to eat nutritious food. We spoke to a street vendor and told her about the need to have nutritious food in their diet. Adequate and proper nutrition is an important aspect of a healthy lifestyle which is essential to promote an awareness of the nutrients contained in foods in relation to their roles in body maintenance, growth, reproduction, health, and disease prevention in humans.

We then spoke to flower seller who was around the age of 60 years, created awareness about the importance to have nutritious food regularly. Fruits and vegetables contain important vitamins, minerals and plant chemicals. They also contain fibre. There are many varieties of fruit and vegetables available and many ways to prepare, cook and serve them. A diet high in fruit and vegetables can help protect you against cancer, diabetes and heart disease.

We also went to a Pourakarmika and traffic police and explained them about the advantages of a diet with nutritious food. Vegetables and fruit are a handy snack food and are easily carried to work or school. Include them in everyone's meals and snacks for a healthy, well-balanced diet. Some suggestions include:

- Keep snack-size fruit and vegetable portions easily accessible in your fridge.
- Keep fresh fruit on the bench or table.
- Add fruit and vegetables to your favourite family recipes or as additions to your usual menus.
- Use the colour and texture of a variety of fruit and vegetables to add interest to your meals.
- Think up new ways to serve fruits and vegetables

Existing data suggests that despite the protective effects of fruits and vegetables, their intakes are still inadequate in many countries, especially developing ones. Consequently enhancing strategies to promote fruit and vegetable intake are essential for health promotion among population. A number of reviews confirm that a well planned and behavior focused nutrition education intervention can significantly improve behavior and health indicators.

Despite challenges in nutrition education intervention programs, they are considered as a good investment in terms of cost benefit ratio. Rapid improvement in trends of nutrition education can be seen in many countries and majority of interventions has been successful in increasing fruits and vegetables intake. It is recommended that health professionals use multiple interventions to deliver information in several smaller doses over time to ensure improved outcomes.

15.REPORT ON "AWARENESS PROGRAMME ON COVID-19 PANDEMIC" ON 17TH APRIL, 2021
AT CARMELRAM, MULLUR VILLAGE AND BOMMASANDRA VILLAGE

An outreach programme on "Awareness Programme on Covid -19 Pandemic" was organized by 6th semester students of Department of Biotechnology in association with NSS UNIT on 17th April at Carmelram, Mullur Village and Bommasandra Village. The main aim of this awareness programme is to create awareness to maximum number of people to stay safe from the transmission and spread of corona virus (COVID-19). The awareness programme successfully managed to engage the community and the students visited public places, construction workers quarters and heavily populated areas to educate people on important public health measures such as wearing masks at all times, maintaining physical distancing whenever possible, and keeping hands clean by washing them with soap and water for no less than 30 seconds or sanitizing hands. The awareness programme was so successful that it has turned to mega event. The locals appreciated the efforts of students to explain them about different types of food to boost their immunity and the activity was very much appreciated.

16.REPORT ON "COVID-19 VACCINATION AWARENESS PROGRAMME" ON 17TH APRIL AT BOMMASANDRA VILLAGE"

An outreach programme on "Covid-19 Vaccination Awareness programme" was organized by 6th semester students of Department of Biotechnology on 17th April at Bommasandra Village. The goal of the " Covid-19 Vaccination Awareness programme" is to increase motivation to get a COVID-19 vaccine by delivering effective, tailored messages targeted to segments of the population that have higher levels of vaccine hesitancy. Good communications about the vaccines can help overcome hesitancy and promote acceptance. In this regard Covid-19 vaccination awareness programme was organized to raise awareness and debunk the myths related to vaccinations among the local people of Bommasandra village. The locals appreciated the efforts of student to explain them about the vaccination and the activity was very much appreciated.

17. REPORT ON "AWARENESS PROGRAMME BOOSTING IMMUNITY THROUGH BALANCED DIET" ON 17TH APRIL AT KANAKAPURA VILLAGE

An outreach programme on "Awareness Programme on Boosting immunity through Balanced diet" was organized by 6th semester students of Department of Biotechnology in association with NSS UNIT on 17th April at Kanakapura Village. The stark rise in the cases of novel coronavirus (COVID-19) across the world and now in India has raised numerous doubts among people. Questions like whether or not a nutritious diet can prevent an individual from contracting the infectious disease are doing the rounds. The World Health Organization (WHO) has announced dietary guidelines during the COVID-19 outbreak stressing the importance of a balanced diet to maintain a strong immune system and to avoid or minimize chronic diseases and infections. Basic hygienic practices, proper dietary and lifestyle behaviors are also essential for prevention and treatment of respiratory viral diseases, such as COVID-19. During this COVID-19 pandemic, almost all countries were either on lockdown or maintaining social distancing. This has several implications on food habits both individually and globally. There are several attributable factors to the food insecurity and inability to achieve balanced diets during this COVID-19 pandemic. For a viral disease like COVID-19, where no pharmacological strategies for prevention or treatment are presently available and where the exact time of the ending of the alarming situation is unknown, There is need to explore nutritional strategies for enhancing Immunity. In this regard an outreach programme was organized to create awareness among the locals of Kanakapura Village about the daily foods and fruits and about the food habits they have to follow to boost their immunity to fight against Covid-19. The locals appreciated the efforts of students to explain them about different types of food to boost their immunity and the activity was very much appreciated.

**18.REPORT ON OUTREACH PROGRAMME- WORLD EARTH DAY -PLANT A TREE INITIATIVE ON
22ND APRIL AT RAMNAGARA FOREST RESERVE**

An outreach programme on "World Earth Day -Plant a tree Initiative" on the occasion of world earth day was organized by 6th semester students of Department of Biotechnology on 22nd April at Ramnagara Forest reserve. **Plants are the most important in our life.** They, directly or indirectly, provide us life. We get oxygen, food, shelter from them and they are the major source of rain in our environment. Most people depend on plant economically to survive. **But the reckless deforestation due to urbanization and industrialization is the major source of pollution all over the world.** Several new diseases have been originated due to the increased pollution. For the solution of destructive problem and to promote plantation, and to create awareness among the locals the Department of Biotechnology has organized Plant a tree initiative in the Ramnagara forest reserve. Under the program, **trees have been planted** in the foothill of Ramnagara forest reserve. A positive effect of the Plant a tree initiative has been observed among the localities. They are impressed by the program and now they are promoting plantation. These newly planted trees will definitely help to conserve the environment and provide shelter to the passer-bys. All villagers appreciated the Plant a tree initiative and thanked for it.

Totally 95 students, 08 faculty members & 2 Non-Teaching Staff from TOCE witnessed this great event.

19. REPORT ON OUTREACH PROGRAM- AWARENESS OF ZIKA VIRUS AND IMPORTANCE OF COVID VACCINE -AN INITIATIVE TAKEN PLACE ON 20 JULY 2021 AT BWSSB, DOMLUR, BANGALORE

An outreach program on awareness of Zika virus and importance of Covid Vaccine was organised by sixth semester students of Department of Biotechnology in association with NSS UNIT on 20 July 2021 at BWSSB, Domlur.

With the whole country battling the corona virus, there is no point in neglecting the things that we are yet to face. Zika virus which has been around in the world since 1947 had its first outbreak in India on September 21 2018. Zika virus is a flavivirus transmitted primarily by mosquitoes of Aedes Egypti genus, which bite during the day.

Creating awareness or spreading knowledge on this virus was important especially in front of BWSSB(Bangalore Water Supply and Sewerage Board) because they are the ones who deal with water transport and sewage which is more prone to mosquitoes and are hence in more risk of the virus infection. Symptoms are generally mild and include fever, rash, conjunctivitis, muscle and joint pain, malaise or headache. Symptoms typically last for 2-7 days. Most people with Zika virus infection do not develop symptoms. Zika virus infection during pregnancy can cause infants to be born with microcephaly and other congenital malformations, known as congenital Zika syndrome. Infection with Zika virus is also associated with other

complications of pregnancy including preterm birth and miscarriage. An increased risk of neurologic complications is associated with Zika virus infection in adults and children, including Guillain-Barré syndrome, neuropathy and myelitis.

There is every chance of it being a pandemic just like in Brazil if not taken care of. Its important to know the preventive measures on how to safeguard ourselves by taking small measures such as preventing stagnant water around your place and using mosquito repellents. The vaccines for this is being formulated by the WHO and until then its our responsibility to have taken good measures for COVID too and this is also one of the most important steps to be considered about which a we explained in BWSSB, Domlur.

For giving us an opportunity to give an outreach program in their office, as a token of gratitude we donated a pesticide kit and a disinfectant which was formulated by us and given to the respective institute. A positive effect of the outreach program has been observed among the councillor, engineer and the workers there. They are impressed by the program and now they spoke about taking preventive measures for Zika Virus. The pesticide kit will possibly be of help as it definitely keeps the workspace safe and hygienic.

Totally 78 students, 09 faculty members & 3 Non-Teaching Staff from TOCE witnessed this great event.

An outreach programme on "Awareness on Delta plus Virus and Importance of Vaccination" was organized by 6th semester students of Department of Biotechnology in association with NSS UNIT on 21st July at Adigondanahalli village. We all are aware of the current situation in the world and how we all are being affected due the pandemic. We had an outreach programme on Awareness of Delta plus virus. It is the latest corona virus variant which has been formed as a result of Delta acquiring a mutation called K417N in the spike protein. It has symptoms similar to that of Covid-19 and also includes abdominal pain, skin rash, toes and fingers discoloration, sore throat, diarrhea, loss of smell, headache & runny nose. Awareness was created about delta plus virus among villagers. Villagers were guided about the precautionary measures and also spoke about importance of vaccination. Vaccination helps to build our immunity. Villagers were made to understand that how important the vaccination is and we were happy that almost 70% of the people over there already got vaccinated. Masks

An outreach programme on "Awareness on Personal and Public Hygiene, Covid-19 related guidance for firefighters" was organized by the 6th semester students of Department of Biotechnology in association with NSS UNIT on 26th July 2021 at the Electronic City Fire station. Maintaining personal and public hygiene is essential for more than one reason; social, health, personal, psychological or just as a way of life. Maintaining a good standard of hygiene helps keep infections, illnesses and bad odors at bay.

The motive of our outreach programme was to give an insight on the effects of maintaining a good personal and public hygiene routine, and the health hazards that firefighters face due to Covid-19 and the possible ways to avoid it.

Personal hygiene can be achieved by, washing hands with soap and water on a daily basis. The habit of washing fruits and vegetables can help one avoid contact with harmful pathogens. When one experiences the symptoms of flu or any other infectious diseases, it is highly recommended to isolate until full recovery.

Public hygiene is the practice of protecting and improving the health as a community. The types of public hygiene include mental hygiene, occupational hygiene, oral hygiene, voice hygiene, pulmonary hygiene, and so forth.

Respiratory illnesses continue to be a major health concern for firemen and emergency responders who are frequently exposed to gases, chemicals, and smoke in the course of their duties.

Firefighters are more likely to acquire chronic illnesses such as persistent coughs, hoarseness, asthma, and allergies. In more severe situations, firemen may be diagnosed with a variety of malignancies, including lung and bronchial cancers, as well as chronic interstitial, autoimmune, and constrictive illnesses of the respiratory system.

In critical Covid-19 cases, the infections can damage the walls and linings of the air sacs in your lungs. As your body tries to fight it, your lungs become more inflamed and filled with fluid. This can make it harder for them to swap oxygen and carbon dioxide.

There are a few things you may do to lower your risk of lung disease.

- Work with your employer to ensure that you have access to the necessary protective equipment.
- Check that you're utilizing it appropriately and just when it's suggested.
- Attend regular trainings on how to reduce your exposure to hazardous substances.
- Outside of work, limit your exposure to lung irritants.
- Don't smoke, and try to avoid secondhand smoke as much as possible.
- Check your house for excessive levels of radon (the second biggest cause of lung cancer), and if you find them, make careful you reduce them.

 E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

- Make wearing a mask a normal part of being around other people. The appropriate use, storage and cleaning or disposal are essential to make masks as effective as possible

2) Explained about the basics of how to wear a mask:

- Clean your hands before you put your mask on, as well as before and after you take it off, and after you touch it at any time.
- Make sure it covers both your nose, mouth and chin.
- When you take off a mask, store it in a clean plastic bag, and every day either wash it if it's a fabric mask, or dispose of a medical mask in a trash bin.
- Don't use masks with valves.

Corona Awareness at Garvebhavi Palya

3) Explained about the advantages of taking the vaccination

- "Getting vaccinated can decrease the chances of hospitalisation and requirement of supplementation of oxygen with more chances of recovery at-home,"

CHILDREN'S EDUCATION SOCIETY (Regd.)

 E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

- It's been suggested vaccinated people have less chance to develop symptomatic Covid infection.
- Helps in breaking the chain of transmission
- A vaccinated individual may develop antibodies that can neutralise the virus, and break the chain of transmission. This leads to the development of herd immunity once the significant population is vaccinated and has circulating antibodies for the same.
- Vaccinated individuals can have a faster recovery after two doses of vaccine."
- Vaccination protects the vaccinated persons and those around them who are vulnerable to the diseases, reducing the risk of diseases spreading among family members, school mates or colleagues, friends, neighbours and other people in the community.
- When enough people in a population are immune to an infectious disease, the disease is then unlikely to spread from person to person.

23.REPORT ON "PLANTATION OF TREES" ON 13.07.2021

Trees are very important in our ecological cycle. Considering the manifold benefits of trees, including that they release oxygen into the air, absorb unpleasant odours as well as harmful gases such as carbon dioxide, carbon monoxide and sulfur dioxide from the air and purify it, protect us from dangerous ultra-violet rays, provide us with food and the pivotal role played by trees in preventing soil erosion, maintaining ecological balance and most especially in lessening the effects of global warming.

Tree plantation is not just something that should be done; instead, it is a necessity, the urgent need of the hour. Planting of trees is especially important to protect our environment against air pollution and global warming. To this end, our young volunteers have been actively involved in organizing tree plantation campaign.

An outreach program of "Plantation of trees" was organized by Department of Electronics And Communication with the faculty coordinator Prof. Mohanthi K for 2nd semester students on 13th of July, 2021 at Ambalipura lake premises Bangalore. The main aim of this program was to create an awareness of the importance of trees in our daily lives. The program successfully managed to bring the awareness of the effects of lack of trees and the importance

of planting more trees. This program encouraged our students and the local residents to plant more trees in their locality and help balance the eco-system.

This program turned out to be a mega event and our students were greatly appreciated by the local residents and lake authorities for their effort in planting trees and helping create awareness of planting more trees. Overall this program of plantation of trees was a great success and we believe, we as students were able to do our level best in creating awareness and were able to achieve our goal to make our planet more greener in the future.

Plantation of trees activity banner

Tree plantation is not just something that should be done; instead, it is a necessity, the urgent need of the hour. Planting of trees is especially important to protect our environment against air pollution and global warming. The drive was a huge success, empowering students with substantial knowledge of environment and plants.

The saplings were supplied bought from nearest nursery. In order to restore the eco-balance of the afforestation drive was taken with all seriousness. Anyway, participants were highly enthusiastic to make it a big success. The students planted saplings, and fenced them and watered the plants. Every step of the programme was appreciated by the representatives of the administration and the local forest department officials. The programme created a great stir among the general public too.

Since the very beginning trees have given us the gift of life's essentials, such as food and oxygen. Many generations passed and we discovered other many uses of trees and exploited them for our survival. They are so rich in value and significance that their uses have only increased as to satisfy the needs created by our modern lifestyles. To begin with, the wood from the trees was used as fuel and the fruits were consumed by humans. The shade was used to escape heat and fire to escape in cold.

As we evolved and started having modern problems, trees yet remained the same but cater to our modern problems as well. Trees can cut down on energy and conserve a lot of electricity if planted in the right place and they provide you with the richest oxygen available in the atmosphere. However, we overlook these benefits and take trees for granted. We cut the very trees that give us so much to live with and then mull over the fact that nature is being unfair. Well, we need to respect Mother Nature and value the great advantages that trees bless us with every day.

24.REPORT ON "NO MORE PLASTIC" ON 17.07.2021

An outreach programme on - No more plastic- "No more plastic Initiative" on the occasion of plastic bag free day was organized by 8th semester students of Department of Electronics and communication on 12th July at Vivek Nagar. Plastic Bag Free Day is a global initiative that aims to eliminate the use of single-use plastic bags in the world. This work centered around Plastic Bag Free Day, on the 3rd of July each year .While plastic has many valuable uses, we have become addicted to single-use or disposable plastic -with severe environmental consequences.

Around the world, one million plastic drinking bottles are purchased every minute, while 5 trillion single-use plastic bags are used worldwide every year. In total, half of all plastic produced is designed to be used only once -and then thrown away.

Plastic waste is now so ubiquitous in the natural environment that scientists have even suggested it could serve as a geological indicator of the Anthropogenic era. We, the students of The Oxford College of Engineering, Department of ECE, took an initiative to keep our environment plastic free by picking up the plastics thrown on roads, the people around us appreciated our work and they also participated to keep the environment plastic free.

We the Department of EEE, carried out the Awareness program on Hazardous of Plastic materials on 15.07.2021. Initially , Pledge has been taken in the department along with Students, Faculty members. All the volunteers started rally to spread the awareness in the Hongasandra Region. Students began to approach the residents, commercial building persons to make make the awareness of Single usage plastic ban as well as they enquired their process of disposing the waste also.

The main objective of this campaign is to spread the awareness about the hazards of plastic and to impart knowledge about the reduction and re-use of plastic. Primary motto is to make them understand the use of alternatives of plastic material in order to reduce the usage of plastic and preserve the environment.

On 17.07.2021 , we had been to to Old Age Home which is run by Prasanth Charitable trust Which is located in Hongasandra, Begur Road. Due to COVID 19 restrictions we had been asked to come with less numbers. With due care with all the precautions with **35 students and 4 faculty members** we went there at **10 a.m** . Visited the elders there and our students had a nice time with them for one hour and asked about their problems and other details. On behalf of our department faculty members and students we gave some amount as well as dress materials, Provisional items also. Elders felt happy with the students and emotionally felt like their family members.

30.REPORT ON "COVID-19 VACCINATION AWARENESS PROGRAMME" ON

13TH JULY 2021 AT BOMMANAHALLI JUNCTION , BANGALORE -560068

Coronavirus disease (COVID-19) is a deadly virus that continues to afflict many countries worldwide. The development of a COVID-19 vaccine to combat the disease's spread and devastating effects is still ongoing, and as the pandemic progresses, new, more effective vaccines are likely to be created.

An outreach programme on "Covid-19 Vaccination Awareness Programme" was organized by 6th semester students of Department of MCA on 13th July 2021 at Bommanahalli Junction Bangalore .The main aim of this awareness programme is to create awareness of Vaccination to maximum number of people to stay safe form the transmission and spread of corona virus (COVID-19).The awareness programme successfully managed to engage the community and the students visited different places, construction workers quarters and heavily populated areas to educate people on important public health measures such as wearing masks at all times, maintaining physical distancing whenever possible, and keeping hands sanitizing.The Vaccination awareness Program awareness programme was so successful that it has turned to mega event. The locals appreciated the efforts of students to explain them about need of Vaccination is very important to avoid 3rd wave of COVID-19. The activity was very much appreciated with benefited people .

After adjusting for the potential confounding, multivariable logistic regression analysis with backward conditional method indicated that educational level, place of residence, and communication media (mass media) were significantly associated with awareness towards COVID-19 vaccine. Educational level was one that was significantly associated with the level of awareness towards COVID-19 vaccination.

Totally 90 students, 085 faculty members & 2 Non-Teaching Staff from TOCE witnessed this great event.

31.REPORT ON "TRAFFIC AWARENESS CAMPAIGN " ON

16TH JULY 2021 AT SILK BOARD & BOMMANAHALLI JUNCTION , BANGALORE -560068

Traffic Awareness campaign done by Dept of MCA , The Oxford College of Engineering , Bangalore .

" It is necessary that everyone should follow traffic rules. All those rebels who don't care to follow the rules are in constant danger. It is our moral duty to follow road safety rules", following words were said by Principal Dr N Kannak on the account of Traffic awareness campaign done in The Oxford College of Engineering , Bangalore . "Traffic Awareness Campaign was organised by of N.S.S Unit of the college. Chief Guest for the event Mr. R Suresh who came on behalf of traffic police. Principal Dr N Kannan and Dr. M S Shashidhara HOD-MCA welcomed the delegation .

Our students have made aware to people about the fact that every year in our country near about 1 lakh and 50 thousand people lose their life in road accident. Lakhs and lakhs of people become disabled due to recklessness shown while not properly following traffic rules. The main cause for all the pain and loss of life is the fast and furious driving done by the people. We can stop these accidents if we follow the traffic rules properly. The main reason behind spreading traffic rule awareness is to make people realise the loss they have caused of accident they cause, with their ignorance to traffic rule.

The students also gave information about "motor vehicle act and traffic rules" and also said that the best way to keep others and yourself safe is to follow proper traffic rules. Whenever you drive a car follow the traffic rules, it is important to wear helmet while driving a two wheeler , obey the traffic lights to avoid accidents. One should always wear seat belt while driving a car. Avoid rash driving as fast speed is the core reason of accidents. Always carry all the paper of the vehicle.

 E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

To improve the traffic of the city, the team of traffic police gave their whatsapp number and helpline number and also said if any one breaks the traffic rules just make a video and send it to them.

Principal Dr N Kannan said that this interactive session for creating traffic awareness among people was very important as it makes them aware about the importance of their and others life. Students should come forward and follow these traffic rules obediently. Everyone should wear helmets and seatbelts while driving the vehicle. Be aware and also aware others. Foreign country implies traffic rules properly which cause more safety on roads than ours, where having accident on road is story of everyday. Follow the traffic rules it is very important.

Totally 51 students, 10 faculty members & 3 Non-Teaching Staff from TOCE witnessed this great event.

32.REPORT ON "SWACHH BHARAT ABHIYAN "

ON

20TH JULY 2021 AT HONGASANDRA, BEGUR ROAD , BANGALORE -560068

The banner features logos of ARUN, Children's Education Society, and NIRF. It identifies The Oxford College of Engineering as the organizing institution, located at Bommanahalli, Hosur Main Road, Bangalore - 560068. The Department of Computer Applications (MCA) is conducting the event in collaboration with the National Service Scheme (NSS) UNIT, TOCE, AICTE - SPICE - ABHILASH CLUB. The banner also includes the 'Swachh Bharat Abhiyan' logo and the 'Clean Green INDIA' logo. At the bottom, it lists Dr. M S Shashidhara as the HOD-MCA and Dr. N. Kannan as the Principal, both at TOCE, Bangalore - 68. The event is dated 20-07-2021 at Hongasandra, Begur Road, B'lore-68.

Swachh Bharath Abhiyan Campaign done by Dept of MCA , The Oxford College of Engineering , Bangalore .It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets and integrated waste management to make Surroundings open defecation free, zero waste, dust free, plastic free and green. Final year MCA students have organized rally to bring awareness to keep surrounding clean among community people.

To contribute in swachh Bharat Abhiyan activity & undertake cleanliness drive Shramdan activities also been carried out at various streets of madodhar village. Students have encouraged community people to join in swacha activity. They have participated in shramdan activity and shown their willingness and interest to keep surrounding clean.

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its responsibility of the entire citizens to keep their surrounding clean. Community people were encouraged to maintain their surrounding clean. Thus the students of TOCE college have initiated one steps towards- cleanliness".

Areas where more number of households are resorting for open defecation Commercial Hotspots- Areas where most of floating population and workers in commercial establishments openly urinate or defecate due to non- availability of toilets or public toilets or poor awareness. The areas include commercial localities, passage of buildings, bus alighting points and near railway stations etc. Institutional Hotspots – Areas where the institutional lands are used by the citizens to defecate or urinate in open such as open areas in Govt Hospitals, Agriculture market yards, RTC bus stands, railway tracks, Govt lands etc.

Solid waste can also be defined as the organic and inorganic waste materials produced by households, commercial & industrial establishments that have no economic value to the owner. Further, as per biodegradability, solid waste can be classified as "biodegradable" and "nonbiodegradable" waste 3 Statutory towns are urban areas defined by administrative units that have been defined by 'statute' as urban such as municipal corporations, municipalities, cantonment boards, notified town area committees.

33.REPORT ON "SAVE WATER- SAVE EARTH " CAMPAIGN ON

23RD JULY 2021 AT MANGAMPALYA, BANGALORE -560068

Save Water Campaign Poster

We all know that life cannot be imagined without water, yet no concrete steps are taken by us for its conservation. So, it is our responsibility to conserve water for our future generations because without water every kind of life will be destroyed from the earth. Without water, trees, animals, birds, crops and even human beings themselves will have no existence on earth. Therefore, this is the time when we need to take effective steps to deal with it, taking this matter seriously. Our mother equivalent earth has always protected us and has ensured that we get everything we need. In this way, many types of natural resources exist on earth for the good of mankind. But it is unfortunate that instead of making good use of these natural resources, we only exploit them and one of these natural resources is water which is the basic basis of all life on earth.

It is believed that the first origin of life on earth originated in water. This clean water is the most important basis of life on earth. We have not only exploited this natural resource but have

also created a crisis on its availability by wasting huge amounts of it. Along with contaminating the rivers, oceans, we have spoiled the ground water level as well.

Save Water Campaign Awareness

We always hear that we should save water because it is a very important resource for our future, but we always take these things lightly. We use water in various ways, from getting up in the morning to sleeping at night, in fact, it cannot be imagined to live even a day without water. But in every task we waste a lot of water. Although we have been told in our schools since childhood that water is present in 70 percent of our planet, but this whole water cannot be used for our daily use activities. Our government and other organizations periodically spread awareness about water conservation to educate people about this subject. There are several ways by which we can save water in our daily life, such as turning off tap water when not in use, re-using washing water, using bucket instead of shower while bathing. We can easily give our valuable contribution in saving water. If we do not adopt these methods in time, then in the coming time we will have to face a terrible problem like water crisis. We humans cannot live

without water, but it is most wasted by us. We should not forget that life is not possible without water on the earth, so to face this crisis, we all have to work together to conserve water.

Save Water Campaign Awareness

Still, clean water is a very important item in some rural and backward regions of India and many people have to walk for several kilometers daily for only two buckets of water. On the other

hand, some of us waste huge amounts of water every day. Receiving clean water for drinking should be the right of every citizen. We have to understand the importance of water and have to be aware of the causes of water crisis. For this, we also have to educate our children about the careful use of water and water conservation for the future. Clean water is also contaminated by us, due to which it is not potable for us. Many projects have been started by the government to make people aware about water conservation, yet the problem remains as it is and many people are still facing this dreaded problem of water crisis as before. .

It is very easy to understand that if we do not start conserving water, we will not survive. Water is the basis of all life on earth. Although we think that there is sufficient amount of water available on the earth, we forget that it is available in a limited quantity. If we do not start efforts to conserve water, the reserves of fresh water from the earth will soon be exhausted. Water conservation should be the first priority of all government institutions and citizens, so that this problem can be resolved.

Water conservation has many positive effects on society. Due to increasing urbanization, the level of ground water is rapidly decreasing, due to this there is very little left for our essential activities like farming and irrigation etc. If we conserve water, then we will have enough water available for the fields and this will increase crop yields more.

Totally 73 students, 12 faculty members & 3 Non-Teaching Staff from TOCE witnessed this great event.

34. REPORT ON "COVID-19 AWARENESS PROGRAMME" ON 19TH JULY, 2021 AT 47 MAIN ROAD MUNI REDDY LAYOUT, HONGASANDRA BUS STOP BANGALORE.

The poster is for a COVID-19 awareness programme organized by The Oxford College of Engineering, Department of Mechatronics Engineering, in collaboration with the National Service Scheme (NSS) UNIT TOCE. The event is titled "VISIT TO OLD AGE HOME". It is organized by Dr. N. Kannan, Principal TOCE, Bangalore - 68, and Dr. Yashoda B S, HOD- MTE TOCE, Bangalore - 68. The date is 20/07/2021. The venue is Mother Destitute Home, #5, 3rd Cross, Muninanjappa Layout, National Gym Road, Near Patel Ramiah Skating Rink, Kothanur, Bangalore 560077.

An outreach programme on "Covid -19 Awareness Programme" was organized by Department of Mechatronics Engineering in association with NSS UNIT on 19th July at 47 Main Road Muni Reddy Layout, Hongasandra Bus Stop Bangalore. The main aim of this awareness programme was to create awareness to maximum number of people to stay safe from the transmission and spread of corona virus (COVID-19). The awareness programme successfully managed to engage the community. The students visited public places, construction workers quarters and heavily populated areas to educate people on important public health measures such as wearing masks at all times, maintaining physical distancing whenever possible, and keeping hands clean by washing them with soap and water for no less than 30 seconds or sanitizing hands. We distributed masks and sanitizers to the residence. The awareness programme was so successful that it turned to

35.REPORT ON "VISIT TO OLD AGE HOME" ON 20TH JULY AT MOTHER DESTITUTE HOME, #5, NANJAPPA LAYOUT, 3RD CROSS ROAD, NARAYANAPURRA, BENGALURU, KARNATAKA 560077.

An outreach programme on "Visit To Old Age Home" was organized by Department of Mechatronics in association with NSS UNIT on 20th July at **Mother Destitute Home, #5, Nanjappa Layout, 3rd Cross Road, Narayanapurra, Bengaluru, Karnataka 560077.**

We visited the **Mother Destitute Home, #5, Nanjappa Layout, 3rd Cross Road, Narayanapurra** at 10.00 am, which is 25 km away from TOCE. Mother Destitute Home provides shelter and food to nearly 50 aged people-both men and women. It is a nonprofit organization to help those who need help, love and affection. It was an overwhelming experience for us. Initially, it was quite difficult to digest the reality that we witnessed the elderly parents not taken care of and being neglected and eliminated from their families, societies and communities as well. We

36.REPORT ON "COVID-19 VACCINATION AWARENESS PROGRAMME" ON

13TH JULY 2021 AT MANGAMMANAPALYA, BANGALORE -560068

An outreach programme on "Covid-19 Vaccination Awareness Programme" was organized by 4th semester students of Department of MBA in association with NSS unit of The Oxford College of Engineering on 13th July 2021 at Mangammanapalya village Bangalore .

Total 90 students and 4 Faculty members have participated in the campaign.

Creating awareness about necessity of COVID-19 Vaccination

Coronaviruses are a cluster of viruses characterized by RNA as the genetic material having an envelope covering it. The word 'corona' means crown like and this comes from the presence of crown like structures on the surface of these viruses. COVID-19 or SARS-CoV-2 is one among the members of the coronavirus family.

Vaccines are the biological provisions and they work by helping the immune system to identify, remember and rescind a pathogen. It trains the immune system to remember the pathogen as foreign and identify it in any future contamination through key immune effector (T & B cells). Along with demolition of a pathogen or pathogen infected cells by cytotoxic T cells or antibodies produced by B cells, the generated memory cells will assist in immunological memory to remember the pathogen for a long time and prevent re-infection. Thus, vaccine persuades both immediate protections via antibody production as well as long term defensive by inducing immunological memory.

Creating awareness about necessity of COVID-19 Vaccination

Increasing demand for and acceptance of COVID-19 vaccines is essential for achieving "community immunity" (herd immunity) and returning to many of the social and work activities important to us all. Although many people are eager to get vaccinated, there are also significant proportions of the population who are hesitant, reluctant, or mistrustful of the vaccines and the

37.REPORT ON "ROAD SAFETY AWARENESS PROGRAMME" ON

16TH JULY 2021 AT GARVEBHAVIPALYA, BANGALORE -560068

An outreach programme on "Road Safety Awareness Programme" was organized by 4th semester students of Department of MBA in association with NSS unit of The Oxford College of Engineering on 16th July 2021 at Garvebhavipalya Bangalore.

60 Students and 2 Faculty members have participated in the awareness campaign.

Creating awareness about Road Safety at Garvebhavipalya

Road safety campaigns are an important way to spread awareness among people about road safety measures and rules. The results of road safety campaigns depend however, first of all, on the manner of communication to road users. Since the target of the campaigns are people or groups of people, and as the characteristics of their behaviour is different from one to another.

Volunteers in Creating awareness about Road Safety at Garvebhavipalya

Road safety does not happen accidentally, but requires deliberate efforts by government and its many partners. Too often, road safety is treated as a transportation issue, not a public health issue, and road traffic injuries are called "accidents", though most could be prevented. As a result, many countries put far less effort into understanding and preventing road traffic injuries than they do into understanding and preventing diseases that do less harm.

Water is the valuable gift of God on the earth. Life occurs on the earth because of the obtainability of water. Itself being distasteful, neutral and pale, it adds taste, color and nice odor in the life of living beings on the earth. It is found everywhere and known as life. It takes nothing from us but gives life to us. It has no shape but takes the shape of vessel we store it. We find it everywhere in rivers, seas, tanks, wells, ponds, etc but we lack clean drinking water. Three-fourth part of the earth is full of water however we need to conserve water as there is very less percentage of clean water.

Volunteers in Creating awareness about Save Water- Save Life

SIMPLE WAYS TO SAVE WATER:

- We should use shower heads with low-flow, low-flush toilets and composting toilets or dual flush toilets.

- Collect rain water during raining season to use in toilet flush, watering plants, sprinkling in garden, etc. Using raw water like sea water or non-purified water in toilet is also good.
- We should be customary of reusing or recycling left-over water.
- We should promote rainwater harvesting, using high-efficiency clothes washers, weather-based irrigation controllers, garden hose nozzles, low flow taps in wash basins, swimming pool covers, automatic faucet, etc for water conservation.

Activity Organizing Committee Group Photo

Lack of water is a big issue in many countries. It is a symbiotic factor and important element to which life depends on. The level of drinking water under the ground is becoming less because of the disturbance in the natural filtering system. Deforestation and lack of plants causes rain water to run away instead of going inside the ground. We should follow all the key activities regarding save water from loss, unnecessary use and waste as well as damage of water quality.

With an aim to create awareness among citizens of Bangalore regarding saving water, and utilizing waste water, Department of MBA in association with NSS unit of The Oxford college of Engineering has organized a Road Safety Campaign at SalarpuriaGreenage Apartments, Next to The Oxford College of Engineering Bommanahalli, Bangalore.

39.REPORT ON "AWARENESS ON IMPACT OF SOUND POLLUTION" ON

19TH JULY 2021 AT HONGASANDRA, BANGALORE -560068

An outreach programme on "Awareness on Impact of Sound Pollution" was organized by students of Department of MBA in association with NSS unit of The Oxford College of Engineering on 19th July 2021 at Hongasandra, Bangalore.

71 Students and 4 faculty members have participated in the awareness campaign.

Figure 1: Creating awareness about Impact of Sound Pollution at Hongasandra

Sound/Noise pollution happens when unwelcome sounds enter the environment. The potential health effects of noise pollution include increased stress levels, sleep disturbance, or hearing damage.

Some examples of noise pollution sources include Trusted Source:

- construction

- motorized vehicles
- crowds
- concerts
- aircraft

Volunteers in Creating awareness about Impact of Sound Pollution at Hongasandra

Pollution occurs when a contaminant enters the environment, causing undesirable effects. There are several types of pollution, including:

Air pollution

Water pollution

Light pollution

Noise pollution is the spread of unwanted sounds into the environment.

Impact on mental health: Unwanted sounds can have a range of mental health effects.

The brain is always monitoring sounds for signs of danger, even during sleep. As a result, frequent or loud noise can trigger anxiety or stress. With continued exposure to noise pollution, a person's sensitivity to stress increases Trusted Source.

People living with noise pollution may feel irritable, on edge, frustrated, or angry. If a person feels they cannot control the amount of noise in their environment, its impact on their mental health intensifies.

Impact on physical health

The physical health effects of noise pollution can occur as a direct or indirect result of noise exposure.

In severe cases, loud sounds can directly cause hearing impairment. Some forms of noise-induced hearing impairment include:

- abnormal loudness perception
- tinnitus, which causes a persistent high-pitched ringing in the ears
- paracusis, or distorted hearing

Some research also suggests that noise pollution may indirectly contribute to other health conditions.

Short-term exposure to noise pollution can temporarily raise blood pressure and increase blood viscosity. There is also an association between long-term exposure to noise and higher rates of cardiovascular disease.

The review authors suggest that this may occur due to the impact of noise pollution on stress hormone levels and the nervous system. Over time, this stress may contribute to the development of disease.

Impact of Sound Pollution Awareness campaign by MBA students at Hongasandra, Bangalore

How to reduce noise pollution

- **Reducing noise from appliances:** Items, such as air conditioning units, heaters, fans, and other appliances, can contribute to overall noise levels in the home. Try turning them off more often or setting a timer, so they only switch on at certain times.
- **Reducing noise from media devices:** Consider the volume and duration of noise from music, televisions, radios, and video games. Avoid having unnecessary noise playing in the background for long periods, or listening to sounds at too high a volume. It may be useful to set aside dedicated time for watching TV or listening to music.

 E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

- **Repair or replace old machinery:** Old appliances, vehicles, and other items can be louder than newer models. Consider upgrading or replacing noisy household items.
- **Soundproofing:** Adding insulation strategically around the home can help muffle sounds from other rooms, neighbors, or outside. Rugs, carpets, and curtains may also help.
- **Create more quiet time:** Try to regularly set aside time for quiet activities, such as reading, puzzles, or creative hobbies. Avoid playing music or having background noise during this time.
- **Ear protection:** If loud noise is unavoidable, use ear protection, such as earplugs or earmuffs, to reduce its impact.

Impact of Sound Pollution Awareness campaign by MBA students at Hongasandra, Bangalore

Noise pollution significantly impacts public health. Research suggests it can raise stress, affect mental health, and contribute to developing health issues such as high blood

pressure. Direct exposure to loud or persistent noise can also lead to hearing impairment. Children are particularly vulnerable to the negative health effects of noise pollution. It may be possible to reduce levels of noise in the home, school, or workplace with simple changes, such as soundproofing and turning off devices.

With an aim to create awareness among citizens of Bangalore regarding various problems due to Sound pollution, the Department of MBA in association with NSS unit of The Oxford college of Engineering has organized awareness about Impact of Sound Pollution at Hongasandra.

40. REPORT ON "TRAFFIC AWARENESS PROGRAM" ON
23 JULY 2021 AT BOMMANAHALLI JUNCTION, BANGALORE -560068

The poster is for a 'TRAFFIC AWARENESS CAMPAIGN, BOMMANAHALLI' organized by The Oxford College of Engineering. It features logos of various institutions at the top, including AICTE, VTU, and NIRF. The text identifies the organizers as the Department of Civil Engineering in collaboration with the National Service Scheme (NSS) UNIT, TOCE, and the Civil Engineering Students Technical Association (CESTA). It lists the date as 23-07-2021 and the venue as Bommanahalli, Bangalore. The poster also mentions the involvement of Dr. Malleshiah T.S., HOD-CIVIL, TOCE, Bangalore - 58, and Dr. N. Kannan, Principal, TOCE, Bangalore - 68.

Awareness about traffic is very much required for the safety of lives while driving on the roads. Now a days, traffic issues are increasing daily basis. The overspeed issues, overtaking on signals and many more issues are increasing day by day with psychological impact on the drivers. Therefore, the approach was made in order to create awareness about traffic matters and 'traffic awareness program' was conducted as an extension activity by the students of Civil Engineering Department, The Oxford College of Engineering.

An outreach program on "Traffic awareness program" was organized by 4th & 6th semester BE students of Department of Civil Engineering on 23rd July 2021 at Bommanahalli Junction Bangalore. The main aim of this awareness program is to create awareness about traffic related matters like what are the danger effects of the overdriving, effects about the drink and drive issues and more. The awareness program successfully managed to engage the community and the students in understanding about the importance of following the traffic

42.REPORT ON "PLASTIC AWARENESS CAMPAIGN" ON

24TH JULY 2021 AT GARVEBHAVIPALYA - BOMMANAHALLI JUNCTION, BANGALORE -560068

The Plastic Awareness Campaign, was carried out by the students and the faculties of the Department of Civil Engineering, The Oxford College Of Engineering, in order to create awareness of the unnecessary use of plastic nowadays and how to utilize plastic in a fruitful manner.

The Waste will be the source of energy creation for future. Therefore, awareness was also brought about the corporation's, dry waste, wet waste segregation policy and to the surrounding shop vendors, construction workers etc.

In this regard a possession was carried out with the posters displaying various slogans to the common people around.

The activity was carried out at the Garvebhavipalya, service road stretch in the surrounding vicinity of our college campus.

43.REPORT ON "A VISIT TO RETIREMENT HOME" ON

27TH JULY 2021 AT PRASANTHA CHARITABLE TRUST, BANGALORE -560068

On 27-07-2021, Students and faculties of Civil Engineering Department had visited A Retirement Home which is run by Prasanth Charitable trust Which is located in Hongasandra, Begur Road. Because of COVID 19 reasons we had been asked to come with less numbers. With due care with all the precautions went there at 5P.M. Visited the elders there and our students had a nice time with them for one hour and asked about their problems and other details. On behalf of our department faculty members and students we gave some amount. Elders felt happy with the students and emotionally felt like their family members.

Totally 35 students, 08 faculty members & 1 Non-Teaching Staff from TOCE witnessed this great event.

**44. REPORT ON "AWARENESS PROGRAMME ON SWACHH BHARAT – GO GREEN INITIATIVE"
ON 27TH JULY AT BOMMANHALLI, BANGALORE**

We the Department of Mechanical engineering, carried out the awareness program on SWACHH BHARAT – GO GREEN INITIATIVE on 26.07.2021. The initiative focused on bringing awareness about the importance of growing plants and keeping our surroundings clean and healthy. The event began at 11:00 AM and all the students indulged themselves in cleaning open area of the MATHA'S INTERNATIONAL SCHOOL located at GAREVEBHAVI PALYA, BANGALURU and completing the SWATCHH BHARAT initiative. The students then planted various types of plants and watered them thereby completing the GO – GREEN initiative. Then, a keynote speaker Mr. Shreyas DV spoke about the importance of clean and green environment. The speaker added that the importance of undertaking the event was to develop a habit of maintaining the environment clean and grow more plants and trees to support living. Finally, the event evaded with a program of honouring the principal of MATHA'S INTERNATIONAL SCHOOL for giving each participants the opportunity to carry out the above said initiative successfully.

**45. REPORT ON "AWARENESS PROGRAMME ON TRAFFIC" ON 27TH JULY AT BOMMANHALLI,
BANGALORE**

On July 27, 2021, Department of Mechanical Engineering, The Oxford College of Engineering sponsored the TRAFFIC AWARENESS PROGRAMME. The programme focused on bringing

awareness about the importance of road safety. The event began at 11:00 AM and all the students started rally to spread the awareness in the Bommanahalli region. Students were standing at the front of the vehicles, and few people in person and make the awareness about the importance of road safety. The main objective of the programme is to spread awareness about the hazards of not following the road safety and to bring awareness about the importance of road safety to prevent any accidents occurring. Primary objective is to make them understand the importance of road safety and make them understand the catastrophic disasters that occurring due to bending the road safety rules. Awareness programme is well appreciated by the local people traffic officials.
