1. Most of the coordinators opined that they are not getting the required titles for most of the subjects. Librarian told that books would be purchased based on the requirement given by HODs. Therefore he felt that HODs while giving the list of books, they must be aware of the books already available in the library and consult with their department faculty members for new books. And the Librarian distributed a standard excel format to all coordinators in which all could make a requisition for their books in order to maintain uniformity of the system.
2. All coordinators enquired about VTU e - resources. Librarian informed that e-resources access available through college IP address no need to enter user name and pass word.
3. Finally Dr. Mallikarjun advised all coordinators to cooperate with the central library staff and keep in touch with library with their valuable suggestions and utilize the services for the benefit of learning community readers can convey their valuable input by using E- resources
