**DEPARTMENT OF COMPUTER SCIENCE ENGINEERING**  
(Approved by AICTE & Accredited by NAAC, New Delhi & Affiliated to VTU, Belgaum)

**Academic year 2021 - 22 Odd Semester**  
**Minutes of Meeting**  
**Exam grievances**

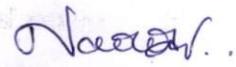

The Department of Computer Science and Engineering conducts regular meetings in order to look into the problems and grievances faced by students in internal assessment and university examination. The meeting for the present academic year was conducted on 21<sup>st</sup> April 2022 at 12:10 pm

S.No	Name of the Member	Designation
1	Dr. R Ch A Naidu	Professor & HOD/CSE, IQAC Coordinator
2	Dr. J A Smitha	Professor Criteria 2 Coordinator
3	Ms Lenish	Assistant Professor
3	Students	6 <sup>th</sup> and 8 <sup>th</sup> Sem CSE students

The following issues and concerns of the students were observed;

1. Students wanted internal assessment of the difficult subjects to be held on different days instead of tests being conducted in the series order of subject code.
2. Students also brought it to our notice that university question papers some times include topics from old scheme for certain subjects instead of revised scheme and also the questions asked had topics that are mixed/combined from different modules.
3. In University Exam similar questions are repeatedly asked during the exams.
4. Weightage of marks are different in internal and external exams
5. Backlog exam was kept on the same day during University exam

The grievance review committee assured the students that the concerns and issues will be brought to the notice of the concerned authorities and effective measures will be taken in this regards so that the students will not have to face the problems in future.

## Grievance Cell meeting Report

### DEPARTMENT OF CIVIL ENGINEERING

(Approved by AICTE & Accredited by NAAC, New Delhi & Affiliated to VTU, Belgaum)

## Academic year 2021 - 22 Odd Semester Minutes of Meeting Exam grievances

The Department of Civil Engineering conducts regular meetings in order to look into the problems and grievances faced by students in internal assessment and university examination. The meeting for the present academic year was conducted on 21<sup>st</sup> April 2022 at 12:10 pm

S.No	Name of the Member	Designation
1	Dr. Malleshaiah T S	Professor & HOD/CSE, IQAC Coordinator
2	Dr. J A Smitha	Professor Criteria 2 Coordinator
3	Ms Lenish	Assistant Professor
4	Ms. Kavya S K	Assistant Professor
5	Students	6 <sup>th</sup> and 8 <sup>th</sup> Sem CSE students

The following issues and concerns of the students were observed;

1. Students wanted internal assessment of the difficult subjects to be held on different days instead of tests being conducted in the series order of subject code.
2. Students also brought it to our notice that university question papers sometimes include topics from old scheme for certain subjects instead of revised scheme and also the questions asked had topics that are mixed/combined from different modules.
3. In University Exam similar questions are repeatedly asked during the exams.
4. Weightage of marks are different in internal and external exams
5. Backlog exam was kept on the same day during University exam

The grievance review committee assured the students that the concerns and issues will be brought to the notice of the concerned authorities and effective measures will be taken in this regard so that the students will not have to face the problems in future.

Exam grievances

The Department of Electrical & Electronics Engineering conducts regular meetings in order to look into the problems and grievances faced by students in internal assessment and university examination. The meeting for the present academic year was conducted on 21<sup>st</sup> April 2022 at 03:35 pm

S.No	Name of the Member	Designation

2	Dr. J A Smitha	Professor Criteria 2 Coordinator
3	Mrs. Raichel Ruby	Assistant Professor, EEE
3	Students	6 <sup>th</sup> and 8 <sup>th</sup> Sem EEE students

The following issues and concerns of the students were observed,

1. Students told few subjects are lengthy so they are not getting enough time to complete during the external exam.
2. Best of two in Internal exam can be taken instead of best of three
3. Each day only one Internal test can be kept so that they will be getting enough time to prepare for the exams
4. Question paper can be given 15 minutes prior to the exam starting time in External exams.
5. EEE question papers with answer schemes not available in VTU portal. It would be helpful if the scheme and solution of VTU papers are made available in portal.

The grievance review committee assured the students that the concerns and issues will be brought to the notice of the concerned authorities and effective measures will be taken in this regards so that the students will not have to face the problems in future.

The department of biotechnology conducts regular meetings in order to look into the problems and grievances faced by students in internal assessment and university examination. The meeting for the present academic year was conducted on 21<sup>st</sup> April 2022 at 10:00 am for 6<sup>th</sup> and 8<sup>th</sup> semester students.

The following issues and concerns of the students were observed;

1. Internal assessment due to centralization emphasizes on topics of less importance and the question paper was set which covers these topics, in this regards students want the question paper set in accordance with university question paper as they are spending more time studying topics that will not be asked in university exam. Students also claimed that due to this their academic performance will be affected.
2. Students wanted internal assessment of the difficult subjects to be held on different days instead of tests being conducted in the series order of subject code.
3. Students also brought it to our notice that university question papers included topics from old scheme for certain subjects instead of revised scheme and also the questions asked had topics jumbled up from different chapters.

The grievance review committee assured the students that the concerns and issues will be brought to the notice of the concerned office and effective measures would be taken in this regards.

**Exam grievances**

The department of MCA conducts regular meetings in order to look into the problems and grievances faced by students in internal assessment and university examination. The meeting for the present academic year was conducted on 21<sup>st</sup> April 2022 at 10:00 am for 1<sup>st</sup> and 4<sup>th</sup> semester students.

The following issues and concerns of the students were observed;

1. Due to centralization of Internal assessment the emphasis is placed on less important topics and the question paper has been established to cover these topics, in this regard, students want the question paper to be placed in line with the question paper of the university because they spend more time studying topics that will not be asked in the university exam. The students also believe that because of this, their academic performance might be affected.
2. Students wanted internal assessment of the difficult subjects to be held on different days instead of tests being conducted in the series order of subject code.
3. Students also brought it to our notice that university question papers some times include topics from old scheme for certain subjects instead of revised scheme and also the questions asked had topics that are mixed/combined from different modules.

Minutes of Meeting

Exam grievances

The Department of Mechanical Engineering conducts regular meetings in order to look into the problems and grievances faced by students in internal assessment and university examination. The meeting for the present academic year was conducted on 21<sup>st</sup> April 2022 at 2:30 pm

S.No	Name of the Member	Designation
1	Dr. Madhu Sudana Reddy G	Professor & HOD/ME
2	Dr. Vidyadhar Pujar	Associate Professor Criteria 2 Coordinator
3	Mr Varun K R	Assistant Professor
3	Students	6 <sup>th</sup> and 8 <sup>th</sup> Sem ME students

The following issues and concerns of the students were observed;

**CIE GRIEVANCES:**

1. The students are facing problems in the conduct of CIE as it is completed in a span of 3 days with 2 subjects per day which is giving pressure to the students and also there is no proper concentration on an individual subject due to this.
2. The syllabus given for every internal doesn't always necessarily cover all the 5 modules in the internals conducted as the syllabus is not completed due to shortage of time in the overall semester.
3. The numerical subjects take a lot of time to be covered and also hinders in the learning process before the CIE Exam.

**SIE GRIEVANCES:**

1. The exam duration is not feasible for majority of students for numerical subjects as it takes a lot of time to complete the question and thus making it hard to complete all the 5 module

questions, request you to ease the questions so as to complete the paper on time and give proper time for all questions.

2. The regular exams are conducted simultaneously with the arrear exams which gives students with backlogs a hard time and pressure which makes them unable to clear the subjects leading to more arrears in the semesters. Sufficient time needs to be given so as there is no clash between regular and backlog exams and the students can study well for it and clear it with sufficient time in their hand.

The grievance review committee assured the students that the concerns and issues will be brought to the notice of the concerned authorities. The effective measures will be taken in this regards so that the students will not have to face any problems in future.
