Details of Student Region and Religion wise

The students from various parts of India come to The Oxford College of Engineering, Bommanahalli, Bangalore, to pursue their higher studies. This institution provides education to all students irrespective of caste, culture and language. The institution takes effort to maintain peace, tolerance, harmony and culture within the campus. This is the advantage for the students to come from various states and pursue their education in this institution. The institution plays an important role to mould the students into good citizens. These admirable qualities are deeply established in the college community.

The Institution offers different Undergraduate programs like Computer Science Engineering, Information Science Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Civil Engineering, Automobile Engineering, Mechatronics Engineering, Biotechnology Engineering, Master in Computer Application, Master in Business Administration. It also offers Post graduate Programs like M.Tech in VLSI Design and Embedded System, M.Tech in Power Electronics, M.Tech in Structural Engineering. Students belonging to different religions like Hindu, Christian, Muslim, Jainism, Buddhism and Sikhs with different categories like OBC, GM, 2A, 2B, 3A, 3B, SC, ST have taken admission in the institution for different programs.
