Summary on the Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The College conducts various activities to enlighten students and employees about constitutional obligations and to make them understand their duties and responsibilities.

Respect To National Flag

National flag is hoisted on Independence Day and republic day, wherein the students and staff participate. They pay rich tribute to the father of nation, Gandhiji and other freedom fighters. It instils greater patriotism in them.

Service Before Self.

The College organizes NSS camps. It conducts many social outreach programs and creates awareness about socially relevant issues amongst general public. Health and blood donation camps are held for the benefit of the people. The students are provided with great opportunity and make them responsible citizens with humanist approach.

Environmental Preservation

TOCE campus is green and eco-friendly with innumerable plant saplings in and around the campus. It maintains green landscape and foliage. The faculty and students propagate awareness on the importance of tree plantation. The management spends generously for maintaining green landscape, flora and fauna in our campus. Students participate actively in tree plantation and Swachh Bharat Abhiyan drives and create an ecosystem of sustained development without causing harm to the environment. The solar energy generated in the campus partly compensate power requirements of the college.

Rights to equality and freedom

The college has established Grievances redressal cell, Anti Ragging committee etc to deal with issues and internalisation of ethical values of high standard in students. Gender sensitisation programs are held to educate students. The IQAC, Students Council and other Committees have students as members. It has provided a suitable platform for students to escalate issues if any to the management for immediate redressal.

Cultural harmony

The Management supports for conducting of major cultural and religious festivals in the College. Diverse religions and faith of students culminate in to a holistic environment when they participate in each other's festivities.

National voters' day

Every year on January 25th, it is observed to raise awareness of adult voting rights and inspire young people to participate in politics. Students are taught participatory democratic principles as a result.

Cleanliness initiatives

Our campus is tobacco and Plastic free zone. The usage of plastics in the campus is minimal, Biodegradable plastic is used wherever required to contain environmental pollutions. Awareness Programmes are held at regular intervals on making the campus 100% plastic free so as to be in line with Swachh Bharat initiatives of the Government. Usage of papers is very minimal in office. The communications are sent through email.

Expert Talks

Guest lectures by legal luminaries and other experts are arranged on numerous occasions so as to be responsive towards constitutional obligations and enable students inculcate human values. Students are benefitted immensely as is evident from their feedbacks on such programmes. This will help them in their future life.

The College has implemented many measures so as to make the students and employees perform their duties in a responsive way duly assimilating ethical values and constitutional obligations.

Other activities that are conducted with reference to constitutional obligations among students and staff in the college include Swachh Bharat Abhiyan, Rashtriya Ekta Divas, Jal Andholan, International Yoga Day, International Women's Day.

Indian Constitution, Syllabus, Outcome

The concepts of professional ethics and Human Rights, environment sustainability, Business ethics, Gender equity is part of the subject in the semester course and students have to appear for university examination and have to pass it. Given below is the program wise, semester wise and course wise details of the same:

The objective of the course is to provide basic information about Indian Constitution, a citizen's duties & responsibilities, and their ethical responsibility towards society.

Sl.No	Semester	Name of The Program	Name of The Course
1	2 nd Semester	CSE (15 scheme)	Professional Ethics & Human Rights
2	2 nd Semester	CSE (15 scheme)	Environment & Sustainability
3	3 rd Semester	CSE (17 scheme)	Environment & Sustainability
4	3 rd Semester	CSE (17 scheme)	Professional Ethics & Human Rights
5	3 rd Semester	CSE (18 scheme)	Professional Ethics & Human Rights
6	1 st & 2 nd Semester	ISE (15 scheme)	Professional Ethics & Human Rights
7	2 nd Semester	ISE (15 scheme)	Environmental Studies
8	2 nd Semester	ISE (17 scheme)	Environmental Studies
9	3 rd & 4 th Semester	ISE (17 scheme)	Professional Ethics & Human Rights
10	5 th Semester	ISE (18 Scheme)	Environmental Studies
11	3 rd & 4 th Semester	ECE (17 scheme)	Professional Ethics & Human Rights
12	3 rd & 4 th Semester	ECE (18 Scheme)	Professional Ethics
13	5 th Semester	ECE (18 Scheme)	Environmental Studies
14	3 rd Semester	EEE (17 scheme)	Professional Ethics & Human Rights
15	5 th Semester	EEE	Business Ethics
16	5 th Semester	EEE	Environment & Sustainability
17	6 th Semester	EEE	Environment & Sustainability
18	3 rd Semester	CIVIL	Professional Ethics & Human Rights
19	5 th Semester	CIVIL (18 scheme)	Environmental Studies
20	1 st Semester	MBA	Business Environment
21	3 rd Semester	MBA	Gender Dimensions of Negotiation
22	4 th Semester	MBA(20 Scheme)	Gender Equity
23	4 th Semester	MBA(20 Scheme)	Sustainability

The outcome of the course is to help students to understand the principles of environment and ecology from the global purview. To help the students develop skills in analysing the problems caused to the environment and help them develop preventive measures to help in sustenance.

ENVIRONMENTAL STUDIES

[As per Choice Based Credit System (CBCS) scheme]

(Effective from the academic year 2015 -2016)

SEMESTER - I/II

Subject Code	15CIV18/15CIV28	IA Marks	10
Number of Lecture Hours/Week	02	Exam Marks	40
Total Number of Lecture Hours	25	Exam Hours	02

Course Objectives:

1. To identify the major challenges in environmental issues and evaluate possible solutions.
2. Develop analytical skills, critical thinking and demonstrate socio-economic skills for sustainable development.
3. To analyze an overall impact of specific issues and develop environmental management plan.

Module - 1

Introduction: Environment - Components of Environment Ecosystem: Types & Structure of Ecosystem, Balanced ecosystem Human Activities – Food, Shelter, And Economic & Social Security. 2 Hours

Impacts of Agriculture & Housing Impacts of Industry, Mining & Transportation
 Environmental Impact Assessment, Sustainable Development 3 Hours

Module - 2

Natural Resources, Water resources – Availability & Quality aspects, Water borne diseases & water induced diseases, Fluoride problem in drinking water Mineral resources, Forest Wealth Material Cycles – Carbon Cycle, Nitrogen Cycle & Sulphur Cycle. 2 Hours

Energy – Different types of energy, Conventional sources & Non Conventional sources of energy Solar energy, Hydro electric energy, Wind Energy, Nuclear energy, Biomass & Biogas Fossil Fuels, Hydrogen as an alternative energy. 3 Hours

CONSTITUTION OF INDIA, PROFESSIONAL ETHICS & HUMAN RIGHTS

Subject Code	15CPH18/15CPH28	IA Marks	10
Number of Lecture Hours/Week	02	Exam Marks	40
Total Number of Lecture Hours	25	Exam Hours	02

Course objectives:

1. To provide basic information about Indian constitution.
2. To identify individual role and ethical responsibility towards society.
3. To understand human rights and its implications

Module 1

Introduction to the Constitution of India, The Making of the Constitution and Salient features of the Constitution. 2 Hours

Preamble to the Indian Constitution Fundamental Rights & its limitations. 3 Hours

Module 2

Directive Principles of State Policy & Relevance of Directive Principles State Policy Fundamental Duties. 2 Hours

Union Executives – President, Prime Minister Parliament Supreme Court of India. 3 Hours

Module 3

State Executives – Governor Chief Minister, State Legislature High Court of State. 2 Hours

Electoral Process in India, Amendment Procedures, 42nd, 44th, 74th, 76th, 86th & 91st Amendments. 3 Hours

Module 4

Special Provision for SC & ST Special Provision for Women, Children & Backward Classes Emergency Provisions. Human Rights –Meaning and Definitions, Legislation Specific Themes in Human Rights- Working of National Human Rights Commission in India 3 Hours

Powers and functions of Municipalities, Panchyats and Co - Operative Societies. 2 Hours

Module 5

Scope & Aims of Engineering Ethics, Responsibility of Engineers Impediments to Responsibility. 2 Hours

Risks, Safety and liability of Engineers, Honesty, Integrity & Reliability in Engineering. 3 Hours

VISVESVARAYA TECHNOLOGICAL UNIVERSITY, BELAGAVI

Constitution of India, Professional Ethics and Human Rights (CPH)

(Common to all branches)

[As per Outcome Based Education(OBE) and Choice Based Credit System (CBCS) scheme]
(Effective from the academic year 2018-19)

Course Code	: 17CPH39/49	SEE Marks: 30
Contact Hours/Week	: 01 hr Theory /week	CIE Marks: 20
Total Hours	: 15	Exam: 02 hr
Semester	: III / IV	Credit: 1

Course Learning Objectives: This course (17CPH39/49) will enable the students

- To assimilate and get familiarized with basic information about Indian constitution and provide overall legal literacy to the young technocrats to manage complex societal issues in the present scenario.
- To identify their individual roles and ethical responsibilities towards society.
- To understand engineering ethics & responsibilities, through the learning of these topics students will be able to understand human rights/ values and its implications in their life.

MODULE- I

Introduction and Basic Information about Indian Constitution

- The Necessity of the Constitution, The Societies before and after the Constitution adoption.
- Introduction to the Indian constitution, The making of the Constitution, The Role of the Constituent Assembly - Preamble and Salient features of the Constitution of India.
- Fundamental Rights and its Restriction and limitations in different Complex Situations.
- Directive Principles of State Policy (DPSP) & its present relevance in our society with examples. Fundamental Duties and its Scope and significance in Nation building.

(Duration: 03 Hours & RBT Levels: L1, L2 & L3)

MODULE- II

Union Executive and State Executive

- Parliamentary System, Federal System, Centre-State Relations.
- Union Executive – President, Prime Minister, Union Cabinet, Parliament - LS and RS, Parliamentary Committees, Important Parliamentary Terminologies. Supreme Court of India, Judicial Reviews and Judicial Activism.
- State Executives – Governor, Chief Minister, State Cabinet, State Legislature, High Court and Subordinate Courts, Special Provisions (Article 370,371,371J) for some States.

(Duration: 03 Hours & RBT Levels: L1, L2 & L3)

B. E. COMMON TO ALL PROGRAMMES				
Choice Based Credit System (CBCS) and Outcome Based Education (OBE)				
SEMESTER - V				
ENVIRONMENTAL STUDIES				
Course Code	18CIV59	CIE Marks	40	
Teaching Hours / Week (L:T:P)	(1:0:0)	SEE Marks	60	
Credits	01	Exam Hours	02	
Module - 1				
Ecosystems (Structure and Function): Forest, Desert, Wetlands, Riverine, Oceanic and Lake. Biodiversity: Types, Value; Hot-spots; Threats and Conservation of biodiversity, Forest Wealth, and Deforestation.				
Module - 2				
Advances in Energy Systems (Merits, Demerits, Global Status and Applications): Hydrogen, Solar, OTEC, Tidal and Wind. Natural Resource Management (Concept and case-studies): Disaster Management, Sustainable Mining, Cloud Seeding, and Carbon Trading.				
Module - 3				
Environmental Pollution (Sources, Impacts, Corrective and Preventive measures, Relevant Environmental Acts, Case-studies): Surface and Ground Water Pollution; Noise pollution; Soil Pollution and Air Pollution. Waste Management & Public Health Aspects: Bio-medical Wastes; Solid waste; Hazardous wastes; E-wastes; Industrial and Municipal Sludge.				
Module - 4				
Global Environmental Concerns (Concept, policies and case-studies):Ground water depletion/recharging, Climate Change; Acid Rain; Ozone Depletion; Radon and Fluoride problem in drinking water; Resettlement and rehabilitation of people, Environmental Toxicology.				
Module - 5				
Latest Developments in Environmental Pollution Mitigation Tools (Concept and Applications): G.I.S. & Remote Sensing, Environment Impact Assessment, Environmental Management Systems, ISO14001; Environmental Stewardship- NGOs. Field work: Visit to an Environmental Engineering Laboratory or Green Building or Water Treatment Plant or Waste water treatment Plant; ought to be Followed by understanding of process and its brief documentation.				
Course Outcomes: At the end of the course, students will be able to:				
<ul style="list-style-type: none">• CO1: Understand the principles of ecology and environmental issues that apply to air, land, and water issues on a global scale,• CO2: Develop critical thinking and/or observation skills, and apply them to the analysis of a problem or question related to the environment.• CO3: Demonstrate ecology knowledge of a complex relationship between biotic and abiotic components.• CO4: Apply their ecological knowledge to illustrate and graph a problem and describe the realities that managers face when dealing with complex issues.				
Question paper pattern:				
<ul style="list-style-type: none">• The Question paper will have 100 objective questions.• Each question will be for 01 marks• Student will have to answer all the questions in an OMR Sheet.• The Duration of Exam will be 2 hours.

INTERNATIONAL HUMAN RESOURCES MANAGEMENT			
Course Code	20MEHHR403	CIE Marks	40
Teaching Hours/Week (L:T:P)	3:0:0	SEE Marks	60
Credits	03	Exam Hours	03
Course Objectives			
1. The student will be able to describe and Identify the application of IHRM in managing and developing an Organisation			
2. The student will be able to describe and explain in her/his own words, the relevance and importance of IHRM in managing and developing an Organisation			
3. The student will be able to apply and solve the workplace problems involving International issues			
4. The student will be able to classify and categorise different Laws related to IHRM			
5. The student will be able to create and reconstruct HRM System to be adopted in the Organisation related to International employees			
6. The student will be able to appraise and judge the practical applicability of various strategy and approaches in managing International Organisation			
Module-1 Introduction		7 hours	
Meaning and Definition IHRM: Evolution, Challenges, Objectives, IHRM Versus Single Nation-centric HRM IHRM: Approaches: Emergence of Global HR Manager IHRM/Culture and Cross-Cultural Management- Introduction, Studies on culture in management Positivist views: 'Culture and values' Interpretive views: 'Culture and meanings' Critical views: 'Culture and power'; Comparative Human Resource Management - Globalisation and HRM, The importance of context, Differences in HRM practice; Approaches to International Human Resource Management - Review of IHRM approaches, The concept of HRM, Are IHRM models applicable to other contexts? What factors affect HRM approaches internationally? What are the implications of change for IHRM approaches?			
Module -2 IHRM Policies and Practices - Part A		7 hours	
Managing Knowledge in Multinational Firms: Introduction, Different types of knowledge, Factors influencing knowledge sharing How to stimulate knowledge sharing Gaining access to external knowledge, Knowledge retention From the management of knowledge to innovation Training and Development: Developing Global Leaders and Expatriates Training and Development: Domestic Versus International Organisations International Training Management: Basic Concepts and Models Leadership Training and Development in International Organisations Technology in International Training Management.			
Module -3 IHRM Policies and Practices - Part B		7 hours	
Global Performance Management Introduction, Key components of PMS: Factors affecting PMS: Culture and PMS, PMS in six leading economies: China, India, Japan, South Korea, UK and USA, PMS for expatriates Total Rewards in the International Context Recap: differentiating between PCNs, TCNs and HCNs Introduction: the current state of total rewards Complexities faced by IHR managers, International total rewards objectives for the MNC Newer forms of international assignments, Key components of global total rewards programs. Approaches to international compensation Repatriation issues, International trends in global total rewards.			
Module -4 International Assignments And Employment Practices		5 hours	
Introduction Staffing policies, Motives for international transfers, Alternative forms of international assignments. The international assignment process Dimensions of international assignment success Multinational Companies and the Host Country Environment Introduction, Varieties of host country environments, Sustainability of divergent, employment arrangements Understanding how MNCs act in diverse host country, environments Host country effects on IHRM practices of MNC subsidiaries			
Module -5 Employment Practices		7 hours	
Regulation and Multinational Corporations: The Changing Context of Global Employment Relations Importance of regulation and political context, Political agendas to de-regulate, Political and institutional drivers of de-regulation, Problems with de-regulation in a global context. Human Resource Management in Cross-Border Mergers and Acquisitions. Cultural differences and cross-border M&A performance, Managing cross-border integration: the HRM implications

Module – 6 Diversity Management and CSR

7 hours

Equal opportunities, Diversity Management, Work-life balance: practices and discourses; International Culture Management: Model Organisational Culture and Innovation, Models of Culture, Hofstede's Four, Cultural Dimensions, Trompenaars' Seven Cultural Dimensions, Globe's Nine Cultural Dimensions, Edgar Schein's Model of Culture Deal and Kennedy's Culture Model, Schneider's Culture Model, Cameron and Quinn's Model of Culture Charles Handy's Model of Culture Denison's Model of Culture, Profile of Organisational Culture in International Organizations Managing International Culture. Corporate Social Responsibility and Sustainability through Ethical HRM practices. Ethics and corporate social responsibility International labour standards.

Course Outcomes:

1. Gain conceptual knowledge and practical experience in understanding the HR concepts globally.
2. Comprehend and correlate the strategic approaches to HR aspects amongst PCN's, TCN's and HCN's.
3. Develop knowledge and apply the concepts of HR in global perspective
4. Have a better insight of HR concepts, policies and practices by critically analysing the impact of contemporary issues globally.

Practical Components:

- A visit to Organisation and interact with HR Manager and list out the roles played by HR manager.
- Meet Recruitment Manager and ask- 10 questions one asks during Interview.
- Meet Training and Development Manager and list out various training given to employees; basis of training program; Need analysis.
- Visit any Service Organisation and observe HR functions; List them.

CO-PO MAPPING

CO	PO				
	PO1	PO2	PO3	PO4	PO5
CO1	X		X		X
CO2	X		X		X
CO3	X	X	X		
CO4	X		X	X	X

Question paper pattern:

The SEE question paper will be set for 100 marks and the marks scored will be proportionately reduced to 60.

- The question paper will have 8 full questions carrying equal marks.
- Each full question is for 20 marks.
- Each full question will have sub question covering all the topics under a Module.
- The students will have to answer five full questions; selecting four full question from question number one to seven and question number eight is compulsory.
- 100 percent theory in the SEE.

ENVIRONMENTAL STUDIES

Course Code	: 18CEV39	CIE Marks	: 40
Lecture Hours / Week (L:T:P)	: (1:0:0)	SEE Marks	: 60
Credits	: 01	Exam Hours	: 02

Module - 1

Ecosystems (Structure and Function): Forest, Desert, Wetlands, Riverine, Oceanic and Lake.

Biodiversity: Types, Value; Hot-spots; Threats and Conservation of biodiversity, Forest Wealth, and Deforestation.

Module - 2

Advances in Energy Systems (Merits, Demerits, Global Status and Applications): Hydrogen, Solar, OTEC, Tidal and Wind.

Natural Resource Management (Concept and case-studies): Disaster Management, Sustainable Mining, Cloud Seeding, and Carbon Trading.

Module - 3

Environmental Pollution (Sources, Impacts, Corrective and Preventive measures, Relevant Environmental Acts, Case-studies): Surface and Ground Water Pollution; Noise pollution; Soil Pollution and Air Pollution.

Waste Management & Public Health Aspects: Bio-medical Wastes; Solid waste; Hazardous wastes; E-wastes; Industrial and Municipal Sludge.

Module - 4

Global Environmental Concerns (Concept, policies and case-studies): Ground water depletion/recharging, Climate Change; Acid Rain; Ozone Depletion; Radon and Fluoride problem in drinking water; Resettlement and rehabilitation of people, Environmental Toxicology.

Module - 5

Latest Developments in Environmental Pollution Mitigation Tools (Concept and Applications): G.I.S. & Remote Sensing, Environment Impact Assessment, Environmental Management Systems, ISO14001; Environmental Stewardship- NGOs.

Field work: Visit to an Environmental Engineering Laboratory or Green Building or Water Treatment Plant or Waste water treatment Plant; ought to be Followed by understanding of process and its brief documentation.

surrounding of Agara Lake, Agara Village.

It was a one day program. The students were gathered in the college premises at 9.00 am and were told that the cleaning program will happen.

Cleaning Agara Lake

Cleaning Agara Lake

We went to Agara Lake by 10.30 am with few sickles and other equipment needed and started towards Agara lake. The entire team had cleaned the area around the lake first which was overgrown with bushes and other sorts of wild plants. It took us the whole day to clear the area of weeds and plastics which was strewn all over.

17th Sep 2016

Report on Swatch Bharat Abhiyan - Cleaning of Bommanahalli – Mangammanaplaya Junction

The event was held by the MBA Department, under the guidance of Dr.Sarit Kumar, Director, MBA on Saturday 17th Sept'16. The event was organised and implemented by Dept of Management studies as an initiative standing for the cause of building awareness among the youth towards Clean Earth. The faculty and the students of III sem MBA along with some of the housekeeping staff has taken the initiative to clean the Bommanahalli junction to create awareness among the public and the students towards clean earth/save earth.

18th Sep 2016

Report on Oxford Marathon 16 was organised on 18th September 2016 on the theme RUN TO CLEAN MOTHER EARTH.

Oxford Marathon 2016 was held in The Oxford College of Engineering, Bommanahalli, Bangalore under the guidance of Chairman Shri.S.N.V.L. Narasimha Raju and well-wishes of the Oxford Group of Institutions.

The event was conducted by the MBA Department, under the guidance of Dr.Sarit Kumar, Director, MBA. The credit for the success of the event was the whole hearted support of all HODs, the Principals of The Oxford group who had gone from class to class, and department to department to get the students registered for this event.

Oxford Marathon 2016- was a 5km run and a 10km turn around run from Oxford College Of Engineering Bommanahalli campus to Oxford College Of Science And Management H.S.R.Layout.

The event started with an inaugural function at 2.30 pm by the celebrity guest Mr. Harpal Singh Sokhi –famous as the celebrity chef of Turban Tadka cookery show. The Event was graced by Mr.Gurumurthy Reddy, Corporator, H.S.R.Layout, Shri.S.N.LV.Narasimharaju, Chairman of Oxford Group of Institutions , Major Mudde Gowda, Governing Council Member, Oxford Institutions. The key note address given by the Chief Guest has motivated and inspired the students participants. Chairman of Oxford Group of Institutions Shri.S.N.LV.Narasimharaju in his address appreciated the initiative of the MBA Department and congratulated Dr.Sarit Kumar, Director MBA department. The Event was graced by all the Principals and HODs of all the departments from both HSR and the Bommanahalli Campuses.

A special thanks to the DGP Mr. Om Prakash, DCP Mr. Abhishek Goyal , IG Mr.Yatindra, & ADGP Mr. Sanjay Sahay for their exclusive support in giving traffic and route clearance for the Marathon inspite of prohibitory orders where all the other scheduled marathons were postponed except the Oxford Marathon.

REPORT ON TREE PLANTATION (GREEN INDIA- CLEAN INDIA)

Name of The Event	TREE PLANTATION under GREEN INDIA- CLEAN INDIA
Month of event	04 th January, 2017
Venue	The Oxford College of Business Management, HSR Layout, Bangalore
Discussed Topic	Raised awareness among masses about climate change and global warming. Inspired to act towards the protection of the environment and focus on the need for conservation.
Organized by	The Oxford College of Engineering
No. of Participants	110
Output	The main objective of this program is to create responsiveness among the students about the need of the green in the environment and the importance of trees in our nature

A Tree Plantation Drive under the Green India- Clean India was organized by NSS unit of The Oxford College of Engineering with MBA students in The Oxford college of Business management, HSR Layout, Bangalore. The drive was inaugurated by Shri SNVL Narasimha Raju, Chairman and he elucidated the significance of a clean- surroundings to the students.

With a drive to create responsiveness among the students about the need of the green in the environment and the importance of trees in our nature, the program was organized. 110 Students with 15 faculty members and Principal planted saplings.

Tree Plantation

All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.

25th Jan, 2017

National Girl Child Day of India

National Girl Child Day was initiated by the Ministry of Women and Child Development in the year 2008 and is celebrated in the country on January 24 every year with an objective to provide support and opportunities to the girls of India. The main objective is to promote awareness about the rights of the girl child and also to create awareness on the importance of girl education, and their health and nutrition and also to encourage uplift the girls position in the society to make their living better among the society. Gender discrimination is a major problem that girls or women face throughout their life.

Group discussion was conducted among the students to discuss the different schemes that are provided to the girl child for her upliftment towards education, marriage, and social status in the society. Topics of discussion were Save the Girl Child, Beti Bachao Beti Padhao, Sukanya Samriddhi Yojana, CBSE Udaan Scheme, Free or subsidized education for girl child, and Reservation for women in colleges and universities.

4th Feb 2017

A Report on Discussion on Parliamentary budget by MBA Department

On the occasion of Vasant Panchami, the Budget for 2017-18 was presented by the Finance Minister of India, Arun Jaitley. The Theme of the 2017-18 Budget is "Transform, Energise and Clean India" – TEC India.

- Transform the quality of governance and quality of life of our people
- Energise various sections of society, especially the youth and the vulnerable, and enable them to unleash their true potential
- Clean the country from the evils of corruption, black money and non-transparent political funding.

- The students in their presentation made several important points, some of which are as follows:
 - The existing tax rate for individuals with incomes ranging from 2.5 lakhs to 5 lakhs has been decreased to 5%.

- A surcharge of 10% of tax is due on certain groups of taxpayers whose annual taxable income is between 50 lakh and 1 crore, and a surcharge of 15% is applied to taxpayers with an annual income of more than 1 crore.
- For individuals with taxable income up to 5 lakhs, but excluding income from profits and gains from businesses or professions, a one-page income tax return must be prepared (PGBP).
- With some circumstances, cash transactions over Rs. 3 lakh are not allowed.
- One individual may only donate a maximum of 2,000 rupees in cash in order to enhance transparency in election finance.
- The FIPB (Foreign Investment Promotion Board) will be eliminated
- Pradhan Mantri Gramin Awas Yojana will receive funding of Rs 23,000 crore.
- From 1,07,000 crores in the first half of 2015 to 1,45,000 crores in the first half of 2016–17, foreign direct investment grew.
- As of January 20, 2017, there are 361 billion US dollars in foreign exchange reserves.
- The Mahatma Gandhi National Rural Employment Guarantee Act received an allocation of Rs. 48 billion (MGNREGA)

BloodDonationCamp2017

16th March 2017

Report on World Head Injury Day

On the occasion of March 21st being **WORLD HEAD INJURY DAY**, Department of Management Studies has organized awareness program for TOCE students on “**Safety measures while riding two wheeler**” in association with **BANGALORE TRAFFIC POLICE AND NARAYANA HEALTH**. Event was conducted on 16.03.17, between 2 to 3 Pm at 6th floor seminar hall. Around 125 students from various departments of the college attended the program.

Following were the speakers

1. Puttamadaiah, Circle Inspector, Madiwala, Bangalore
2. Dr. Saurav Mahanta, MBBS, MD, Dip EM, MEM, Department of Emergency Medicine, Narayana Health
3. Mr. Aswatharamu, Business Development Executive, Narayana Health

Traffic police, Circle inspector gave the following instructions to the students to prevent road accidents

- ❖ Keep your eyes on the road. When you are driving, you should be doing just that and nothing else
- ❖ Never use your cell phone
- ❖ Don't use earphone
- ❖ Never, ever drink and drive
- ❖ Take care while you are riding in construction areas
- ❖ Follow speed limits
- ❖ Follow the rules and abide to the traffic signals on the road
- ❖ Ignore aggressive drivers
- ❖ Have patience while driving
- ❖ Wearing Helmets is compulsory for bike riders both driver as well as pillion rider

DR. Saurav Mahanta presented the details of how head injuries happen and what kind of first-aid can be given in need

1. Check the person's airway, breathing, and circulation. If necessary, begin rescue breathing and CPR.
2. If the person's breathing and heart rate are normal but the person is unconscious, treat as if there is a spinal injury. Stabilize the head and neck by placing your hands on both sides of the person's head. Keep the head in line with the spine and prevent movement. Wait for medical help.
3. Stop any bleeding by firmly pressing a clean cloth on the wound. If the injury is serious, be careful not to move the person's head. If blood soaks through the cloth, do not remove it. Place another cloth over the first one.
4. If you suspect a skull fracture, do not apply direct pressure to the bleeding site, and do not remove any debris from the wound. Cover the wound with sterile gauze dressing.
5. If the person is vomiting, to prevent choking, roll the person's head, neck, and body as one unit onto their side. This still protects the spine, which you must always assume is injured in the case of a head injury. Children often vomit once after a head injury. This may not be a problem, but call a doctor for further guidance.

Overall, the session acted as an eye opener for the students.

12th April 2017

Report on Ethnic Day Celebrations

Ethnic day @ MBA Dept on 12th April 2017.

“Diversity makes the world more beautiful”!

Going Traditional...Students of MBA spotted with the ethnic wear, very colourfully dressed. In the Era of modernization and westernization when most of the people are moving Away from their own culture and history, Ethnic Day was organised and conducted by the Department of MBA on 12th April, 2017.

The celebrations of Ethnic day started with the ethnic day speech and it continued with the Activity of musical chair for Faculties. Mrs PAROMITA BOSE won the Game and then o fashion walk for the students who were deemed in ethnic attires, participated in radiating enthusiasm and passion for MR and Miss Ethnic Day. The fashion show had three rounds and was conducted in the seminar hall of MBA DEPT wherein they displayed their ethnic dresses. The students came one after another to the stage and explained briefly about their Costumes and also shared the importance of their culture and heritage. There were more than 40contestants participating in these event which made the fashion show more successful. Also there were other attractive events such as talents show, selfie contest for the non participatnts of fashion show. The senior students also performed an entertaining group dance for the juniors. All the celebrations ended with tasty Ethnic food..

The prize winners in different categories are:

Mr. Ehnic - Nandeesh P

Miss Ethnic - Mahajabeen, IV Sem MBA

Winners of Selfi contest: Ahmed Bilal and team

Winner of Talent show: Kretee Dhakal

Report on National Safety Day

On the occasion of Road Safety Day on 12.05.17, Department of Management Studies, The Oxford College of Engineering organised an awareness program to the civilians at Bommanahalli Junction and also in the college campus.

Objectives of the Program

- To build awareness to the general public about the road safety rules
- To help the students on the campus and off the campus understand the importance of following traffic rules and safety norms
- To create awareness to the pedestrians about the safety rules in crossing the roads

Department of Management Studies, of The Oxford College of Engineering has organized awareness program on "Safety measures while riding two wheeler" in association with BANGALORE TRAFFIC POLICE AND NARAYANA HEALTH. Students were holding Placards on the Bommanahalli signal on Hosur Road highlighting the importance of wearing helmets while riding two-wheeler. They also stressed on the importance to ride within the speed limits.

Students carried the following slogans in the placards to create the awareness among the Four wheelers, two wheelers and pedestrians

- Start early, drive slowly and reach safely
- Speed Thrills but Kills
- Use helmet and avoid death
- Alert today – Alive tomorrow.
- Normal speed meets every need.
- If you know you are driving to your death –would you still drive so fast?
- You can't get home, unless you're safe.
- Night doubles traffic troubles.
- Leave sooner, drive slower, live longer.
- Slow down! Your family will be waiting for you.
- Stop accidents before they stop you.
- Drive as if every child on the street were you own.
- Safe Driving, Saves Lives.

- *Through these activities, we also reaches out to school children and college students, motivating them to be more aware of road safety challenges and be responsible safety ambassadors*
- "We are committed as a safety leader and will continue its safety journey to become the most admired company by offerings best-in-class safety technology through its products and promoting right safety culture in the society through varied road safety campaigns in the nation. We acknowledge the support of Bangalore Traffic Police and our stakeholders for their dedicated efforts towards spreading awareness on various road safety problems and responsible safety habits."
- He further adds, "We are continuously striving to be a safety role model in the industry, taking safety to the next level by thoroughly eliminating accidents both inside and outside the workplace. We are happy to witness the enthusiasm and the overwhelming participation from our partners and stakeholders to drive this message. Road safety today, has become a critical issue that requires collective efforts in order to build a safer environment for tomorrow. We need to create and reinforce awareness about how each one of us can contribute to it. Through these activities, we hope to bring in the required positive changes and inculcate best road practices among the society."

Report on Competition to create Awareness about the legal rights of women

With reference to circular received from VTU and NCW, Ref: VTU/BGM/Aca-OS/Govt./2017-18/5422 dated 25th Sept 2017 along with the copy of Govt. of Karnataka letter No. ED128 vividha 2017 dated 24th August 2017 and the letter from NCW Govt. of India dated 2nd August 2017, the Women's Grievance Redressal cell of the college organized a college level competition. In view of this, and seeking approval to conduct the competition, a e-mail was sent to NCW at jsncw-wcd@nic.in on 27th Sept 2017 and had received reply on 28th Sept 2017 from KL Sharma, Joint Secretary, National Commission for Women to go ahead conduct the competition.

Program Coordinator Dr. Bala Koteswari & Prof. A. Sahana Women Grievance Redressal Committee Coordinators from Department of Management Studies conducted a meeting with the Women Grievance Redressal Coordinators from all departments and a circular in view of this was sent to all departments of the college. 220 students (both boys and girls) registered to take up competition. The test was conducted on 11th November 2017 from 11:00 AM to 12:00 PM which constituted 50 Multiple Choice type questions (MCQ's). MCQ's were framed based on the topics specified in the notification by NCW in respect of provisions of the constitution and laws relating to women's rights and empowerment.

Report on National Safety Day

On the occasion of Road Safety Day on Saturday, 12th May 2018, students of The Oxford College of Engineering organised an awareness program to the civilians at Bommanahalli Junction and also in the college campus.

- To build awareness to the general public about the road safety rules
- To help the students on the campus and off the campus understand the importance of following traffic rules and safety norms
- To create awareness to the pedestrians about the safety rules in crossing the roads

Students of the Department of Management Studies, of The Oxford College of Engineering were holding Placards on the Bommanahalli signal on Hosur Road highlighting the importance of wearing helmets while riding two-wheeler. They also stressed on the importance to ride within the speed limits.

Some of the slogans on their placards included the following quotes:

- Start early, drive slowly and reach safely
- Speed Thrills but Kills
- Use helmet and avoid death
- Alert today – Alive tomorrow.
- Normal speed meets every need.
- Slow down! Your family will be waiting for you.
- Stop accidents before they stop you.
- Drive as if every child on the street were you own.
- Safe Driving, Saves Lives.

Winners of Staff Events

Report on International Yoga Day on 21st June 2018.

On the occasion of International Yoga Day on 21st June, The Oxford College of Engineering in association with Art of Living organized and conducted Yoga Session for the faculty and staff. Ms. Khushpinder Kaur Sangha and Ms. Tejaswi Vobilliseti, yoga teachers from Art of Living had taken the session from 10:30 to 11:30 AM. Dr. R V Praveena Gowda, Principal, The Oxford College of Engineering welcomed the yoga trainers and addressed the gathering. He mentioned that YOGA is the need of the day and with the initiative of AYUSH, Government of India it has gained momentum at College and School level to celebrate the International Yoga Day for a better society with better citizens.

Highlights of the session include practicing the following:

Breathing techniques, Relaxation exercises, Stretching, Yoga asanas and Sri Meditation

Benefits of the sessions for the faculty/Individual:

- Higher energy levels
- Improved concentration
- Increased blood circulation
- Strengthen immunity
- Optimum glandular activity
- Enhancement of lung and heart capacity
- Improved posture
- Improved digestion and elimination
- Attaining calmness and peaceful mind with refined focus and concentration

Benefits for the organization

- Decreased absenteeism and sickness leaves
- Positive attitude and outlook
- General well-being in the workplace
- Enhanced productivity and quality of work
- Lower stress levels
- Increased efficiency

Report on Traffic Awareness Program

The Department of Information Science and Engineering of The Oxford College of Engineering organized an event to create awareness among the people about the consequences of not obeying traffic rules.

Name of The Event	Follow the traffic rules: Emphasis on risk factors
Venue	Govt. PUC College Madiwala
Discussed Topic	Creating awareness among the people about the consequences of not following the traffic rules
Organized by	The Oxford College of Engineering
No. of Participants	15
Output	<p>The main reason behind spreading traffic rule awareness is to make people realise the loss they have cause of accident they cause, with their ignorance to traffic rule.</p> <p>The faculties and NSS member team also gave information about “motor vehicle act and traffic rules” and also said that the best way to keep others and yourself safe is to follow proper traffic rules. Whenever you drive a car follow the traffic rules, it is important to wear helmet while driving a two wheeler , obey the traffic lights to avoid accidents. One should always wear seat belt while driving a car. Avoid rash driving as fast speed is the core reason of accidents. Always carry all the paper of the vehicle, Don't drink while driving, Stop unnecessary honking, Don't violate the designated traffic zones, Stop using mobile phones while driving.</p> <p>To improve the traffic of the city, the team have collected the traffic police whatsapp number and helpline number and also said if any one breaks the traffic rules just make a video and send it to them.</p>

5th Nov 2018

Report on KANNADA RAJYOTSAVA Celebrations -Nov 2018

Kannada Rajyotsava is an auspicious occasion to remember our honorable and historical personalities of Karnataka and also to get connected to our roots and culture. By the divine blessings of our Founder Chairman Shri. S Narasa Raju Garu and with support and encouragement of Chairman, The Oxford College of Institutions, Shri. SNVL Narasimha Raju Garu , the OXFORD family was immensely happy and honoured to celebrate Kannada Rajyotsava.

The event had eminent personalities as guests namely Dr. Ganjana na Sharma, Retired Superintendent Engineer, Shri. Tejaswi Surya-well known Speaker, LLB from Bengaluru. This mega event had activities like hoisting Karnataka flag with the “Naada Geethe” (State Anthem) after which Dr. Gajanana Sharma and Shri. Tejaswi Surya gave passionate speech and inspired the gathering and also encouraged the students to work towards building a brighter nation.

Cultural activities like dancing, singing, etc. were performed by the students from all the departments. Students actively participated in the event and the crowd cheered with lot of zeal and enthusiasm. DolluKunitha was performed in the afternoon with music and where the attractive attire of the troop and their high spirits filled the air with fun and frolic. Everyone danced to their hearts content to the tunes of “Thamate” and “DolluKunitha”.

The event highlighted on the significance of preserving the language “KANNADA” and emphasized the responsibility of Bengalurians in bringing the beauty and essence of the language back to its original status.

A Report on World Aids Day – AIDS Awareness Programme in Rupena Agrahara Village

Name of The Event	WORLD AIDS DAY
Month of event	1 st December,2018
Venue	Rupena Agrahara Village
Discussed Topic	AIDS AWARENESS programme
Organized by	NSS Unit ,The Oxford College of Engineering
No. of Participants	35

National Service Scheme (NSS) of TOCE have organized AIDS AWARENESS programme on Role of youth in Prevention and awareness of AIDS on 1/12/2018 at college Premises with 35 students with NSS Coordinator and 5 Faculty members.

The rampant spread of the HIV/AIDS virus over the past 29 years has created the most significant global public health crisis in modern era. Acquired Immuno Deficiency Syndrome (AIDS) caused by Human Immuno-deficiency Virus (HIV) is posing a serious challenge to the conceptual foundations and the practice of development planning worldwide. Nearly half of the new HIV infections are occurring in young people¹. HIV/AIDS is retarding economic growth by destroying human capital by mainly affecting the young adults in the age group of 15–24 years who are in their most productive ages of life.

Skit on various Aids issues facing in India

Student volunteers enacted series of skits on various Aids issues facing in India. In this skit they have covered detail information about Aids & what are the precautions should be taken to avoid Aids. NSS Volunteers have taken great efforts to conduct program smoothly.

13th Dec 2018

Report on PLASTIC FREE CAMPUS

The objective of the event was to bring awareness among the Faculty, Students and the common people about the usage of plastic, its after effects and the available alternatives. They were given a brief idea about the Importance of avoiding plastic.

The event of "PLASTIC FREE CAMPUS" was organized by 1st year MBA students of The Oxford College of Engineering on **13th of December 2018**.

Dr. Amarnath, Director and Dr. R V Praveena Gowda, Principal of The Oxford College of Engineering, Dr. R V Dhanalakshmi HOD of Department of Management Studies also participated in the event.

The event was aimed at:

- Creating awareness on the harmful effects of using Plastic.
- Removal of all plastic items throughout the campus.
- Giving away paper bags as alternatives.

27th Dec 2018

Report on Nationwide Competition for Women Students about Laws related to Constitutional and Legal Rights of Woman

The Oxford College of Engineering has strong legal safeguards for Women Students. These thriving women safe guard network and bring value to every one associated with the College. To spread awareness and recognition of TOCE women brand to create opportunities and guiding the current Women Students.

We truly believe that the TOCE experience begins in campus, it was enjoyed for the rest of one's life. The Legal Right of Woman plays an important role in building long lasting relationships and creating awareness among the Women Students.

The TOCE Women Student's association aim was to facilitate lifelong learning through the exchange of ideas and knowledge. The desire to share knowledge and skills beyond the work place and family may very well stem from the many community and philanthropic activities. These activities were exposed to Women Students of the College.

The second nationwide competition for women students about the laws related to constitutional and legal rights was conducted on 27th December 2018. More than 200 women students participated in the competition. It was presided over by the chief guest, Chairman, Director and Principal of the college. All the dignitaries addressed the gathering. It was useful session especially for the women students of the college.

Report on Anti- Terrorism Day

Anti Terrorism Day is observed to spread the message of peace and humanity. On this day, we remember the sacrifices of our patriot brothers and sisters who have laid down their lives to protect our country against terrorism.

Anti – terrorism day was organized by The Department of Management Studies of The Oxford College of Engineering on 22nd May 2019 to create an awareness on Terrorism and its effects by taking an oath

21st June 2019

Report on International Yoga Day Celebrations

On 21st June, 2019 International Yoga Day was celebrated in the Department of MBA. Mr Dilip Rathore, Yoga Trainer from 'Art of Living', Bangalore, trained the participants on basics of Yoga.

Benefits of the sessions for the faculty/Individual:

- Higher energy levels
- Improved concentration
- Increased blood circulation
- Strengthen immunity
- Optimum glandular activity
- Enhancement of lung and heart capacity
- Improved posture
- Improved digestion and elimination
- Attaining calmness and peaceful mind with refined focus and concentration

Benefits for the organization

- Decreased absenteeism and sickness leaves
- Positive attitude and outlook
- General well-being in the workplace
- Enhanced productivity and quality of work
- Lower stress levels
- Increased efficiency

Takeaways and Feedback of the Participants

- Dr. Narayan Doddapattar, Professor and HOD, Department of Mechanical Engineering shared his views on the session and stated that all of us should incorporate Yoga in our life style for better results at individual and organizational level.
- Mr. Dhanunjay, Placement Officer said that he experienced peace and serenity doing the yoga and he will continue practicing yoga on regular basis.
- Dr. Jayanthi Kumari, HOD, Department of Mechatronics Engineering shared that practicing yoga on regular basis helped her in completing her Ph.D in time at peace.
- Faculty participants opined that they would like to continue yoga for better health and for sound mind and body.
- Faculty also expressed that Yoga is not an option but it is a necessity for everyone.
- Faculty with various issues of health and fitness interacted with the trainer for tips and suggestions.

'PLANTATION DRIVE' (GREEN INDIA- CLEAN INDIA)
In Association with BrahmaKumaris Foundation

At Begur Road, Bangalore

NSS Unit of The Oxford College of Engineering had conducted plantation drive in Beguru Road as per the direction of Hon'ble HRD Minister Ramesh Pokriyal Nishank. This program launched a new campaign **"One Student One Tree"** in line with the **Hon'ble Prime Minister Narendra Modi's** idea of a green and healthy environment.

The Awareness Program was conducted in association with **BrahmaKumaris Foundation** by Ms B K Megha Deep, who was the speaker for the same. There were 100 students participated with 5 Faculty members in this event.

It was very informative Awareness session especially for the Students of our College. Director, Principal and the students were planted the saplings in our campus.

A REPORT ON SWACHHTA HI SEVA 2019 -PLASTIC WASTE FREE CAMPAIGN AT GAREBHAVIPALYA VILLAGE

Swachhta Hi Seva 2019 campaign was launched by Prime Minister Narendra Modi on September 11, 2019. The theme of the campaign is '**plastic waste awareness and management**'.

Taking Prime Minister Narendra Modi's ambitious Clean India Mission a step forward, The Oxford College of Engineering, Bangalore has conducted Swachhata Hi Seva campaign in the campus for awareness creation on single use plastic.

Students participation in Plastic Free Awareness Program in Garabhavipalya Village

Swachhta Hi Seva, an initiative of the Swachh Bharat Mission, aims to generate greater public participation, reinforce the concept of "sanitation as everyone's business" and culminate Mahatma Gandhi's 150th birth year celebration with a nationwide campaign.

Swachhata Hi Seva (SHS) 2019, a Jan andolan for Swachhata, has organised with a focus on Plastic Waste Management, given the detrimental effect of uncollected plastic waste on human beings, animals and the environment at large.

19th Nov 2019

A Report on Entrepreneurship Day

National Entrepreneurship day is an event conducted on the third Tuesday of November every year. As an initiative of Department of MBA, one day work shop on journey of entrepreneurs on 19th November 2019 was organized and conducted for the students of The Oxford of Engineering.

The purpose of the workshop is to have an overview of challenges, problems and threats faced by an entrepreneur in establishing the enterprise. It is essential to have an experience of failure in the path of success which would give a stepping stone for future entrepreneurs.

It also enhances the ability to be innovative and creative for the younger generation to venture the startups.

Objectives of the workshop:

1. To develop entrepreneurial skills among students
2. To explore the ways and means of idea generation of startups
3. To explore the sources of funds for startups
4. To understand the challenges, problems and threat faced by an entrepreneur.

The day started with inauguration by the blessings of our chairman and it was inaugurated by honorable Principal Dr. Praveena Gowda and by Dr. James Thomas, HOD, MBA dept. Key note address was given by Dr.Praveena Gowda.

Program flow

27th Nov, 2019

A Report on Kannada Rajyotsava Day

The Oxford College of Engineering, celebrated Kannada Rajyotsava Day on 27 th November 2019. The Cultural event added color to the event where Mr Rahul Dito & M C Bijju, Rap singers took the spectators to another world with their mesmerizing performance by singing Kannada songs. The traditional essence of Kannadigas was everywhere.

The program started with the welcome speech from Dr. A S Aravind, Principal, TOCE.

Later Principal & Dr. Amarnath K, Director, TOCE lighted the lamp with other dignitaries.

Students of Engineering, MBA and MCA actively participated in the Program.

The Program highlighted on how the importance of Kannada Language is declining day by day in its own land and faces the threatening of extinction after few decades. Dr. Amarnath. K, Director, TOCE, in his speech emphasized that language is the life and soul for any culture. If the language losses its priority, it might result in the declining of that culture too.

A REPORT ON INTERNATIONAL WOMEN'S DAY CELEBRATIONS

About Women's Day

"A woman is the full circle. Within her is the power to create, nurture and transform."

- Diane Marie child

International Women's Day has a rich history dating back 108 years — the first glimpse of it was in 1909 when the Socialist Party of America celebrated 15,000 women who protested long work hours, low pay, and the lack of voting rights in New York City.

Originally called National Woman's Day, the monumental annual celebration spread across the world (officially celebrated in 1911), but it was Russia who unknowingly set the March 8 trend. Although International Women's Day became an official holiday in Russia in 1913, women still experienced difficulties caused by WWI. While men were off at war, women dealt with food shortages and a government who wouldn't listen to them.

International women's day is dedicated to celebrating women's achievements in the social, economic, cultural, and political spheres. The day, collectively founded by women, also brings attention to gender parity and women's rights.

Gender parity is a statistical measure that compares women and men through their income, education, and work hours, among other points. This sociological metric helps researchers understand how society is progressing or regressing in specific areas. It's also an important tool for policymakers striving towards gender equality.

Ten values that guide International Women's Day are:

- Dignity
- Hope
- Equality
- Collaboration
- Tenacity
- Appreciation
- Respect
- Empathy
- Forgiveness
- Justice

The objectives of the International Women's Day are:

- 1) To celebrate the struggle for women's rights in the economic, social, political, and cultural domain
- 2) To reaffirm women's solidarity in the struggle for peace
- 3) To show what women have achieved

About The Speaker:

Karthick is one of the founding partners of Knowise and has been working in the financial services industry for more than 15 years. He has extensively worked with professionals to equip them with skill set and knowledge required in their professional journey. Karthick is a CFP & an MBA and has worked as a preferred training partner with multiple reputed entities like NiSM, NSDC, and FPSB India etc.

Prior to Knowise, he has worked in the Asset Management and Wealth Management space, which gives him all-round understanding of the industry. He has a strong track record of conducting workshops across India on Equity-Debt-Derivatives Markets, Financial Planning, wealth Management and structured programs to CFP aspirants.

He threw light on the various aspects related to investment banking and also explained in our current investment and political climate, asset owners face numerous challenges with their investment portfolios. Market volatility and political uncertainty challenge the usual ways of investing and managing risk. These factors have also increased pressure on executives to protect investments while creating real returns. Suboptimal investment arrangements can lead to eroded returns and the failure to capture timely market opportunities. The importance and the role the investment bankers in the industry. Apart from throwing light on different aspects of investment banking, he also spoke about the trends in the financial markets. It was high-quality learning for the faculty of finance to know about the financial concepts like the venture capital, Initial Public Offer (IPO), merchant banking, investment banking and mutual funds current trends.

August 15, 1947, a red-letter day for the Indians, is celebrated with great fanfare and

show, across the length and breadth of India. The day, which is a national holiday, is dedicated to all those brave freedom fighters who fetched India her due respect and the much desired independence from the British rule. People in the country honor them, for sacrificing their lives for the freedom of their motherland. The day is celebrated by hoisting national flag, flying kites and organizing cultural activities in educational institutions. If you want to know all about the history of Independence Day, Day, then go through the following lines.

August 15, the Independence Day of India, is celebrated with great gusto. It is also a national holiday, with educational institutions, private and government organizations remaining closed, but opened for official celebrations in the morning.

It is a time to contemplate what we have achieved by freedom and how we achieved it. Though India had no dearth of religious and community festivals, there was, until Independence, no true national festival that the whole country could partake of. Independence

Report on Teacher Day & Engineer Day Celebrations

Every year on 15th September, India along with Sri Lanka and Tanzania celebrate the Birth anniversary of Sir M Visvesvaraya as Engineer Day in honour of his achievements and also to commemorate the great works of engineers and to encourage them for improvement and encouragement.

Mokshagundam Visvesvaraya was born on September 15, 1861, in the Muddenahalli village of Karnataka. He completed his school education in his hometown and later went to study Bachelor of Arts (BA) from the University of Madras. However, he changed his career path after graduating and pursued civil engineering at the College of Science in Pune.

Sir M V Visvesvaraya undertook many complex projects and delivered remarkable infrastructural results during his career. He patented and installed an irrigation system with water floodgates at the Khadakvasla reservoir near Pune to raise the food supply level and storage to the highest levels known as 'block system'. An expert in irrigation techniques and flood disaster management, Sir MV was not just a great civil engineer but also served as the 19th Diwan of Mysore from 1912 to 1919. While serving as the Diwan of Mysore, in 1915 he was awarded 'Knight' as a commander of the British Indian Empire by King George V.

The Oxford College of Engineering organized a meeting at the 6th floor seminar hall – new building on this occasion, Principal, Director and HoDs of various Departments spoke on this occasion.

13th October 2020

A REPORT ON PARTICIPATION IN “JAN ANDOLAN CAMPAIGN ON COVID - 19’ on the occasion of 150 Years of Celebrating the Mahatma

On 13th October 2020, the NSS unit of The oxford College of Engineering organized a Public Health Response to COVID -19: Campaign for COVID – Appropriate Behaviour

ABOUT JAN ANDOLAN CAMPAIGN

Our Honourable Prime Minister Shri Narendra Modi had launched a Jan Andolan Campaign on COVID – 19, by a tweet. The Jan Andolan Campaign is a Low cost, High Intensity Campaign driven by people’s participation, for dissemination throughout the country using all media platforms. The campaign emphasizes on “Unlock with precautions” i.e., COVID – 19 Appropriate Behaviour in the new normal. The three key messages being highlighted are –

“Wear Mask

“Follow Physical Distancing”

“Maintain Social Hygiene”

The highlight of the campaign is the partnership and concerted effort of Central Government Ministries and Departments and the State Governments, along with their attached and subordinate offices, PSUs, private sector industry and business, etc., In this way, the campaign seeks to reach each and every citizen of India. In this regard, a circular was received from Government of India, Ministry of Information & Broadcasting, Shastri Bhawan, New Delhi.

Birth anniversary of former Prime Minister Rajiv Gandhi was celebrated as Sadbhavana Diwas on Thursday 20th August, 2020 by The Oxford college of Engineering, Bangalore to encourage the national integration, peace, national integrity, love, affection and communal harmony among the Indian people of all religions.

NSS committee of The Oxford College of Engineering arranged all religions prayers, took oath to serve all without any partiality.

Dr. Amarnath.K, Director, The Oxford Group of Institutions Dr Mallikharjun. K, Principal In- Charge, NSS coordinator & Committee members, Heads and Faculty of all departments and Non-Teaching staff attended the programme and recalled the services of the late Prime Minister Rajiv Gandhi and his contribution to the nation.. Floral tributes were paid to Rajiv Gandhi by all participants.

They were led into the Oath taking ceremony by Dr. R V Dhanalakshmi, HOD-MBA.

Report on Kannada Rajyotsava

Kannada Rajyotsava is an auspicious occasion to remember our honorable and historical personalities of Karnataka and also to get connected to our roots and culture. By the divine blessings of our Founder Chairman Shri. S Narasa Raju Garu and with support and encouragement of Chairman, The Oxford College of Institutions, Shri. SNVL Narasimha Raju Garu, the OXFORD family was immensely happy and honoured to celebrate Kannada Rajyotsava. Following the Covid-19 Protocol, the celebrations were simple with Karnataka flag hoisting session

Report on Indian Constitution Day

CELEBRATION OF 71st ANNIVERSARY OF “INDIAN CONSTITUTION DAY/ SAMVIDHAN DIVAS’

&

WATCHING THE LIVE STRAEM FROM PARLIAMENT

on

26th November, 2020

The existence and successful survival of “Democracy” in such diverse conditions is the most celebrated fact about our country and the constitution is its backbone. To reinforce the significance and importance of constitution the government of India declared the 26th of November as Constitution Day on 19 November 2015 by gazette notification in remembrance of the Father of Indian Constitution, Dr. B R Ambedkar.

The occasion was also celebrated on the premises of TOCE on 26th November, 2020 by NSS unit with all Teaching and Non-Teaching staff members.. It was marked by the conduct of a ‘Special Assembly’ in Board room of TOCE The celebration started with very apt words as the thought for the day “The flavor of tri-color should not be depicted only through our words but also through our actions.”

The event started at 11 am, anchoring was done by Prof., Sahana, MBA dept., with introduction of college , message from director, lighting the lamp and the guest was introduced to the audience by Dr. Yashoda, Prof and Head Mechatronics department.

The speaker of the event started the session online (virtual mode) and all the participants who had assembled in seminar hall listened patiently as the talk was very interesting which highlighted on Gender neutrality, female foeticide (PCPNDT act 1994), property succession act 1955, dowry prohibition act, domestic violence, eve teasing, indecent representation of women prohibition act, Sexual harassment of women at work place (prevention prohibition and

protection act 2013) etc. The talk went on till 12.30pm then ended with interactions with guest and vote of thanks.

22 April 2021

A Report on World Earth Day -Plant a tree Initiative on 22nd April at Ramnagara Forest reserve

An outreach programme on “World Earth Day -Plant a tree Initiative” on the occasion of world earthday was organized by 6th semester students of Department of Biotechnology on 22nd April at Ramnagara Forest reserve. **Plants are the most important in our life.** They, directly or indirectly, provide us life. We get oxygen, food, shelter from them and they are the major source of rain in our environment. Most people depend on plant economically to survive. **But the reckless deforestation due to urbanization** and industrialization is the major source of pollution all over the world. Several new diseases have been originated due to the increased pollution. For the solution of destructive problem and to promote plantation, and to create awareness among the locals the Department of Biotechnology has organized Plant a tree initiative in the Ramnagara forest reserve. Under the program, **trees have been planted** in the foothill of Ramnagara forest reserve. A positive effect of the Plant a tree initiative has been observed among the localities. They are impressed by the program and now they are promoting plantation. These newly planted trees will definitely help to conserve the environment and provide shelter to the passer-bys. All villagers appreciated the Plant a tree initiative and thanked for it.

Corona virus disease (COVID-19) is a deadly virus that continues to afflict many countries worldwide. The development of a COVID-19 vaccine to combat the disease's spread and devastating effects is still ongoing, and as the pandemic progresses, new, more effective vaccines are likely to be created.

An outreach programme on “Covid-19 Vaccination Awareness Programme” was organized by 6th semester students of Department of CSE on 18th July 2021 at Anekal Bangalore. The main aim of this awareness programme is to create awareness of Vaccination to maximum number of people to stay safe from the transmission and spread of corona virus (COVID-19). The awareness programme successfully managed to engage the community and the students visited different places, construction workers quarters and heavily populated areas to educate people on important public health measures such as wearing masks at all times, maintaining physical distancing whenever possible, and keeping hands sanitizing. The Vaccination awareness Program awareness programme was so successful that it has turned to mega event. The locals appreciated the efforts of students to explain them about need of Vaccination is very important to avoid 3rd wave of COVID-19. The activity was very much appreciated with benefited people.

After adjusting for the potential confounding, multi variable logistic regression analysis with backward conditional method indicated that educational level, place of residence, and communication media (mass media) were significantly associated with awareness towards COVID-19 vaccine. Educational level was one that was significantly associated with the level of awareness towards COVID-19 vaccination.

20th July 2021

Report on Swachh Bharat Abhiyan

“Swachh Bharat Abhiyan ” was organised on 20th July 2021 at Hongasandra, Begur Road , Bangalore -560068

Swachh Bharat Abhiyan Campaign done by Dept of MCA , The Oxford College of Engineering , Bangalore .It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets and integrated waste management to make Surroundings open defecation free, zero waste, dust free, plastic free and green. Final year MCA students have organized rally to bring awareness to keep surrounding clean among community people.

It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

To contribute in swachh Bharat Abhiyan activity & undertake cleanliness drive Shramdan activities also been carried out at various streets of madodhar village. Students have encouraged community people to join in swacha activity. They have participated in shramdan activity and shown their willingness and interest to keep surrounding clean.

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its responsibility of the entire citizens to keep their surrounding clean. Community people were encouraged to maintain their surrounding clean. Thus the students of TOCE college have initiated one steps towards- cleanliness”.

Areas where more number of households are resorting for open defecation Commercial Hotspots- Areas where most of floating population and workers in commercial establishments openly urinate or defecate due to non- availability of toilets or public toilets or poor awareness. The areas include commercial localities, passage of buildings, bus alighting points and near railway stations etc. Institutional Hotspots – Areas where the institutional lands are used by the citizens to defecate or urinate in open such as open areas in Govt Hospitals, Agriculture market yards, RTC bus stands, railway tracks, Govt lands etc.

Solid waste can also be defined as the organic and inorganic waste materials produced by households, commercial & industrial establishments that have no economic value to the owner. Further, as per biodegradability, solid waste can be classified as “biodegradable” and “nonbiodegradable” waste 3 Statutory towns are urban areas defined by administrative units that have been defined by ‘statute’ as urban such as municipal corporations, municipalities, cantonment boards, notified town area committees.

Report on “No more Plastic”

An outreach programme on - No more plastic- "No more plastic Initiative" on the occasion of plasticbag free day was organized by 8th semester students of Department of Electronics and communication on 12th July at Vivek Nagar. Plastic Bag Free Day is a global initiative that aims to eliminate the use of single-use plastic bags in the world. This work centered around Plastic Bag Free Day, on the 3rd of July each year. While plastic has many valuable uses, we have become addicted to single-use or disposable plastic -with severe environmental consequences.

Around the world, one million plastic drinking bottles are purchased every minute, while 5 trillion single-use plastic bags are used worldwide every year. In total, half of all plastic produced is designed to be used only once -and then thrown away.

Plastic waste is now so ubiquitous in the natural environment that scientists have even suggested it could serve as a geological indicator of the Anthropogenic era. We, the students of The Oxford College of Engineering, Department of ECE, took an initiative to keep our environment plastic free by picking up the plastics thrown on roads, the people around us appreciated our work and they also participated to keep the environment plastic free.

AWARENESS ON HAZARDOUS OF PLASTIC MATERIALS

Dr. V.S. Bharath HOD-HOD / EEE TOCE, Bangalore - 68	Date : 15-07-2021 Venue : Hongasandra Bangalore - 560068.	Dr. N. Kannan Principal TOCE, Bangalore - 68
--	--	---

We the Department of EEE, carried out the Awareness program on Hazardous of Plastic materials on 15.07.2021. Initially, Pledge has been taken in the department along with Students, Faculty members. All the volunteers started rally to spread the awareness in the Hongasandra Region. Students began to approach the residents, commercial building persons to make make the awareness of Single usage plastic ban as well as they enquired their process of disposing the waste also.

The main objective of this campaign is to spread the awareness about the hazards of plastic and to impart knowledge about the reduction and re-use of plastic. Primary motto is to make them understand the use of alternatives of plastic material in order to reduce the usage of plastic and preserve the environment.

WASTE MANAGEMENT AWARENESS PROGRAM

Dr R Ch A Naidu
HOD-CSE
TOCE, Bangalore – 68

Date : 17-07-2021
Venue : JP Nagar 8th Phase
Bangalore

Dr. N. Kannan
Principal
TOCE, Bangalore – 68

Waste management (or waste disposal) includes the activities and actions required to manage waste from its inception to its final disposal. This includes the collection, transport, treatment and disposal of waste, together with monitoring and regulation of the waste management process and waste-related laws, technologies, economic mechanisms. An outreach programme on “Waste Management Awareness Programme” was organized by 6th semester students of Department of CSE on 17th July 2021 at JP Nagar 7th phase BOB colony Bangalore. The main aim of this awareness programme is to create awareness about the importance of waste management to a maximum number of people for proper management of waste as it is important for building sustainable and liveable cities. The awareness programme successfully managed to engage the community and the students visited different places, residential of that area and heavily populated areas to educate people on importance of managing the waste such as Recycling, Re-use, and not just the garbage waste. The Waste Management Program was so successful that it has turned into a mega event. The locals appreciated the efforts of students to explain them about the causes by burning the garbage wastes. The activity was very much appreciated with benefited people.
